NERVOUS WRECK.

Left by La Grippe in a Very Nervous Condition. "Had 'Queer Feelings' in my Head," Cured by

Dr. Miles' Nervine.

If you have had LaGrippe, you can realize something of the suffering endured by the thousands of victims every year. You know, perhaps, how it starts and strains at your spinal column, how it twists your neck and fairly seems to split your head wide open; you know how it stows you with a throttle grasp, while you lie in the black agony of the nervous spasms—then suddenly late you go and you fall back braised and wounded when the storm is over. Perhaps you also know that Dr. Miles' Nervine will kill LaGrippe—that it is a wonderful healer and will close up the lacerated wounds and revive the wounded spirits. Thousands of unfortunate victims have found in that great nerve food and tonic just the medicine needed to repair the injuries inflicted by the modern scourge, La Grippe. If you don't know it will pay your friends about it. It will help them.

Mr. J. M. Allison, 34 Thomas ave., Indianapolis, Ind., can not say too much in praise of Dr. Miles' Restorative Nervine. He writes: "In January, 1895, I was taken with a very severe case of La Grippe which hung on for days long enough, as a result, I was left in a very weak condition. My nervous system was affected to such an extent that I could not sleep at night, and I was restless at all times. As my physician were unable to relieve my suffering, I decided to try Dr. Miles' Restorative Nervine. After using one bottle I began to sleep at night, and my sleep was quiet and restful. As I continued the use of the medicine my nerves soothed up, the weary feeling left my body, and I have not been troubled with them since. Dr. Miles' Nervine did more for me than all the doctors' medicine I ever took."

Another victim of La Grippe writes as follows: "I had an attack of La Grippe which left me in a fearful condition. I had all appetite for food, was troubled with a fluttering sensation of my heart, and my nerves were so shattered that it was almost impossible to obtain sleep or rest at all. Your Nervine did all they claimed for me and finally told me that I could sleep more than three hours at a time. I recommend taking Dr. Miles' Restorative Nervine together with Dr. Miles' New Heart Cure and in less than two days I was able to go to bed and sleep soundly all night. I continued to improve steadily until my old strength and vigor had returned to me, and I feel as if I had been made a new man. My gratitude for the benefit I have received from these wonderful medicines is unbounded, and I am at ease to sound their praises wherever and wherever opportunity occurs."
