A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST AND THE WEST.

Its main line runs from Chicago to Council Bluffs and Omaha, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, and Des Moines, (the capital of Iowa) with branches from Bureau Junction to Peoria, Milton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth and Atchison; Washington to Sigourney, Oskaloosa and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independence, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Des Moines, Indianola and Winterset; Atlantic to Audubon and Avoca to Harlan. This is positively the only railroad which owns, controls and operates a through line between Chicago and Kansas.

This Company owns and control their sleeping Cars, which are inferior to none, and give you a double berth between Chicago and Council Bluffs, Leavenworth, or Atchison for Two Dollars and Fifty Cents; and a section for Five Dollars, while all other lines charge between the same points, Three Dollars for a double berth, and Six Dollars for a section.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining and Restaurant Cars (belonging to this Company) which are attached to all our Fast Express Trains. You get an entire meal, and good as is served in any first-class hotel, for twenty-five cents; or you can order what you like, and pay for what you get.

Appreciating the fact that a majority of the people prefer separate apartments for Eating and Sleeping, and the enormous passenger business of this line (warranting it) we are pleased to announce that this Company runs the PALACE SLEEPING CARS for Sleeping purposes, and its PALACE DINING CARS for Eating purposes. One other great feature of our Palace Cars is a SMOKING SALOON, where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Leavenworth and Atchison, connections being made in Union depots.

THE PRINCIPAL R. R. CONNECTIONS OF THIS GREAT THROUGH LINE ARE AS FOLLOWS:

At CHICAGO, with all diverging lines for the East and South.

At ENGLEWOOD, with the Lake Shore & Michigan Southern and Pittsburg, Ft. Wayne & Chicago R. Rds.

At WASHINGTON HEIGHTS, with Pittsburg, Cincinnati & St. Louis R. R.

Catarrhal POISON

Wei De Meyer's Treatise on Catarrh, explains the following important facts:

1. That Catarrhal Colds become a poisonous infection, at first local, and finally constitutional.

2. That, being Constitutional, the infection is beyond the reach of mere local remedies.

3. That impurities in the nostrils, are necessarily swallowed into the stomach and inhaled into the lungs, thus poisoning the Digestive, Respiratory and Genito-urinary organs.

4. That Catarrhal virus follows the mucous membrane and causes Deafness, Dyspepsia, Chronic Diarrhœa, Bronchitis, Leucorrhœa, and Consumption.

5. That Smokes, Douches, Inhalations and Insoluble Snuffs, cannot possibly remove infectious inflammation from the organs named.

6. That an antidote for Catarrh must possess an inoculative affinity for, and the quality of being absorbed by, the purulent mucous wherever located.

Based upon these plain theories, Dr. Wei De Meyer's Catarrh Cure has proved to be infallible. It not only relieves, it cures Catarrh at any stage. Home testimony.

Cured! Cured! Cured! Cured!

F. J. Hazlett, 859 Broadway, N. Y., 4 years Catarrh.

S. Benedict, Jr., Jeweler, 697 Broadway, N. Y. (lady friend), cured of Chronic Hay Fever.
Mrs. Emma C. Howes, 29 W. Washington Square, N. Y., cured of 30 years Chronic Catarrh.
Rev. Geo. A. Reis, 169 Jay St., Brooklyn. "It restored me to my ministerial labors."
Rev. Chas. J. Jones, New Brighton S. I. "Worth ten times the cost."
Rev. Alex. Fires, Cairo, N. Y., "It has worked wonders in six cases in my parish."
L. F. Newman, 305 Fulton St., Brooklyn, cured of 4 years Chronic Catarrh.
Mrs. J. Swartz, Jr., 200 Warren St., Jersey City, cured of 18 years Chronic Catarrh.

&c. &c. &c. &c. &c.

A real cure for this terrible malady, is the most important discovery for the relief of human suffering, since vaccination. Wei De Meyer's Catarrh Cure is sold by all druggists, or delivered by D. B. Dewey & Co., 60 Dey St., N. Y. for $1.50 a package. To Clubs, six packages for $7.50. EASTERN.

Brady's Right Place.

The *Sun* editorial declares Gen. Brady should be sent to the State prison. It compares him unfavorably with Tweed, who it says forfeited his liberty and life for his crimes, while Brady rolls in wealth.

Pembina Territory.

The *Sun* says to-day that the bill to create the Territory of Pembina out of the northern half of Dakota not only provides for a temporary government and courts of law, but specifically that the land now occupied by Forts Abraham, Lincoln and Race shall be set apart when abandoned by the government, to endow a college to be called the Custer Memorial College. Pembina students of the future pursuing the arts of peace, should shrink from memorial homage to the Indian wars which have marked the early history of this Territory.

Denver Dispatches.

DENVER, 26.—A dispatch from Silver Cliff says: The Silver Cliff Milling and Mining Company shipped half a dozen silver bricks to-day, the result of the first clean up since starting the stamp mill, which is a great success. The company can save a very high per cent of silver in the rock by their process.

The Forty-sixth Regiment arrived at Pueblo *en route* from New York for Fort Garland, where they join the Sixteenth Infantry.

John Johnson, a Swede miner, was shot and killed at Alma today by a reckless boy named Cleero C. Simms. The shooting grew out of a quarrel.

Secret Cliques in Maine.

PORTLAND, 26.—The press tomorrow will publish an expose of the formation of circles of the "Brick Pomeroy League" in Maine, with the State circle devoted to communistic doctrines and now employed in endeavors to seize the State government. There are five circles known in Cumberland and some in York, Knox and other counties. This organization is managed by advanced leaders of the Greenback party, and the mass of that party are still ignorant of their existence.

Seizing a Railroad.

PHILADELPHIA, 26.—To day the United States government, through the Collector of Internal Revenue, seized upon the property of the Philadelphia and Reading Railroad Company for claims amounting to nearly $500,000.

Drowned.

PROVIDENCE, 26.—A party of boys playing on the ice on Randall's pond, near North Providence mine, this afternoon, broke through and were drowned. Two bodies have been recovered.

FOREIGN.

GREAT BRITAIN.

Foreign Notes.

LONDON, 26.—A dispatch from Rome says: Doctor Gerard Small, a physician belonging to the Anglo-American colony in Rome, was recently assailed in his own house by two men who robbed and left him pinioned and half strangled. The doctor is now out of danger. His assailants have been arrested.

A Rome dispatch says: The monster Italian double turreted iron-clad *Duilio*, the most powerful war vessel in the world, in a trial on Saturday, gave 14 miles per hour, working six-sevenths full capacity. She has a powerful ram, and at the stern a torpedo boat.

John Bright, in his speech at Birmingham, Saturday, suggested that Parliament appoint a commission to go to Dublin with power to sell the farms of landlords to tenants who are willing to buy them and advance three-fourths of the purchase money therefor, the principal and interest to be repaid in 35 years. Such a measure, Bright said he believed would meet the wants and satisfy the desires of the Irish people. The commission is to assist tenants to purchase whenever the landlord was willing to sell. Bright recommends compulsory sales only where the land is owned by London companies or guilds, as is the case with large tracts of land near Londonderry. He expressed the conviction, however, that if his plan were adopted, self-interest or public opinion would soon compel individual landlords to sell to their tenants.

A dispatch from Cabul says: The casualties from the battle and sickness have greatly weakened the actual strength of the regiments at the front. The native regiments holding the lines of communications are also much used up.

A dispatch from Gundamak says: All is quiet in Cabul but there are rumors in camp which are generally believed to point to the fact that preparations are being made by the Afghans for another demonstration early in March against our forces at Shirpur. It is is said Gen. Bright's division will be moved to Cabul before that time.

It is announced that the German Government intends to levy a tax on advertisements in the newspapers.

There is considerable anxiety in liberal circles regarding the forthcoming election in Liverpool for member of Parliament in consequence of the determination of the home rulers to abstain from voting.

The Cradle Club, composed of American writers and artists in Paris give a dinner to-day to Gen. Lucius Fairchild, retiring American consul there, on the occasion of his promotion to be minister to Spain. The Stanley Club gives him a dinner on Saturday next.

A Berlin dispatch says: Doubril has presented his letter of recall as Russian ambassador. Sabouroff, his successor, has arrived.

The Duke of Marlborough, Lord Lieut. of Ireland, has declined the invitation of the Lord Mayor of Dublin to the banquet on the 3d of February, on account of resolutions adopted at a meeting of the honorable members of Parliament by which the Mayor presided.

Correspondence.

OUR WASHINGTON LETTER.

The Senate Adjourns from the Chamber to the Committee Room—Dull Times—On Newspaper Row—The Poets and the Chinaman.

[REGULAR CORRESPONDENCE.]

WASHINGTON, D. C., January 19th, 1880.

Editors Deseret News:

The Senate has not been in session since last Thursday, but it must not be supposed that our venerable and dignified upper house has been idle for three days. An adjournment from Thursday to Monday does not necessarily mean rest and recreation to our legislative solons. The toil of a senator does not consist exclusively in making dull speeches to his listless and unlistening brethren. There is committee work to perform; knotty questions of law and finance and all the multifarious questions that come within the purview of national polity are discussed and partially digested before they are reported to the houses of congress in session assembled.

In matters of political intelligence of sensational character, this is the dullest winter in the memory of the greyest haired denizen of newspaper row. Congress will not be agitated. The warfare of sections seems actually to be over. Whether this state of things has been brought about by an exhaustion of the question, by the return of prosperity, or the counter irritant in Maine, it is impossible to tell, but peace in our large domestic heterogeneity, or something like it, has come at last.

The House committee on education and labor discussed for four hours Saturday morning, Representative Goode's bill prohibiting Chinese immigration, and finally decided to report favorably upon it, striking out the section which provides for the abrogation of articles five and six of the Burlingame treaty. The bill prohibits the landing within the jurisdiction of the United States, or taking on board at any point in China or any foreign port for the purpose of landing in the United States, a greater number than 15 Chinese passengers upon any vessel, under penalty of $100 fine, and imprisonment not exceeding six months for each Chinese passenger above the number of 15. It requires the masters of vessels to accompany their manifests of cargo with a sworn list of Chinese passengers. It also provides that the penalties imposed for the violations of the provisions of the bill shall be liens on the vessels violating them. It excludes from the restrictions of the bill, persons officially connected with the Chinese government or any embassy thereof, or to persons rescued from shipwreck during the voyage of and by the vessels bringing the same within the jurisdiction of the United States.

The Ute Chief Ouray has been in the city for some days and has had frequent conferences with the Secretary of the Interior. He has confessed his inability to deliver over to justice the murderers and raviishers of the Meeker family, but proposes to select a band of his own tribe and hunt to death the malefactors. He deprecates the idea that his whole race should suffer for the outrages committed by a few. It is not the policy of Secretary Schurz to hurry the matter, but to delay, if possible, to secure a surrender of the guilty Indians, until the weather shall favor military operations.
