H. M. Blossom, senior member of H. M. One bottle completely cured me. I sent one bottle to my sister, who had a severe cough, and she experienced immediate relief. I always recommend this syrup to my friends.

**Ten Out of Ten.**

What an unprecedented test of the popularity of the Leading Maker [illegible] Some time ago the New York Journal inaugurated a guessing contest in which ten wheels were given away, the winner from the leading maker. The ten winners all selected Columbia Bicycles. They were right, for Columbias are not an experiment, but 19 years of ceaseless experimenting produced the matchless 1896 Columbia. Call and be convinced at 80 E. First South street.

It surprised many visitors to the Chicago World's Fair to find that of all the blood purifiers, Ayer's Sarsaparilla was the only one on exhibition. The reason is that Ayer's Sarsaparilla is a standard remedy, and not a patent medicine, or secret nostrum.

Many people, with the notion that nature ought to take care of herself, allow a cough to plague them for weeks and months. Whereas, if nature were assisted with a dose or two of Ayer's Cherry Pectoral, the cure might be effected in a very few days.

To prevent the hardening of the subcutaneous tissues of the scalp and the obliteration of the hair follicles, which cause baldness, use Hall's Hair Renewer.

**The Time for Building**

Up the system is at this season. The cold weather has made unusual drains upon the vital forces. The blood has become impoverished and impure, and all the functions of the body suffer in consequence. Hood's Sarsaparilla is the great builder, because it is the One True Blood Purifier and nerve tonic.

Hood's Pills become the favorite cathartic with all who use them. All druggists. 25c.

**Do it in Time.**

Catarrh starts in the nasal passages, affecting eyes, ears and throat, and is in fact the great enemy of the mucous membrane. Neglected colds in the head almost invariably precede catarrh, causing an excessive flow of mucous, and if the mucous discharge becomes interrupted the disagreeable results of catarrh will follow, such as bad breath, severe pain across forehead and about the eyes, a roaring and buzzing sound in the ears and oftentimes a very offensive discharge. Ely's Cream Balm is the acknowledged cure for these troubles.
