A TRIPLE LYNCHING.

Negroes Killed for Attempted Assault on a Woman.

WAR OF EXTERMINATION RAGING.

Thirteen Colored Men Killed in Eight Months in One County Without Legal Process.

LITTLE ROCK, Ark., June 11.—Three negroes have been done to death by Lafayette county citizens for the execrable sin, the assault on a white woman. The press dispatches related that on Monday two negroes, Jef Collins, had been lynched, but while information just received leaves it certain that the lynchers raised three victims. The victim of the attempted assault was Miss Jennie Lafayette county.

Friday morning about 3 o'clock Miss Jennie was awakened by a noise in her room. As she opened her eyes she saw a negro, whom she recognized as Bill Collins, one of her father's employes. The negro threatened the girl with death if she made a noise. In Miss Allen's frenzy of fear she fainted, gave a scream which aroused the household and caused the negro to flee. The negro was chased all Friday and at nightfall was captured. Collins was identified by Miss Allen, but while preparations were being made to lynch him he escaped. All Saturday and Saturday night the negro was pursued. The chase led through a swampy region, where the mosquitoes are numerous, and two of Collins's pursuers succeeded in coming up with the negro. In November last a young lady was assaulted, it was alleged, by a band of professional sneaks. For this crime eight negroes were killed in the course of a few months. In May Miss Armstrong was assaulted and murdered. For this crime negroes were put to death. Now, with the three killed for the insult to Miss Allen, seven negroes.

WADE HAMPTON'S VICTORY

For Second Nomination—Cockrell Certain of Election for a Third Term.

PORTLAND, Ore., June 11.—General Wade Hampton, U. S. ex-Confederate commissioner, arrived in Portland last night on a tour of Republican of the Pacific railroad. This is the first time he has visited the coast since the war. He delivered an address to the members of the Confederate Veteran Association at Chicago.

"How do you stand on the financial question?" he was asked during a conversation this afternoon.

"I am in favor of sound money. The free populists set forth in Secretary Carlisle are commendable. I hope that every newspaper in the country opposed to free silver will come to a public their presidents. Nobody cares to have confusion."

"Secretary Carlisle's preliminary statement of a proposition that he is about to discuss in a speech in Boston," suggested the interviewer, "is a matter of great importance."

"Yes, it is," said the Senator, "and I am very anxious to be in Washington by July 10. It is known that the negotiations of Cuba from the sword to the end have been delayed and conducted by Mr. Foster. If there been certainty that by resolution the Cuban would take to Russia, where he formerly was minister, he was entitled to recognition of Cuba the recognition of the Russian government of the Cuban government. Will the minister Russia was possible, the Russian government would be possible. Peru, which was before in the history of the world's diplomacy, it has greatly never before occurred that a minister has been given, to such an extent, the confidence of another government. It is constitutional that the Cuban government acted in close accordance with the wishes of Mr. Foster in every step taken. The use of Mr. Foster's name in Madrid.

Valuable Rain.

COLUMBUS, O., June 11.—The rains during last week were a valuable asset to every county of the country. At Columbus City it was almost a week from and which at least many streams were out of their banks and fields were swept away. At Columbus in the northern parts the country the showings of M. Hartmann and John Kennedy were struck by lightning and badly damaged. Fifteen persons were in the Kennedy house and half minutes, but all recovered. Reports from Sidewalk, Perkins, Chandler and other points east and west say that from two to five inches of water fell.

Written Instructions carefully stating the time of policy which the administration seems to adhere in regard to the interference with filibusters will be sent to Captain Hiller, commanding the Bologna, and it is probable he will be called to Washington for a conference with Acting Secretary McAdoo before he sails. Tomorrow New York. These instructions to Captain Miller are not available, but it is known he will be informed to use the utmost care in preventing any vessel from leaving our ports destined for Cuba with the object of rendering aid to the revolutionists. The mere shipment of arms, however, is not regarded by the authorities as a violation of the neutrality laws, and before any vessel is prevented by the Cuban the officers must be thoroughly satisfied the suspected craft is intended for a fighting expedition against Cuba. It is the notice of the authorities that proper caution shall be displayed and only by the Bologna, but by the revenue cutters in the Gulf of Mexico. Orders from leaving any vessel, and Secretary Olney is authorized to notify the authorities of Indian supplying the force of revenue cutters in southern waters.
