SANFORD'S RADICAL CURE For CATARRH

INSTANTLY RELIEVES.

6,000 FEET ABOVE THE SEA.

The following testimonials are from Messrs. J. G. Bosworth & Co., Denver, Col., large and influential druggists. They report unprecedentedly large sales and universal satisfaction. No other disease is so alarmingly prevalent in that region. They speak of the following gentlemen as among their best citizens:

SORELY AFFLICTED.

J. G. Bosworth & Co., Denver, Col.: Gentlemen,—Permit me to add my testimony in behalf of SANFORD'S RADICAL CURE FOR CATARRH. I have been sorely afflicted with this foul disease for four years, and have tried every known remedy without avail, until I bought a bottle of the above CURE from you, which gave me immediate relief. It has proved a complete cure as well as a local remedy. I believe it to be all that is claimed for it, a Radical Cure for Catarrh.

Very truly yours, WM. AMETHYE,
Denver, Sept. 27, 1875. with Jackson, Sims & Co.

GREATLY AFFLICTED.

Messrs. J. G. Bosworth & Co., Denver, Gentlemen,—I take pleasure in recommending SANFORD'S RADICAL CURE FOR CATARRH to all who are afflicted with the loathsome disease. I was greatly afflicted with it for a long time, and cured it with two bottles of the above CURE. About a year afterwards I was again taken with Catarrh quite severely, and immediately sent for another bottle, which dispelled it right away, giving me entire relief. I feel confident that this remedy will do all that is claimed for it, and more too. Wishing you success in its introduction, I am very truly yours,

J. T. SMITH, of Smith & Doll.
Denver, Oct. 1, 1875.

TRIED EVERYTHING.

Messrs. J. G. Bosworth & Co., Denver, Col.: Gentlemen,—I have used SANFORD'S RADICAL CURE FOR CATARRH, and it has given perfect satisfaction. I have tried almost everything for Catarrh. It is the only thing that has given me relief. I take pleasure in recommending your CURE to all afflicted with Catarrh of any kind, and offer this as my testimony to its benefits.

Very truly, W. S. BECKER.
Denver, Oct. 1, 1875.

REV. J. H. WIGGIN SAYS:

One of the best remedies for Catarrh, say the best remedy yet above mentioned, is SANFORD'S RADICAL CURE. It is not unpleasant to take through the mouth, and there comes with each bottle a small glass tube for use in inhalation. It clears the head and throat so thoroughly that, taken each morning on rising, there are no more severe paroxysms during the whole day, being during the entire day, but an unprecedented clearness of voice and pleasantness of speech.—Rev. J. H. Wiggin, in Berkshire (Mass.) Industrial.

Each package contains Dr. Sanford's Improved Inhaling Tube, with full directions for use in all cases. Price, $1.00. For sale by all Wholesale and Retail Druggists and Dealers throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

Instructions to the Sioux Commissioners.

WASHINGTON, 5.—The interior department desires the publication of the following verbatim extract from the instructions issued by Secretary Schurz to the Sioux Commissioner on the 28th ult:

If there be any difference of opinion as to choice of location, you will keep in mind that the Indian choice is to be respected, and that it is most important to keep perfect faith with them in the performance of all promises made to them, and that this will be the invariable rule of the government in its treatment with the Indian tribes.

Not True.

Disaffection among Okanagan Indians is denied. Nearly the whole tribe is camped at the Catholic Mission, together with a delegation from neighboring tribes, all attending the feast of Corpus Christi.

The aggregate appropriation made by the last Congress is $157,203,933.

Tom Jenks to be Indicted.

CHICAGO, 5. — The *Inter-Ocean's* Washington special says: Steps have been taken to have Tom Jenks indicted for perjury. He denied the affidavit which was produced as having been signed by him. Seymour, the notary who administered the oath, is to furnish two witnesses who were present when Jenks signed the paper.

California fine and medium 20 @ 25, coarse 18 @ 22.

The Potter Investigating Committee.

NEW ORLEANS, 5.—The Potter sub-committee met at 11 a.m.

Fawdry, clerk of the circuit court and United States commissioner, testified. He thinks most of the affidavits before the returning board were attested by him; superintended their preparation as supervisor of elections; his office is a repository for these papers; the original affidavits were borrowed from time to time by republican counsel. Some of them had not been returned; brought here all the protests, affidavits, etc., made before me, also some that I discovered among them, a few days ago, which I thought should have been on file in the secretary of States office. The papers were delivered to the committee, and include the original protest of D. A. Weber, with his interlineations, which witness thought were evidently made after the original draft, being in a different ink and hand-writing. Adjourned.

Destruction of Life and Property by the late Storm.

PITTSBURG, PA., 5.—The storm which swept over this city and vicinity yesterday afternoon proves to have been the most destructive one in loss of life and property that has occurred here for several years. In the city several houses were struck by lightning, and the flood of water did great damage, but no lives were lost. In the rural districts the greatest losses occurred. Houses and bridges were washed away and crops greatly damaged. At Sandy Creek, a village twelve miles above this city, the water rose to a depth of four feet and carried everything before it. The house of Abner Connor, containing himself, wife and child, Ira Long, a man named Boyd and a stranger who had stopped during the storm, was carried away and all were drowned. The bodies of Connor, wife and child and Boyd were recovered this morning. The killed and wounded at the disaster at Rose Grove picnic yesterday are as follows: Mrs. Conrad Reithmiller and child, Willard Prager, 15 years old, Herman Prager, 8 years old, Ludwig Waltz and Mrs. Stoevner. Wounded—Five of Mr. Reithmiller's children, one young lady 18 year's old, some fatal but seriously; Louie Crafts, 18 years old, seriously; three children of Mrs. Burgund of Sharpsburg, one of these is fatally injured and two others have legs broken; John Spritz, 22 years old; George Sanis, 13 years old; Michael Schrumm, of Sharpsburg; Miss Amute Galsing, probably fatally; Miss Lizzie Burgund, fatally; Rev. Charles Weltz was injured by a branch of a tree and has been unconscious since.

$23,000 Fire.

TITUSVILLE, PA., 5.—The Central House Depot, together with the Telegraph Office and private offices at Petroleum Centre, were burned, yesterday, by the careless use of fireworks. The loss will amount to $23,000; no insurance.

The Reason They Lost.

NEW YORK, 5.—A Henley special talks of the defeat of Shoewaemaemettes, that it was first believed they had given up through exhaustion, but it seems, when in the most exciting part of the race, the captain of the "Shoes" called for a spurt, and the men failed to respond at that moment; in fact, Joseph Nadeau gave out. He was suddenly taken sick, and was unable to make any further efforts. It was afterwards learned that Nadeau had been sick for some days past.

Executed—Sentence Commuted.

ATLANTA, 5. — Dick Dawson, colored, was hanged at Thomaston, to-day, for the murder of Frank Cunningham, his brother-in-law. Dawson, in a statement, said he thought Cunningham had bewitched him, and that he would die if he did not kill him. Dawson died shrieking and crying. Cunningham's wife is held as an accomplice.

Moses Green, sentenced to be hanged for killing Henry Bradley, has had his sentence commuted to imprisonment for life.

WESTERN.

The Hostile Indians.

SAN FRANCISCO, 5. — Susanville, Modoc County, California, 5: Eight families from Surprise Valley have just arrived in town. The Indians have been within eight miles of the valley. They stole stock and took the contents of the cabins. Friendly Piutes have warned the settlers that the hostiles were coming to take the valley. The hostiles crossed John Day River near Camp Lester on Sunday, June 30, and are now in Fox valley. The indications are that the hostiles will cross Snake River near the mouth of the Grande Ronde, keeping in their journey under cover of the forests of the Blue Mountains country, through which the troops have followed them. If Wheaton has received the orders sent him, he will be ready with all his force to encounter the hostiles as they emerge from the mountains. The citizens skirmished with the Indians on Saturday, June 29th, and one man was killed. On Sunday the Indians murdered two men in this valley, and burned three houses. Bernard presses them so close that they had not time to depredate further. By order of Brigadier-General Howard, Howard will move slowly, to give Wheaton time to get into position. There will be no fight for some days—not till Wheaton is ready to intercept them.

FOREIGN.

GREAT BRITAIN.

The Peace Congress.

LONDON, 5.—The only reservation as to the Danube is that the river shall not be open during war as it is in time of peace. The jurisdiction of the existing commission is to be extended to Galatz.

In the discussion as to the division of the Sandjak of Sofia, Russia admitted that the Ichteman Pass, with a strong line of defence, should be assigned to Roumelia, but the discussion of English demand, that Roumelia should receive five out of the seven districts into which the Sandjak of Sofia should be divided, became so warm that the representatives of France, Italy and Germany intervened with a compromise, which contemplates nearly an equal division between Roumelia and Bulgaria. As the retention of the Ichteman line for Roumelia is the principal aim of England, the question will probably cause no further difficulty.

A Berlin correspondent bases his supposition as to the probable settlement of the Batoum question—by Russia receiving Batoum on condition of never fortifying under any pretense—on Prince Bismarck's utterances at Tuesday's interview, and believes if the question is not settled privately, but is brought forward at Saturday's sitting, Bismarck will resolutely take Russia's part and declare that, while he should applaud any compromise, he cannot but consider binding the signatures of Turkey and England to the San Stefano treaty and the Anglo-Russian agreement, respectively.

The Greek question was settled in the congress to-day. The resolution passed that the congress invites the Porte to come to an understanding with Greece for the rectification of her frontier, and is of the opinion that the line should be from the valley of Salambria on the Ægean Sea to the mouth of the Kalamos River, opposite Corfu. In the event of difficulties arising in negotiations, the powers are ready to render their good offices as mediators.

A Berlin dispatch states it is certain that the powers, by offering mediation, mean that the invitation shall not mean a dead letter. France and Italy warmly supported the Greek claims.

Lord Beaconsfield admitted that he had, with difficulty, been induced to accept even that moderate proposal, as the precise boundary indicated therein seemed to limit the sovereign will of the Porte. He was unable to accede to any demands amounting to a division of Turkey, Epirus and Thessaly not being in a chronic state of anarchy like Bosnia. The Greeks are profoundly disappointed at the decision of the congress. Turkey had privately declared she would go to war with Greece rather than cede the two provinces.

Saturday's sitting, in which the questions of Batoum and Armenia are to be discussed, will virtually end the congress. The remaining proceedings, principally formal, will probably last till Thursday. The financial question and that of the government of Western Roumelia will be submitted to the commission of ambassadors resident in Berlin which meets after the dissolution of congress. Prince Bismarck has informed a correspondent that he thinks the Czar will consent to destroy the fortifications of Batoum.

The Columbia Crew.

The Columbia's crew having won the only boat race ever gained by an American crew in England, are the heroes at Henley. The superb form they have shown the past two days surpassed even their best friends.

Lord Camoy, in presenting the prizes, complimented the Columbias on their pluck in coming over, and hoped they would come again. The Columbias dined with the Trinity College crew this evening, and were afterwards received at an entertainment given by the London Rowing Club. They will come to London to-morrow and after a few days will separate.

Notice of Reduction.

A paper has been posted in all the cotton mills of Stockport district, giving a fortnight's notice of a five per cent. reduction in wages. The operatives seem to favor resistence. A strike there would affect 25,000 people.

AUSTRIA.

Mobilization.

VIENNA, 5.—The Austrian government has received the remaining 7,000,000 florins from the bankers who undertook to raise 30,000,000 for the mobilization. The mobilization of the additional troops begins on Saturday.

Adhkalsh has been definitely ceded to Austria.

TURKEY.

Batoum will Hoist the British Flag

CONSTANTINOPLE, 5.—The inhabitants of Batoum have again telegraphed to Minister Layard asking for the protection of England, and declaring that they have resolved to hoist the British flag and open fire on the Russians on July 12th.

BRITISH AMERICA.

The Orangemen's Celebration.

MONTREAL, 5.—A meeting of the justices of the peace of this city and district took place to-day, to consider the best means of preserving the peace on the 12th of July. Two hundred magistrates were present. The mayor offered resolutions, which were adopted, regretting that the Orange Association persisted in the determination to celebrate in Montreal events distasteful to the majority of its inhabitants, declaring it unwise and inexpedient to call out the military, except when the civil forces are inadequate, and recommending that the mayor at once issue a proclamation to forbid all assemblages or gatherings on the streets or public places on the 12th of July, and calling upon the citizens to aid the authorities to maintain peace. A resolution that the authorities be empowered to call out the military, brought on a long and exciting discussion. It was finally decided, 40 to 7, that the magistrates having full confidence in the mayor, place in his hands all power and authority to preserve peace on the 12th of July.

WEST INDIES.

The Pacific Steam Navigation Co.—Church and State.

PANAMA, 27.—The Pacific Steam Navigation Company announce that hereafter a steamer will be dispatched from Panama for Guayaquil, Payta, Callao, Valparaiso, and intermediate ports every Wednesday. The old arrangement running only in connection with the royal mail and General Trans-Atlantic Steamship Companies, is thus done away with, and all connecting and competing lines will have a fair chance for passenger business. The Columbian Congress has adjourned without having accomplished anything worthy of record. A strong effort was made by the Ultramontanes to restore the Church to the privileges of which it was deprived, but without success. Too many of the members had seen the banner of the cross waiving over the revolutionary forces in various battles, and knew too well the hostility of the priests to the liberal government, free schools, etc., to listen to the appeals of even the most venerable prelates. The church appears to be completely divorced from the state.

Rumors of a revolution still continue in Panama, and it is thought that with the arrival of the Panama delegation from Bogota, which, it is supposed, will be accompanied by some portion of the Columbia Guard, an effort will be made to displace the actual President, General Correosa.
