Thanks and Appreciation.

The officers and members of the Utah Woman Suffrage Association, and others who were interested in the recent convention of the National Woman Suffrage Association, desire to hereby express their thanks and gratitude to all who have aided in any way toward the success of the convention and the entertainment of the distinguished women, guests of the Association, who have honored the citizens of Salt Lake City by visiting and influencing an organization of little force and influence in comparison. Especially do they wish to express their appreciation of the courtesy extended them by Governor Wolcott and his counselors and Prosecuting Attorney Maxwell, who, by the action of the Legislature, made it possible for the convention to hold its sessions in the Senate Chamber, and to Mr. Anthony and Mr. Shaw, of the Senate, and Mr. Hoyt, of the House, Mr. Bagley and Mr. Stephens and Mr. Sutherland, for their courtesy and kindness in this matter, and to Mr. Rogers, who so kindly extended the use of the Senate Chamber for the meetings of the committees, and to the officers of the Capitol building, who were so courteous and obliging at the disposal of the rooms, the two days in which we had them in our charge, and to the citizens of Salt Lake City and the citizens of other cities, who were more especially the entertainers of the visitors, and to others who in any way contributed to the success of the convention, and to the press for its generous and kind notices.
