CATARRH

THE EYE, EAR and THROAT

Successfully Treated with

SANFORD'S RADICAL CURE.

SUCCESS is the test of merit, and success in the treatment of Catarrhal Affections, after so many miserable failures, means undoubted specific curative properties in the remedy used. SANFORD'S RADICAL CURE for Catarrh possess such properties? The evidence, in the shape of unsolicited testimonials from two hemispheres, and in all stations of life, must be conclusive on this point. Never, we believe, in the history of popular medicines had such valuable testimony been offered, freely offered, in favor of any remedy than that in the possession of the proprietors of SANFORD'S RADICAL CURE. And valuable as it is, it does not represent a thousandth part of the recommendations which are to day offered by friends to friends in its favor. People of every church and all parts of the country daily admit its superiority over any method of cure known to the regular medical profession, but since the publicity mentioned is a published statement. Hence the testimonials in our possession represent but a small part of those written, and yet they are overwhelming. The following unsolicited testimonial from HENRY WELLS, Esq., of Wells, Fargo & Co's Express, is an outspoken indorsement of which we are justly proud.

INVALUABLE.

MESSRS. WEEKS & POTTER, Wholesale Druggists, Boston, Mass.: Gentlemen,—For years I suffered from Catarrh, and I feel that I owe to suffering humanity to write you, stating the great benefit that I have derived from the use of SANFORD'S RADICAL CURE FOR CATARRH. For more than 10 years I have been afflicted with this very troublesome complaint, have tried all the remedies that I could find, but without material or permanent benefit. Last fall the disease had arrived at that state that I must have relief or die. The entire nervous system had become affected, and the stomach so disordered, that it was a doubtful matter whether I could go to the Pacific coast or not. I saw an advertisement of this medicine, and although being very incredulous about receiving benefit from any of this kind, yet in sheer desperation I tried it, and was at once benefited by it. The change of climate a decided change of the river, doubtless, may—may prevent my entire restoration, but the benefit I derive from its daily use is so undoubtedly so that I am hoping to be completely cured, and at last arrive at a respectable old age.

If this statement of my case can be of any service to those afflicted as I have been, and could you to bring this remedy into more general use, especially on the Pacific coast (where it is much needed), my object in writing this note will be attained.

Very truly yours, HENRY WELLS.
AURORA, N.Y., June, 1876. of Wells, Fargo & Co.

Each package contains Dr. Sanford's Improved Inhaling Tube, and full directions for use in all cases. Price $1. For sale by all Wholesale and Retail Druggists and Dealers throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

Last Night's Dispatches.

EASTERN.

Newspaper Material Destroyed.

NEW YORK, 10.—The *Herald's* New Orleans special says: On the night of November 2d, the office of *We, the People*, newspaper, published at Alexandria, Louisiana, was entered, and the press, material, etc., scattered along the halls or thrown into the river. This paper was the organ of ex-Governor J. Madison Wells.

Temperance Movement.

The noted temperance advocate, Francis Murphy, commenced a crusade against rum, here to-day. There were several large meetings in the Seventh Street Methodist Church. About one hundred signed the pledge.

Arrested for Forgery.

DAVTON, Ohio, 10.—John O'Connor, ex-member of the House of Representatives, was arrested, last evening, charged in forging pension certificates. He was indicted by the United States grand jury, at Cincinnati, and the case will be tried at once.

Senator Sargent Recovering.

WASHINGTON, 10.—Senator Sargent has so far recovered that he was able to take a drive, yesterday, and will be out again to-morrow. Some features of his illness have been identical with various recognized symptoms of yellow fever, and he thinks it probable that he may have become slightly infected with that disease in passing through Wilmannucca, where several southern yellow fever refugees had, a short time previously, been quarantined.

Gen. McDowell's Report on the Indians in Arizona.

General McDowell, in his annual report of affairs in the Pacific Coast division, says: There is one question which he desires most earnestly to press on the attention of the proper authorities. "The condition of our heretofore allies and good friends, the Pima and Maricopa tribes of Indians in Arizona." "These people," he says, "cultivate the soil, are fixed in their homes, and have been prosperous, industrious, and always peaceful, except when serving in conjunction with the United States troops against the common enemy. They are now suffering, and are likely to suffer, from no act of their own, but by reason of the settlement of whites on Gila River, above their farms, and the diversion of the which they have heretofore been depending upon to irrigate their ground, for the land will produce no grain without irrigation." He asks that these Indians be granted an additional reservation on Salina River, and that measures be taken to secure them the rights they have had, from time immemorial, to the water of Gila to irrigate their land. Gen. McDowell defers, until the reception of Gen. Howard's report, any discussion of the question of the movements of troops under his command. He states, however, that in order to avoid calling on the General of the army for troops from eastern commands, being warned not to do so except in case of extremity, he sent to General Howard all the troops from the Department of California, save a handful at Alcatraz.

WESTERN.

Arrested for Murder.

SAN FRANCISCO, 10.—Daniel Sullivan, an Irishman, 63 years of age, was arrested, last night for the murder of Mrs. Barry, near Lone Mountain last Thursday. The evidence against him is almost conclusive.

Kearney Defeats Butler.

Carl Brown, Dennis Kearney's private secretary, read a speech at the Sand Lots, to-day, in which he stated that Kearney designedly defeated Butler by incendiary speeches in Western Massachusetts. Kearney decided, three weeks before the election, to beat Butler, but thought he could accomplish more by seeming to be Butler's friend than by coming out against him, so he staid with him until a week before the election, when he made his very incendiary speeches

FOREIGN.

GREAT BRITAIN.

Russia Must Adhere to the Berlin Treaty.

LONDON, 10.—A dispatch from St. Petersburg says: It is considered in official circles that Russia must adhere solely to the treaty of Berlin whatever events may arise in Turkey. It is certain that Russia earnestly desires an understanding with England, both in Europe and Asia, to fix the limits of their respective influence.

A telegram from Constantinople says: It is asserted that the Russians have reoccupied the district of Malgara, near the gulf of Saros.

The Afghan Troops.

A sensational dispatch to the *Standard*, from Simla, says: Information has been received from various sources that the Afghan troops are withdrawing from Candahar, the Ameer having publicly announced that Russia will occupy Candahar and Herat. The governor, however, has punished the agitators who endeavored to rouse the populace against the English.

The Afghan Difficulty—Hopes of a Peaceful Solution.

The Bombay *Times*, of India, says: Hopes are entertained at Simla of a peaceful solution of the Afghan difficulty. It is supposed that Russia is exercising a pressure upon the Ameer with this object. The Ameer, moreover, despairs of success against the British. The British commander-in-chief has started for Peshawar. Gen. Brown's division will strike the first blow if war is declared. Brown's division is that operating from Peshawar in the direction of the Khyber Pass.

Russian Occupation.

A Bucharest dispatch says: The resident Russian commander will leave here on the 27th inst., for Kischeneff. Russian occupation of Roumania will then cease.

BRITISH AMERICA.

The World-to-be Assassin.

MADRID, 10.—A correspondent states that Morcasi, who attempted to assassinate the King, will be tried this week.
