TO LIVE IN SAN BERNARDINO.

-He Gives His Age at Sixty .Seven.

Further particulars of the marriage of Thomas Fitch, formerly a resident of Utah and well known throughout the country as an orator of ability, have been received here. Of the marriage to Mrs. Rena Fitch, his son's widow, the San Bernardino Sun says:

"Mr. Fitch arrived in the city from the east on Tuesday. Wednesday he was in court and yesterday he was in the city until noon, when he drove to his ranch, known as La Vista, near Arrowhead.

"Mr. Fitch's purpose in having the matter kept secret is not apparent, but such things seem to be peculiar to the Fitch family. The recent marriage of Mr. Fitch's daughter, Miss Ethel Caroline Fitch, to James Muir of New York, although it took place Jan. 31, was not made public until fully a month later, and a week after the marriage the engagement was announced in the Los Angeles papers, which stated that the marriage would take place on March 1. "And Thomas Fitch, the silvertongued orator, asked for the same secerey; but yesterday the marriage IIense became public, and the secret can exist no longer.

"In the license Mr. Fitch gives his age as 67 and his native state New York. The age of Mrs. Rena Fitch is given at 41 and her native state as Wisconsin. Both are residents of San

"Both Mr. Fitch and his bride have been married before, Mr. Fitch's wife died in Los Angeles April 13, 1903, while Mrs. Fitch, who was the wife of a son of Mr. Fitch, has been a widow for a number of years. She formerly lived in the east, but more recently moved to find former to California, residing, for a time at Beaumont and for the past four or five months on the Harrison ranch, north of the city, which Mr. Fitch purchased some years ago.

"She is a charming and highly cultured woman, and has won the esteem and admiration of all with whom she has come in contact. Mr. Fitch has gained a reputation which reaches from the Atlantic to the Pacific. His bril-liant speech and clear argumentative powers have made him one of the best powers have made him one of the best known men of the country, and by all he is held in the highest esteem. "It is the intention of Mr. Fitch to make his home for the remainder of his life in this vicinity and he will engage in the practise of law in San Bernar-dino. The beautiful ranch which he owns north of the city will be the home of Mr. and Mrs. Fitch, and it is their intention to make it one of the show

## About Rheumatism.

About Rheumatism. There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of remedies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Baim, which enjoys an extensive sale, has met with great success in the treatment of this disease. One application of Pain Baim will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Baim affords such guick feller and costs but a trifle?
