SALISBURY BOYS WIN TOURNAMENT.

Close Exciting Week of Tennis By Capturing Prize in Doubles.

CONSOLATION MATCHES TODAY.

All Contestants Delighted With Outcome and Feel That Game Has Big Future.

Intermountain champions in doubles—The Salisbury brothers.

Intermountain champion in singles—Reuben J. Hunt.

Intermountain champions in women's doubles—Miss Williams and Miss Humphreys.

Intermountain champion in women's singles—Miss Williams.

These are the titles which are bestowed for the first time on tennis players of this section, at the end of the intermountain tournament in this city yesterday afternoon. The only title that goes away from Salt Lake is that of singles champion, which goes to California, and to a player who easily outclassed all opponents.

The last game yesterday afternoon decided the doubles championship, and it proved to be the most interesting game as a proposition in spectacular playing, of any in the series. Both teams entered with good fighting chances, and the Roberts boys proved how good their chance was by keeping the result in question till the last serve.

At no time was it an easy matter for either side to win. In the sixth game of the fourth set duce was called nine times before the winning score was made. Roberts Bros. took the first set, and the Salisbury boys the next three, the winning scores being 6-2, 6-2, 6-4.

CONSOLATIONS CLOSE TODAY.

In order to let the visiting players return home as early as possible, all consolation men's games will be pulled off this afternoon, the schedule being as follows:

MEN'S DOUBLES.

Bond and Myers vs Pembroke and McGregor, at 2 p. m.

Ach and Davis vs Taylor and Goodwin, at 2 p. m.

Winners of these two matches to meet in finals at 3 p. m.

Satterlee vs Pembroke, at 4 p. m.
Taylor vs Badger, at 5 p. m.
Heimhill vs Ely, at 5:30 p. m.
Conrad vs Whitworth, at 5:30 p. m.

All of these matches will be played at the Fort Douglas courts and contestants are requested to be on hand at the hour set for the game.

AUTOMOBILE RACES.

One Day at State Fair Will be Given to Gasoline Speeding.

Automobile races for one day at the fair grounds during the next state fair, is a project under consideration by the Automobile club. It will be a purely amateur affair, the proceeds to go to some legitimate charity, and no man who enters to receive any reward except the satisfaction of winning and the trophy cup which will be provided. It is proposed to make the races include a long list of different sorts. There will be entries for runabouts, matches between the heaviest and most powerful touring cars, backward races, obstacle races, and a series of handicaps. As nearly as practicable the possibilities of each car will be figured out before the races start and the handicaps will be arranged to make each contest an actual one. President Hewlett of the Automobile club has already arranged for the meet with the state fair management and has secured the track for one day during the fair.

OLD PEOPLE AND THEIR TROUBLES

Old People have more of the pains, aches and discomforts of life than do the young. This is perfectly natural, because their blood is not so vigorous, nor their powers of resistance so great, and troubles that a younger, healthy constitution could resist often afflict them.

During the civil war I contracted Catarrh and suffered with its effects for many years. I tried various remedies and doctors, but with no good result. One day I found one of your pamphlets and read it carefully. I decided S. S. S. was the medicine I was in need of and I began its use at once. My health was dreadful, and as I was getting along in years, I had most of the pains and ailments incident to that time of life; but after taking this great remedy for awhile I began to improve and soon found myself a strong, well man. I am now more than 75 years of age, but my health is good, because I take an occasional bottle of S. S. S. Nothing equals it as a tonic and blood purifier, and I recommend it to those needing such a medicine.
Fordyce, Ark. L. S. LOCKRIDGE.

Rheumatic pains, sleepless nights, fickle appetites, etc., are not imaginary with old people, as is sometimes thought. They need a medicine that will supply their blood with its lost vigor and build up and strengthen their constitutions. S. S. S. is the ideal remedy for Old People. It is made entirely from roots, herbs and barks, and does not injure the system in the least as do those medicines containing mineral ingredients. S. S. S. is gentle in its action, purifying the blood of all poisons and relieving old age of its discomforts by supplying a robust, healthy constitution. It is the greatest of all tonics for increasing the appetite, toning up the stomach, promoting the digestion and building up the entire system.

TO RETURN SOME TIME.

John Hyde, Former Statistician, So Writes from England.

Washington, Aug. 14.—The promised letter from John Hyde, former statistician of the department of agriculture, in response of Secretary Wilson's cablegram urging him to return from England and testify in the proceedings before the special grand jury which is investigating charges against Edwin S. Holmes, the former associate statistician, arrived today. The letter was as indefinate as Hyde's recent telegram to Secretary Wilson and nothing is known as to his intentions beyond his promise to return as soon as possible.

In the absence of Secretry Wilson who has gone to Chicago, the letter was turned over to District Attorney Beach, who authorized its publication. It is dated Southport, Eng., August 5th, and is as follows:

"Dear Sir: Your cablegram of July 27th, reached by mail from London, August 2. As stated in my reply, I will return as soon as possible. A brief delay is unavoidable. The carbuncle from which I suffered shortly after leaving Washington has been followed by a much more serious one and I am in bad shape altogether. As I wish to avoid going over a third time, I must also see the specialist whom I came over to consult. I have not yet been within 200 miles of London and the statement that I was attending the convention of the statistical institute was a mistake. Very respectfully,
"JOHN HAY."

CHARGES OF CONSPIRACY.

Levanting Lawyer Collins Gives Some Sensational Testimony.

Victoria, B. C., Aug. 14.—After giving expert evidence on California law, disputing the evidence of R. A. Wilding, assistant district attorney of San Francisco, regarding its application to perjury, George D. Collins, being tried for extradition for perjury before Judge Lampman, gave sensational evidence under cross examination by Frank Higgins, representing the state of California. He says the evidence given of a marriage between himself and Charlotta Newman at San Francisco was utterly false and was part of a conspiracy framed to prosecute him. He stated he had never married Charlotta Newman, now styling herself Charlotta Collins, in whose suit for maintenance against him at San Francisco the affidavit was made upon which the perjury charge against him is based, but had married her sister, Agnes M. Newman.

His marriage with Agnes M. Newman had been contracted in his office, witnessed by Dr. Euston and his daughter, Jennie Euston, whose present whereabouts he did not know. He had written the contract, which he, Agnes M. Newman and the witnesses had signed. He had given it to her and has not seen it. She had continually urged him to go through a ceremony of marriage, and he yielded on May 2, 1899, when the ceremony was performed by Father Conolly at St. John's church in San Francisco. He had drawn $1,000 which she had deposited in the Hibernian bank in her maiden name as she had assigned it to him prior to her death. She was always acknowledged and was buried publicly as his wife.

Mr. Higgins produced the license and certificate of marriage in which it was written that the marriage was between Charlotta Newman and George D. Collins. Collins said he had signed the application for a license before it was filled out, and left a client, James Mulcahey, since deceased, to get it and give it to Agnes Newman. The name of Charlotta Newman must have been placed in it by error. The placing of the name of Charlotta Collins in the marriage certificate was also a mistake. He denied it was in his handwriting, and said if Mr. Groom, court clerk, had also sworn he was mistaken.

The testimony of Thomas Curran and William Newman as to the wedding with Charlotta Newman was wilfully false, being eager to do anything criminal, mean or diabolical to further the conspiracy against him. Collins further stated that the deposition of Charlotta Collins, who he said had no right to so style herself, was false. The three children in her custody were the children of her sister, Agnes, the issue of her marriage with him. He had not sent any money to provide for them, but would look after them as soon as he was freed from the conspiracy launched at San Francisco which now engulfed him.

Mr. Higgins will continue the cross-examination of Collins tomorrow.

Senator Clark Cleared.

Helena, Mont., Aug. 14.—In the United States court Judge William H. Hunt made an order in the suit of the United States against William A. Clark and R. M. Cobban, granting the motion of the defense for permission to file plea for bona fide purchase.

The case is similar to that of the government against William A. Clark, in which suit was brought to cancel a patent to certain timber lands in western Montana, on the ground that fraud had been committed by the entrymen, and like the first suit, this is to cancel patents, the claims, however, being some that were not included in the suit originally tried.

The United States district court of Montana and the circuit court of appeals at San Francisco each decided Senator Clark was an innocent purchaser in the first suit. The grants of the motion by Judge Hunt takes the element of fraud in the entries out of the case.
