SCANDINAVIAN NEWS BUDGET.

(Special correspondence of the DESERET NEWS.)

SWEDEN.

The combined length of the Swedish railroad lines was about 3,300 miles at the end of 1893.

A railroad will probably soon be built between Hernosand and Sundsvall. The cost is estimated at $[illegible] kronor.

The high court men have discussed complaint literature with a certain heard in Stockholm and vicinity.

The French journalist, Hugues le Roux, is writing a book about Sweden, which will soon be published.

General Stormerrn, of the Swedish army, celebrated his 50th birthday. He will general is in the age of health.

Judge Undersaeta, the Eorest chief judge of the Sunna district, retired at Stockholm the other day.

Thousands of people are without work in Sarrland. Many are willing to work any for food and lodging.

Post Superior, an old soldier, died at Lulea at the age of 90 years. Superior participated in the war against Russia in 1808.

The government has paid upon request for a patent on a concession by which a man now may be employed into the revolving in such a way that the operator can not reach the main motor.

Spring meetings, where society ladies are raising capital in the interests for sewing are very often held in Stockholm. A great many philanthropic enthusiasts have returned from there, being tired, starved and afterwards partly supported on the proceeds from some of things, worked at these meetings.

Elk people now in Sweden has more extensive hunting grounds than Queen Victoria has. The largest tract of land is in Scotland, near Dublin, and amounts to [illegible] acres. When he can, she added half a dozen another tracts of land and fishing grounds, it is evident, that Baron Dickson has in future chosen as a Nimrod for most of the famous landlords of England.

The art of producing ice is very old in Sweden and has been a much more occupation in many remote districts, but is nowadays carried on principally in the two most northern provinces of Norrland. During the winter the natural ice is brought to the "ice pit" where it is hoisted during the following spring and summer. The prepared ice is floated in barrels down the river to the coast places, whence it is exported or to foreign countries. Half of the entire production is shipped from China.

The free churches are drawing heavily upon the attendance of the state churches of Stockholm. Of the different free denominations the Baptists have six churches and a number of small circles, the Methodists four, the Mission Friends seven, the Adventists one, the Mormons one, the Irvingites two, the Swedenborgians two, the Catholics four, and the Jews one. Besides these there are two mixed congregations with doctrines but little different from those of the state church. The whole number of church buildings and preaching stations is about 70, only a minority of which belong to the state church.

NORWAY.

A Unitarian church is to be built in Christiania.

The state debt of Norway amounts at present to [illegible].

A Moderate-Conservative club has been organized in Fredrick.

The cathedral of Throndhjem is being restored at a cost of [illegible] kronor.

The grand trunk line of Norway has declared a dividend of 7 per cent.

The state has a dental dispensary at Christiania, which is absolutely free to the public.

During 1893 Norway exported about [illegible] cubic metres of timber and [illegible] tons of ice.

Nearly all of the public schools of Christiania are now being lighted by electricity.

The bark Neptunus from Skien, Captain Tolleson, was wrecked during a storm on the Atlantic. The crew was rescued by a steamer.

Miss Hilma Gudbrandsen, who recently visited America, has been appointed commander-in-chief of the Salvation army in Norway.

Sophus Funck, who in such able way managed Norway's exhibition in the Fishery Building at the World's Fair, died at Bergen.

The members of Christiania are in favor of opening the Sunday morning services in the churches at [illegible] instead of noon.

The first regular Jewish congregation in Norway was organized in Christiania a short time ago and has already several hundred members.

Thirty six passes in Christiania are assessed for more than [illegible], several passing the [illegible]. The Norwegian Credit Bank heads the list, its assessed value being [illegible].

It is said that King Oscar will celebrate the 25th of May in Christiania. During the summer he proposes to make a trip along the coast of Norway with the Norwegian steamer "Haakon Jarl."

DENMARK.

Christian Svensen has been appointed postmaster general.

The number of free churches in Denmark is increasing.

Both the Ship and the green have now recovered from their late wreck.

V. Hilbergs, the large land owner of Gammel Kjoenmoeding, is dead.

According to the latest statistics Copenhagen has [illegible] inhabitants.

The large poultry exposition follows in the price of Horsens was found to be genuine.

A servant girl at Hillerod, who killed her child and buried the body in a wood, has been sentenced to suffer the death penalty.

Almost [illegible] people emigrated from Denmark in 1893. Of these [illegible] emigrated to the United States, [illegible] were Danes.

Dr. Sonne, a prominent French physician, who some time ago traveled in Scandinavia, has written a book on Norway in Norway, Finland and Lapland. The author says that a visit of Norway will exhibit scenes of fairy nature.

The city council of Copenhagen has successfully carried through the review of "proportional representation" in standing committees. There was reported in the committee that it is entirely in the general that the election would be the representation of the minority. The committee recommended that the proportional representation system should be adopted in the three committees.

The so-called Gompers' movement is blossoming. The organization claims now 14,000 members. The leaders are going to form trade unions and organize among the unskilled laborers. The Copenhagen Socialists are trying to persuade the court bakers, supply the Socialistic bakery, and the cost of living is cheaper, and the bakers are trying to get a general strike.

NEWS FROM FILLMORE.

A Rural's Sad Death in a Runaway—Letter Accepted.

FILLMORE, Feb. 25, 1894.—Twelve of Fremont L. N. Hawkins and his son, U. S. Jr., were returning home from Kanosh, Beaver County, when the team, an expert runaway, was driving a somewhat high or safe situation to a buggy, and was going at a very slow pace. When a little north of Niniver one of the horses had not many steps from under him, the left unfastened the other horse, which going to work breaking for a different. The Fillmore boys jumped to one side and remained off, the engine stop, getting thrown into three pieces from the buggy to the ground. The horses ran for about two hundred yards, then stumbled into a "Dutch house" and fell to sleep. When the buggy was found the horses had the horses and with a broken neck, and the other dragged to the corners.

Two relatives in Marion, got another horse and returned home somewhat shaken up but were able to attend to today.

Mr. Hawkins, the poor woman who recently got so badly injured by falling into the fire while in a fit, died on the night of the 23d, was buried under the auspices of the Wood Brigade today. She was about twenty-five years.

Gator Greenway Was Not Worth Bond for Selling Whisky without a License.

A suit brought yesterday against G. B. Greenway was dropped with prevailing witness to return to Greenway.

Two young ladies, "John" and "Alice," gave a dollar's worth of school from a "White Man." Then they got drunk, and the night both were found the place. Alice has taken a cab to Dry Creek and entered the premises of Mr. Great Ancients, Mr. Alice's name and all and exclaimed their money gone. Deputy Sheriff A. Alexander got on their track and when at Cedar Fort through a element, he more path gal the Indians near Stigmatite, Juab County. They had a leaving yesterday before J. F. Moffitt, and the case goes to the grand jury at Provo.

THE STOCKUM ROOT HAIR GROWER CO., 27 Park Row, New York, N. Y.

A cure at a cost of years ago, the great chemist,

Justus von Liebig,

in his laboratory at Munich, made extensive investigations in regard to meat, and invented and perfected "extract of beef." He interested others in his discovery, a factory was established, the demand grew rapid, it became impossible to obtain a sufficient supply of the best cattle, then the company began to raise their own beef at Fray Bentos, Uruguay, today

Liebig COMPANY'S Extract of Beef

is used and used round the world in preference to any other because it is

DR. SCHENCK'S

Mandrake Pills have a value as a household remedy far beyond the power of language to describe. The family can hardly be true to itself that does not keep them on hand for use in emergencies.

MANDRAKE

is the only vegetable substitute for that dangerous mineral, Mercury, and while in action as a cathartic is fully equal, it possesses none of its pernicious effects.

In Constipation, Mandrake acts upon the bowels without disgusting them in an opposite condition.

We remedy acts as directly on the liver, nothing so speedily cures Sick Headache, Jaundice, Biliousness as these

PILLS.

For sale by all Druggists. Price 25c per box. Sent by mail, postage free, on receipt of price. Dr. J. H. Schenck & Son, Philadelphia.
