PLAIN TRUTHS

The blood is the foundation of life, it circulates through every part of the body, and unless it is pure and rich, good health is impossible. If disease has entered the system the *only* sure and quick way to drive it out is to purify and enrich the blood.

These simple facts are well known, and the highest medical authorities agree that *nothing* but iron will restore the blood to its natural condition; and also that all the iron preparations hitherto made blacken the teeth, cause headache, and are otherwise injurious.

BROWN'S IRON BITTERS will thoroughly and quickly assimilate with the blood, purifying and strengthening it, and thus drive disease from any part of the system, and it will *not* blacken the teeth, cause headache or constipation, and is positively *not* injurious.

Saved his Child.

17 N. Eutaw St., Baltimore, Md. Feb. 12, 1880.

Gents:—Upon the recommendation of my friend I tried BROWN'S IRON BITTERS as a tonic and restorative for my daughter, whom I was thoroughly convinced was wasting away with Consumption. Having lost three daughters by the terrible disease, under the care of eminent physicians, I was loth to believe that anything could arrest the progress of the disease, but, to my great surprise, before my daughter had taken one bottle of BROWN'S IRON BITTERS, she began to mend and now is quite restored to former health. A fifth daughter began to show signs of Consumption, and when the physician was consulted he quickly said "Tonics were required;" and when informed that the elder sister was taking BROWN'S IRON BITTERS, responded "that is a good tonic, take it."

ADONAM PHELPS.

BROWN'S IRON BITTERS effectually cures Dyspepsia, Indigestion and Weakness, and renders the greatest relief and benefit to persons suffering from such wasting diseases as Consumption, Kidney Complaints, etc.

SOUTH CAROLINA CONFERENCE.

Minutes of a conference held on the premises of W. N. Gordon, King's Mountain, York County, South Carolina, on the 13th, 14th and 15th of July.

Conference convened on Friday, 10 a.m. Missionaries present, B H. Roberts, of the Presidency of the Southern States Mission. President of the Conference John M. Easton and Elders Henry Miller, Angus McKay, John M. Davidson, Chas. E. Robison, Joseph Willey. After the usual opening exercises, Prest. Easton spoke of the object of our Conference, made a report of his labors in the field and dwelt for some time on the order of the Kingdom of God.

Elder Robison reported his labors among the Catawba Indians expressed his desire to do his duty and trust in the Lord, and testified to the truth of the Gospel.

Elder Miller related some of his experience in introducing the Gospel among strangers, and felt to be humble that he might have the Spirit of the Lord to be with him, to assist him in his labors.

2 p.m.

Elder Davidson spoke of the good feeling among the Saints where he labored, and exhorted them to faithfulness; referred to the ordinances of the Gospel and our duty to obey them.

Elder Willey testified to the truth of the Gospel and desired to put his trust in the Lord, so that he might be successful in delivering the gospel message to those that are seeking after truth.

President B. H. Roberts read Jeremiah 31st chapter and 10th verse. Spoke of the dispersion of Israel and referred to many passages to prove that Israel will be gathered in the last days.

Saturday, July 14, 10 a.m.

Elder McKay referred to the prevalent idea that the canon of scripture is full and that God had given his work into the hands of men; quoted several passages to prove this fallacy, and bore his testimony.

Elder B H. Roberts read Romans 1 chap. 16 h verse, and portrayed the fall of Adam and the curse in consequence, also the redemption wrought by Jesus Christ.

2 p.m.

B. H. Roberts continued his remarks showing by many passages of Scripture what the ordinances of the Gospel were.

President Easton spoke of the restoration of the Gospel and testified that Joseph Smith was a Prophet of God.

Sunday, July 15, 10 a.m.

Elder Davidson spoke of the Gospel as taught by the Savior with its officers and ordinances and the manner in which they are to be obeyed.

Elder Miller showed how a foreigner had to comply with specified laws before becoming a citizen of any kingdom, and that it is necessary to comply with the laws of the kingdom of God before being initiated.

Prest. B. H. Roberts told of the many denominations of religion today, and gave an account of the revelations given to Joseph Smith.

2 p.m.

After singing and prayer the sacrament was administered.

B. H. Roberts spoke of the restoration of the gospel; explained the order of sustaining the officers of the Church; presented the general authorities and the traveling elders, the president of the branch, and clerk of the conference, who were unanimously sustained.

Priesthood meetings were held every morning during conference where many valuable instructions were given.

There was a table spread in the arbor on Saturday and Sunday noon's, sumptuously furnished by the Saints and their friends, to which all were invited, a goodly number of strangers being present.

The reports of the Elders were very encouraging. We had a good peaceable time and our Conference was in every way a success.

ANGUS MCKAY,
Clerk of Conference.

A SALEMITE REPLIES.

SALEM, Utah, July 19, 1883.

Editor Deseret News:

Through a letter referred to in your issue of the 17th inst., a charge of selfishness is preferred against the people of Salem, in not letting "the stranger within their gates" have a chance. This charge is unfairly applied and has no foundation in fact, as presented in the press. Building lots and farming land can yet be obtained here at reasonable prices, but here as elsewhere in the country, people value their land, and will not sell it without some show for the pay therefor, during their natural lives. I have never, at any time, during the last 15 years, seen a time when I could not purchase land or city lots in this town, if I was prepared to do so, but doubtless, there have been cases, that persons have made application to purchase, and the impecunious circumstances of the applicants have induced the landholders to make steep propositions, or to decline to sell. I am convinced from experience and observation, that when any man with modest feelings and moderate or ordinary exactions, will "harness up" for the labors and duties of life, as they lie before him, he will always be successful; but for "Factious" to make his failures to date, a matter of public vindictive censure, and insinuate upon the people of a whole settlement, when he ought to know that he is mainly to blame himself is, in my opinion, very unfair and impolite.

Yours very truly,
TIMOTHY PUNKINS.

BRIEF TELEGRAMS.

Lexington, 26.—The reunion of Morgan's men continued to-day with addresses and poems. In the afternoon 1,500 marched by the grave of their leader, John H. Morgan, uncovering their heads as they passed. The grave was decorated with flowers. The graves of other Confederate dead were also visited and strewn with flowers. An address by Major Stanley, orator of the day, was delivered in the grove; subject, "Life of John H. Morgan."

Bordentown, N. J., 26.—The public school board of Burlington, N.J., is cited before the Supreme Court the 1st of November, to show cause why a writ of mandamus should not be issued compelling them to grant permits to the colored children of the Rev. Mr. Pence for admission to the public schools.

Guayaquil, via Galveston, 26.—By spontaneous action the people today proclaimed Pedro Carbo Chief of the Government of Guayaquil, with full independent powers. The three governments will jointly convoke a national convention.

Lexington, Ky., 26.—The reunion of Morgan's men closed to-day. A gold-headed cane was presented to D. B. Tiffany, who was Federal postmaster at Camp Chase, while Morgan's command was in prison there. A gold watch was presented to Miss Morgan. The executive committee authorized the Secretary
