WESTERN.

Governor Inaugurated, &c.

SAN FRANCISCO, 9.—Governor Irwin was inaugurated to-day, with the usual ceremonies. In his inaugural he urged the legislature to bring the influence of the State to bear on the general government, to procure a modification of the treaty with China, with a view to the restriction of Chinese immigration; also that the State should demand a return of the country to specie payments at the earliest possible moment.

A dispatch from San Diego says that a petition is being largely signed asking Congress to extend aid to the Texas Pacific Railroad, to enable it to build a competing line to the Pacific.

Sailed for Sydney.

The A. S. N. Company's steamer *Mikado* sailed this evening for Sydney, being the last departure of that line. She had a large freight and passenger list, on account of the feeling against the Pacific Mail Company for the appointment of Waddell to command the *City of San Francisco*; the latter sails tomorrow, Captain Lachlan commanding.

FOREIGN.

GREAT BRITAIN.

Another Colliery Explosion—More About the "Deutschland" Disaster.

LONDON, 9.—An explosion took place to-day in a coal mine at Mithly, near Leeds; six men were killed.

With the latest information at hand regarding the loss of the steamship *Deutschland*, it is estimated that at least sixty-eight persons, of whom 46 were passengers, were drowned. A coroner's inquest has been held at Sheerness on the two bodies found in the quartermaster's boat; the jury refused to adjourn finally until the result of the official inquiry, which is to be held at Harwich, is known; in the meantime they have returned a verdict of death from exposure, thus leaving the Harwich inquest to fix the responsibility for the disaster.

The inquest at Harwich opened yesterday. The captain and other officers of the *Deutschland* were examined, but nothing new was elicited and the inquest was adjourned until Tuesday next.

Six more dead bodies have been brought ashore at Harwich.

A dispatch from Sheerness says the *Deutschland* has broken in two.

GERMANY.

Dead.

DETMOND, 9.—Paul Frederic Emil Leopold, Prince of Lippe Detmond, is dead.

SPAIN.

The Press on the Message.

MADRID, 9.—The Journals of this city comment variously on the message of President Grant, but all hope that Spain will vanquish the insurrection in Cuba by force, energy and perseverance.

FRANCE.

Voting for Senators.

PARIS, 9.—In the Assembly today balloting began for the election of seventy-five senators, who are to hold office for life. The Duc D'Audiffret Pasquier, President, and M. Martel, the first Vice President of the Assembly, were elected; no other candidates obtaining the absolute majority which is necessary. On the first ballot the Left developed surprising strength in voting, and their candidates received an average of 325 votes each against 317, the average number thrown for those of the Right; the members of the Right are astounded at the result.

Sebalis to be Imprisoned.

HENDAYE, 9.—A Carlist court martial has sentenced Gen. Sebalis to four years imprisonment.
