OGDEN, UTAH, - MAY 18, 1894.

Still They Come.

The fourth regiment of the Oakland Industrial Army arrived in Ogden last evening. Captain H. Jessup is in command of this division and he states that there are still more coming. They camped on the original camp ground and their wants have been supplied. This last company are a rough looking class of people and do not seem overly industrious. They will leave this afternoon.

NEPHI.

NEPHI, UTAH, - MAY 18, 1894

Court Business.

Judge Smith's judicial mill is now grinding out grists of cases at a rapid rate. Following is yesterday's run:

A large number of the petit jury panel have been excused from service, and to replenish the ranks the following names were drawn, returnable on Monday next: Peter Nelson, Goshen; Harry Hughes, Holden, Millard county; R. Y. Greenwood, American Fork; William Van Wagoner, Midway; S. C. Peterson, Richfield; William Webster, Charleston, Wasatch county; Joseph Kirby, Wallsburg, Wasatch county; Samuel Bennett, Santaquin; Mark Coates, Nephi.

Hans Wilson pleaded guilty to the charge of adultery, and was sentenced to one day's imprisonment in the penitentiary. The woman with whom he committed the crime, Sadie Hatton, by mutual consent, separated from her husband four years since. Supposing that she was free, she married Wilson. Since Wilson's arrest she has been legally divorced from Hatton and has married Wilson.

On account of a technical flaw in the indictment, the case of the People vs Forrest Leach was dismissed on motion of the district attorney. The case was submitted to the present grand jury.

The case of the United States vs James Littley, furnicative, which was ignored by the grand jury, was recovered, and an indictment returned. Littley was arraigned, pleaded not guilty, and the case was set for trial May 19th.

In the rape case of the People vs Ferris Brigham, the jury returned a verdict of guilty, and defendant was sentenced to the Reform school until he reaches his majority, or is released by due process of law.

Arraignments: Magnus Ericson pleaded not guilty to the charge of adultery, and the case was continued for the term.

Harriet Hansen pleaded not guilty to the charge of adultery and the case was continued for the term.

Hyrum G. Waite pleaded not guilty to the charge of adultery, and the case was continued for the term.

Samuel Young, of Westwater, pleaded not guilty to the charge of inflicting an assault with a deadly weapon on a young farmer of that section of the country.

Judgments for various sums due for labor were rendered against the Victor Gold and Silver Mining company as follows: Frank Sullivan, $20.30; Charles Anderson, $120.80; John Aylward, $25.04.

Rosea Jones got judgment against Matthias Nielson for $100 and costs.

Motions for continuance were denied in the case of Adolph Lorkowitz vs Charles W. Clark and Adolph Lorkowitz vs Patrick Hines.

T. J. Rees vs W. T. Dowling et al; judgment by default for plaintiff—decree and findings to be filed.

READ THE EXPERIENCE

Of Mrs. Mary A. Newson, Wife of Robert Newson.

Who Has Been Connected with the Z. C. M. I. as a Trusted Employee For the Past Twenty-one Years.

In making her statement for publication she states as follows:

MRS. MARY A. NEWSON, 70 QUINCE STREET, SALT LAKE.

"I was seriously ill for about one and one-half years before commencing treatment with Dr. Cole Medical and the Copeland Medical Institute. I was confined to my bed all but a few days. I complained every female ill to my physician, and was at last convinced by him that I should be a cripple for life. My sister-in-law, who had been cured by the Copeland Medical Institute, urged me to try their method of treatment. I was at first very skeptical, but at last concluded to try it. I commenced to improve from the first day of its action. My nervous system was completely exhausted, as much so as the doctors said. I was a victim of nervous prostration.

"My head ached terribly all the time, and, such a condition had never had at times, certainly at some period, was unable to sleep, so exhausted was I. Now I can sleep all night without any pain. I have gained very much from weighing 120 to 140 pounds. Nothing was so low and painful as to a state of health.

"Since I came out of my room I have improved very rapidly. I can walk from one end of my house to the other without any pain. I can do my own work, and I feel as well as I ever did in my life. I am very thankful for what I have received, and I do not hesitate to say that I owe my life to the Copeland Medical Institute. I shall always be ready to testify in behalf of the skill of its physicians. Let those who wish, call and see me, as I consider it my duty to do all in my power to assist in the good work. I am 70 years of age, which makes my case the more remarkable, as I am convinced."

SUPPORT HOME INDUSTRY.

THESE ARE THE PEOPLE WHO SELL HOME MADE GOODS

THEY BUILD UP UTAH and are entitled to the support of the people. By dealing with the merchants who give preference to the sale of Home Made goods, you help the Home Industry cause. You help to give employment to worthy people; you help to keep money at home, which circulates in our midst and you get back a part of that money again in your business or profession. Keep this in mind; every dollar expended for Utah made goods, means more employment for home labor; every dollar expended for goods manufactured elsewhere, means employment for somebody living elsewhere, and whose interests are generally not with us. "Charity begins at home." This is a time for both common sense and patriotism.

When you wish to buy anything be sure to look over the following list before making your purchase:

THE PRICE OF IT.

Ah, there is the rub in these hard times. But consider what you save in so many ways. How you expedite your business, or specially an errand or attend to some duty with little loss of time that might otherwise be neglected. Think of the times you have gone home and been met by the wife of your bosom with the detailed reason why you had not sent up the meat, and you recalled how, when you thought of it you put it aside to have some time later on, and then forgot it entirely until the inquiry came, and your heart sank to your boots. How if you had had that easy running, light and graceful "Stearns" Yellow Fellow—Life, Health, Conscience easy; money saved, wife smiling and affectionate, life filled with kindness and contentment.
