IRELAND.

A Fifty Guinea Cup.

DUBLIN, 26.—The Lloyds of London have offered a fifty guinea cup to be contended for by the English, Irish, Scotch and American teams at the time of the Elcho challenge shield match; all the teams have accepted.

Grand Banquet.

A grand banquet was given to-night by the Fellows of Trinity, in honor of the American rifle team; there were seventy-five guests at the banquet, which took place in the Commons Hall. The event is regarded as a mark of peculiar honor, it being the first banquet of a similar nature for twenty years. The students took a deep interest in the affair, gathering around the visitors as they entered, and clambering on the window sills of the dining hall, cheering lustily. Judge Mullin, of the Supreme Court of New York, responded to a toast, and proposed the health of the provost of the University of Dublin, and the Lord Mayor of Dublin, and spoke flatteringly of the provost of Trinity College. Provost Lloyd, in reply, spoke eloquently of the marvellous progress of the United States, and said that whatever might be the result of the great rifle contest nothing could occur to mar the friendship between America and Irishmen. Chief Justice Whiteside said the American visitors honored the University by their presence, and they received them as brothers and as having been foremost in spreading civilization. The Rev. Dr. Dougton responded to the toast, "The University of Dublin." The airs sung at the banquet were composed for the occasion by Dr. J. F. Waller, and were entitled, "The Irish Welcome to the American Rifle Team," "Land of the West," and "Welcome Brothers from the West."

FRANCE.

Loss by Flood.

PARIS, 26.—The loss of property by the overthrow of the Garonne and other streams is fully as great in the department of Lot-Et-Garone as in the Haute Garone; 170 houses were destroyed at Moissic, and 50 at La Magistere, and immense damage is done at Bogner and De Bigorre. At Agen the Maron rose thirty-nine feet. The American and English residents have opened subscription books. The National Assembly, to-day, voted urgently for a motion to appropriate 1,000,000 francs for the relief of the sufferers.

Last Night's Dispatches.

EASTERN.

From the Red Cloud Agency.

CHEYENNE, 27.—Indian Inspector Daniels arrived here to-day, from the Red Cloud Agency, bringing with him the proper papers signed by the Indians relinquishing their rights in Nebraska. He feels certain that if the northern Indians agree there will be no trouble in treating for the Black Hills. He reports that he met large numbers of miners between here and White River *en route* to Custer's Gulch. J. S. Collins, Secretary of the Black Hills' Commission, reached here to-day; he leaves for the agencies to-morrow.

Loss of Life and Property by a Tornado.

DETROIT, 27.—A destructive tornado occurred this evening, which passed over the north-western part of the city, from Twenty-first St. to Grand River and Twelfth. Its path was about 500 feet wide. About thirty houses besides outbuildings were demolished; four persons were killed and many others injured, some seriously. Loss $25,000.

$60,000 Fire.

GREEN CASTLE, Pa., 27.—The machine shops and foundry of J. B. Crowell & Co. were burned on Saturday evening; loss $60,000.

Land Office Decision.

WASHINGTON, D. C., 27.—The commissioner of the General Land Office rendered a decision on Saturday, against the State of California in the case of Messrs. Polley and Thomas, who some time ago made application to the land office for a patent for a mineral claim in the school section in township No. 3 south, range No. 13 East. The State of California filed a protest, claiming the ownership of the same under the school grant, and P. H. Delany, grantee of the State, also protests on the ground that the mineral lands do not pass to the State by virtue of the school grant.

Postmasters Appointed.

Postmasters appointed: Lake Co., Cal, C. W. Burton; Tecoma, Elko Co., Nev., Robt. M. Caines; Jacob Hern, at Marysville, Pinto Co., Utah; H. B.M. Jolley, Mount Carmel, Kane Co., Utah; and Samuel Openshaw, at Spring Lake, Utah Co., Utah.

Gold to be Sold.

The Secretary of the Treasury has directed the assistant treasurer of the U. S. at New York to sell a million dollars in gold coin on each Thursday during the month of July; the total amount to be sold is five million dollars.

FOREIGN.

GREAT BRITAIN.

Gone to the Arctic Regions.

LONDON, 27.—The steamer *Pandora* sailed from Portsmouth, for the Arctic regions, to-day.

Esquimaux Joe, who acted as interpreter to Captain Hall in the *Polaris* goes out with the *Pandora*. The *Pandora* will only touch land once on her outward voyage, which will be at Disco, Greenland.

The Losses by Flood in France.

A special to the London *Times* says that 900 persons perished in the flood at Toulouse alone, and that the outbreak of an epidemic is feared. It is believed that 2,600 houses have been swept away in the town and environs. The damage there is estimated at from 12 to 15 million sterling. The Paris correspondent of the *Times* makes an appeal to British charity on behalf of the sufferers. The *Daily News'* special says the lowest estimate of the deaths in the flooded district is 2,000. It is proposed to bombard and destroy the St. Cyprian quarter of Toulouse, to prevent danger from the crumbling walls of the houses remaining.

SPAIN.

Bombarded.

MADRID, 27.—The Spanish frigate *Vittoria* has bombarded, with destructive effect, the ports of Natrico and Deva, on the Gulpuzcoan coast, held by the Carlists.

WEST INDIES.

Fighting.

HAVANA, 27.—It is officially reported that on the 24th inst. a band of insurgents, commanded by a mulatto named Rios, burned four plantations, besides committing various robberies. Troops pursued and dispersed the band, killing 75. Rios was captured and shot at Esperanza. The Spanish loss was twelve killed and wounded.
