CATARRH

THE EYE, EAR and THROAT

Successfully Treated with

SANFORD'S RADICAL CURE.

SUCCESS is the test of merit, and success in the treatment of Catarrhal Affections, after so many miserable failures, means undoubted specific curative properties in the remedy used. Doses SANFORD'S RADICAL CURE for Catarrh possess such properties? The evidence, in the shape of unsolicited testimonials from the most respectable people in all stations of life, must be conclusive on this point. Never, we believe, in the history of popular medicine has such valuable testimony been offered, in favor of any remedy, if than that in the possession of the proprietors of SANFORD'S RADICAL CURE. And reliable it is, it does not require a thousandth part of the recommendations which grate the ears of humanity, daily assaulted by the nauseous compositions of quacks, to convince the sick of its superiority over any method of cure known to the regular medical profession, but alas the publicity incidental to publishing such testimonials is foreign to our business, and the testimonials in our possession represent but a small part of those obtained for the proprietors concerning the following, which we extract from Harvey Wells, Esq., of Wells, Fargo & Co's Express, is an unspoken indorsement of which we are justly proud.

INVALUABLE.

HOWES, WEEKS & POTTER, Wholesale Druggists, Boston, Mass: Gentlemen,—I have for some months felt it a duty to inform you of the benefit I have derived from the use of SANFORD'S RADICAL CURE for Catarrh. For years I have been afflicted with this very troublesome complaint. I have tried all the advertised remedies, but without avail. I was induced to try your remedy, and the disease had made so deep an impression upon me, that it was a doubtful matter whether I could go to the Pacific coast, or if I did go whether I should live to see my friends again. I tried this, and was at once benefited by it. The climates of climate, a chronic disease of the liver, and my age—over 70—may prevent my entire recovery from it, but the benefit I derive from it is fully worth its cost to me, and I am hoping to be completely cured, and at least prove at a ripe old age.

If this letter can be of any service to those afflicted as I have been, and enable you to bring the merits of your valuable remedy into use on the Pacific coast (where it is much needed), my object in writing this note will be obtained.

Very truly yours, HENRY WELLS, of Wells, Fargo & Co.

AUBURN, N. Y., June, 1871.

Each package contains Dr. Sanford's Improved Inhaling Tube, and full directions for use in all cases. Price $1.00. For sale by all Wholesale and Retail Druggists and Dealers throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

BY TELEGRAPH.

FROM WESTERN UNION TELEGRAPH LINE.

Last Night's Dispatches.

EASTERN.

Election Talk.

NEW YORK, 3.—The *Times* prints this in italics: Yesterday, good judges were of the opinion that the majority for the combination ticket would be 20,000. If the anti-Tammany men in other parts of the city are as enthusiastic and determined as those who attended the meetings in the 5th Assembly and 10th Congressional Districts, last evening, it will not fall short of 30,000.

U. S. Supreme Court.

WASHINGTON, 3.—Justice Field, of the Supreme Court, has returned from California, and will occupy his place to-morrow, when, for the first time, there will be a full bench.

A New Naval Observatory.

The board to select a site for the new naval observatory has concluded its report, which is in the hands of the Secretary of the Navy. It is understood they have selected a site on the Georgetown Heights.

Mexican Minister.

Zamonea will remain here as Mexican minister.

$60,000 Fire.

AMSTERDAM, N. Y., 3.—The storage department of Green's knitting mill was burned this morning. The falling walls crushed into Schuyler & Bro's mill, burying three men in the shattered machinery. The loss is estimated at $60,000; partly insured.

Another Suspension.

The Mechanics and Laborer's Savings Bank, Jersey City, has temporarily suspended payment and enforced the sixty day rule. Assets $200,000; liabilities $190,000.

The Fever.

NEW ORLEANS, 3.—Deaths, 9; cases reported, 47.

Memphis, 3.—The board of health officially reported eight deaths from fever during the past 24 hours ending six o'clock.

Jackson, Miss., 3.—There has been five new cases since yesterday noon. No deaths last night.

Another Coach Stopped—Two Road Agents Lynched.

LARAMIE, 3.—Last night the coach driver from the north reported that on his trip north from here Friday night, he was stopped at the Platte River Ford, about a mile distant from this post, by five masked men, who took from the coach two of the prisoners, Mansfield and McLaughlin, and hung them on a large cottonwood tree on the river bank. These men were charged with road agency, and had been in custody in Cheyenne, and were *en route* for Deadwood, under guard of Jim May and Jesse Brown, whom the lynchers compelled to give up their arms and surrender their prisoners. At daylight this morning, F. L. Greene, deputy coroner rode to the scene, and found the bodies still there, one hanging, the other on the ground. They were brought here and a coroners jury empanelled.

Mysterious Murder.

ST. LOUIS, 3.—Dispatches from Sedalia, Mo., say Thomas G. Cockrell, Nephew of United States Senator Cockrell, of this State, was found murdered, last Friday morning, at Ridges Prairie, Saline County.

Another Bank Suspension.

WHEELING, West Va., 3.—Cowan, Sheets & Co., bankers, of Bellaire, Ohio, failed yesterday; liabilities $80,000. The assets of the individual members of the firm are large. It is believed the depositors will lose nothing. The failure is caused by shrinkage in real estate.

WESTERN.

Ancient Order of Hibernians.

SAN FRANCISCO, 3.—Delegates from the various divisions of the Ancient Order of Hibernians of the State of California, met at Oakland, last night, and declared vacant the offices of State delegate, Secretary and Treasurer, and elected John Reeney, delegate, J. C. Spillane, Secretary, and W. J. O'Connell, Treasurer, for the unexpired term. The meeting endorsed, as the only legitimate national officers of the order in the United States, P. Gibney, national delegate, P. Campbell, national secretary, and James Langan, national treasurer.

FOREIGN.

GREAT BRITAIN.

The Wages Question.

LONDON, 3.—The Oldham cotton operatives, on Saturday, unanimously resolved to resist the proposed reduction of 10 per cent. in their wages. Twenty thousand hands and 8,000,000 spindles will be affected by this action.

An Unfounded Statement.

The *Observer*, in a semi-official paragraph, says: It understands the statement that the British government has applied to the other powers for assistance, in enforcing the treaty of Berlin, is unfounded.

Germany and the Vatican.

A telegram from Rome says: Negotiations between the Vatican and Germany are progressing slowly. Both sides are anxious to arrive at a prompt settlement concerning the dioceses of Alsace and Lorraine, which are still administered as when they belonged to France.

The Vatican will take advantage of the recent defeat of the radicals in Switzerland to re-establish relations with that country. The exiled Swiss bishops have already been notified to return.

Anticipated Changes.

A telegram from St. Petersburg says: It is reported on good authority that the Grand Duke Michael will shortly succeed Count Katejbee in the governor-generalship of Warsaw, that General Milutine, now minister of war is going to the Caucasus and that General Nepkvitachishky or General Kauffmann will probably be made minister of war.

A Denial.

A Lisbon dispatch says: The report of the sale of Portugese possessions on Delagoa Bay is denied.

RUSSIA.

The Army Movements.

ST. PETERSBURG, 3.—The *Golos* says: All the Russians wish peace, but the present aspect of affairs is very alarming. The *Golos* particularly points to the fact that the chief field cash box has been returned from Odessa to Adrianople, and asks why, if the rumors of the army re-advancing are untrue, that they are not contradicted. An advance on Constantinople would be a hostile challenge on the part of Russia.

SPAIN.

Indictment to be Presented.

MADRID, 3.—The public prosecutor has been ordered to present an indictment against Moncasi within 24 hours.

THE SUN FOR 1878.

The *Sun* will be printed every day during the year to come. Its purpose and method will be the same as in the past. To present all the news in a readable shape, and to tell the truth though the heavens fall.

The *Sun* has been, is, and will continue to be independent of everybody and everything save the Truth and its own convictions of duty. That is the policy which has won for this newspaper the confidence and friendship of a wider constituency than was ever enjoyed by any other American Journal.

The *Sun* is the newspaper for the people. It is not for the rich man against the poor man, or of the poor man against the rich man, but it seeks to do equal justice to all interests in the community. It is not the organ of any person, class, sect or party. There need be no mystery about its views and hates. It is for the honest man against the rogues every time. It is for the honest Democrat as against the dishonest Republican, and for the honest Republican as against the dishonest Democrat. It does not take its cue from the utterances of any politician or political organization. It gives its support unreservedly when men or measures are in agreement with the Constitution, and with the principles upon which this Republic was founded for the people. Whenever the Constitution and constitutional principles are violated—as in the outrageous conspiracy of 1876 by which a man not elected was placed in the President's office, where he still remains—it speaks out for the right. That is THE *Sun's* idea of independence. In this respect there will be no change in its programme for 1878.

THE SUN has fairly earned the hearty hatred of rascals, frauds, and humbugs of all sorts and sizes. It hopes to deserve that hatred not less in the year 1878, than in 1876, 1877, or any year gone by. THE SUN will continue to shine on the wicked with unmitigated brightness.

While the lessons of the past should be constantly kept before the people, THE SUN does not propose to make itself in 1879 a magazine of ancient history. It is printed for the men and women of to-day, whose concern is chiefly with the affairs of to-day. It has both the disposition and the ability to offer to its readers the promptest, fullest and most accurate intelligence of whatever in the wide world is worth attention. To this end the resources belonging to well established prosperity will be liberally employed.

The present disjointed condition of parties in this country, and the uncertainty of the future, lend an extraordinary significance to the events of the coming year. The discussions of the press, the debates and acts of Congress, and the movements of the leaders in every section of the Republic will have a direct bearing on the Presidential election of 1880—an event which must be regarded with the most anxious interest by every patriotic American, whatever his political ideas or allegiance. To these elements of interest may be added the probability that the Democrats will control both houses of Congress, the increased freshness of the fraudulent Administration, and the speed and strengthening everywhere of a healthy abhorrence of fraud in any form. To present with accuracy and clearness the exact situation in each of its varying phases, and to expound according to its well-known methods, the principles that should guide us through the labyrinth, will be an important part of THE SUN'S work for 1879.

We have the means of making THE SUN, as a political, a literary and a general newspaper, more entertaining and more useful than ever before, and we shall use them freely.

Our rates of subscription remain unchanged. For the DAILY SUN, a four page sheet of twenty-eight columns, the price by mail, postpaid, is 55 cents a month, or $6.50 a year; or, including the Sunday paper, an eight page sheet of fifty-six columns, the price is 65 cents a month, or $7.70 a year, postpaid.

The Sunday edition of THE SUN is also furnished separately at $1.20 a year, postage paid.

The price of the WEEKLY SUN, eight pages, fifty-six columns, is $1 a year, postage paid. For clubs of ten sending $10 we will send an extra copy free. Address
