CATARRH

Sneezing Catarrh, Chronic Catarrh, Ulcerative Catarrh, permanently cured by

SANFORD'S RADICAL CURE.

SANFORD'S RADICAL CURE FOR CATARRH is safe, certain, and permanent cure for Catarrh of every form, and is the most perfect remedy ever devised. It is purely a vegetable distillation, and is applied locally by insufflation, and constitutionally by internal administration. Locally applied, relief is instantaneous. It positively heals and cleanses the nasal passages of every feeling of dryness, obstruction, dullness, or dizziness. Constitutionally administered, it eradicates the blood, purging it of the acid poison with which it is always charged in Catarrh, strengthens the stomach, liver, and kidneys, perfects digestion, makes the feet warm, and gives the formation of sound, healthy tissue, and finally obtains complete control over the Catarrhal tendency. Thousands of testimonials, when all other remedies utterly fail, of SANFORD'S RADICAL CURE, are attested by thousands who gratefully recommend it to fellow-sufferers. No statement is made regarding it that cannot be substantiated by the most respectable and reliable references. It is a great and good medicine, and worthy all confidence. Each package contains a Treatise on Catarrh and Dr. Sanford's Improved Inhaling Tube, and full directions for its use in all cases. Price $1.

An Enthusiastic Friend of Sanford's Radical Cure.

McKINTOSH, GRANT & BOWEN'S FIRM AND 732 Fine Street, St. Louis, Mo., Feb. 1, 1877.

A. A. MERRIAM, Washington, D.C.—Dear Mother: I feel so much better than I have been troubled with Catarrh, and so far from the time I first commenced seriously with it. Noticing your advertisement of SANFORD'S RADICAL CURE, I decided to try it. I have used only two weeks, and yet I feel so much relieved that I presume on our personal relations and write this to you and ask that you take some measures to get it more generally before the public, that others may have such relief as I have. I have recommended it to quite a number of my friends, all of whom have expressed to me their high estimate of its value and good effects with them.

I really think it particularly adapted to wants of St. Louis people, and they should know of it, and those who use it should try it. It will pay to remember that, if it does cure, it will be given away within the usual bottle.

Try good things. Let the people have it; they need it. I believe I could sell 500 bottles myself—of course you could largely increase this number. Why not try it? Yours truly, WM. BOWEN.

LAME BACK AND RHEUMATISM

CURED BY COLLINS' VOLTAIC PLASTERS

Messrs. Weeks & Potter: Gentlemen,—One year ago I was seized with a severe attack of Rheumatism in my right hip, to which I was subject. I tried the various liniments and rheumatic cures, but without the least benefit, when, purchasing a Collins' Voltaic Plaster, I was at once relieved, and in two days was able to work upon my farm as usual, whereas, before the application of the Plaster, I could do nothing, and every step was painful. A few weeks since, one year from the first attack, the disease returned, but I am happy to say the second Plaster completely dislodged it from my hip, and I have not felt a twinge since. My wife wishes me to add that she Plaster had cured her of severe lame back. We think there is no end to the virtues of Collins' Voltaic Plasters. I have cured with the Collins' Voltaic Plasters for Rheumatism and Lame Back, and cheerfully recommend them to the suffering. Yours very respectfully,

ORLAND, ME., June 6, 1876. ROBERT COTTON.

NOT A QUACK NOSTRUM.

Gentlemen,—I hereby certify that for several years past I have used the Voltaic Plasters in my practice, and have never known them to fail in affording speedy relief to the cases for which they are recommended. They are not a quack nostrum, but a remedial agent of great value. Very truly yours, C. COLLINS, M. D.

BUCKSPORT, ME., May 27, 1874.

PRICE 25 CENTS.

Be careful to obtain COLLINS' VOLTAIC PLASTER, a combination of Electric and Voltaic Plates, with a highly Medicated Plaster, as seen in the above cut. Sold by all Wholesale and Retail Druggists throughout the United States and Canadas, and by WEEKS & POTTER, Proprietors, Boston, Mass.

Preaching—Baptisms, etc.

TAYLOR'S STORE, Franklin County, Virginia, August 5th, 1878.

Editors Deseret News:

We have found, in different parts of this State, good openings for preaching. Some, favorable to the cause, have kindly prepared seats in the woods, in several localities, that we may have places to hold meetings. These places, though in the open air, are shady and pleasant for meetings during the summer season. Generally, our meeting are well attended.

A short time ago we baptized a few—that is, eight souls. And prospects are good for more baptisms soon.

We still meet a little abusive opposition, mainly from the southern and northern Methodist hirelings. Last Sabbath morning we held a meeting at a school house in this neighborhood, had a good attentive congregation.

A preacher of the Methodist persuasion had appointed a meeting in the same house in the afternoon at 3 o'clock, when he proposed showing the people that "Mormonism," as he calls it, is a delusion, originating somewhere in Europe. In the morning this preacher unexpectedly took sick and was, consequently, unable to fill his appointment. The people, tired waiting his appearance, dispersed in disappointment.

In some parts of the country, sensational meetings have been gotten up, for the purpose of discussing the grave question relative to the non-existence of hell. Some of the most popular preachers of the times, who formerly exhausted their eloquence upon hell and its fiery horrors, are now enthusiastically denying the doctrine, declaring it unscriptural and in opposition to the plan of redemption. This new dogma seems to please some people, as it is somewhat consoling.

We are reminded of the inspired words of the prophet Nephi, speaking of the last days:

"And behold, others he (the devil) flatteth away, and telleth them there is no hell; and he saith unto them, I am no devil, for there is none; and thus he whispereth in their ears, until he grasps them with his awful chains, from whence there is no deliverance." Second book of Nephi, chapter 12, par. 3.

Prospects here are favorable for accomplishing a good work.

Elder Cowley, a young man, is earnestly devoted to the ministry, He joins me in kind regards.

Yours faithfully, H. W. BARNETT.
