For sale—Stock and fixtures at 279 Main Street. P. M. Horwitz.

The three-year-old boy of J. A. Johnson, of Lynn Center, Ill., is subject to attacks of croup. Mr. Johnson says he is satisfied that the timely use of Chamberlain's Cough Remedy, during a severe attack, saved his little boy's life. He is in the drug business, a member of the firm of Johnson Bros. of that place; and they handle a great many patent medicines for throat and lung diseases. He had all these to choose from, and skilled physicians ready to respond to his call, but selected this remedy for use in his own family at a time when his child's life was in danger, because he knew it to be superior to any other, and famous the country over for its cures of croup. Mr. Johnson says this is the best selling cough medicine they handle, and that it gives splendid satisfaction in all cases. Sold by Druggists.

SCHOOL BOARD MATTERS.

Slate Blackboards for the Webster, Carload of Desks and Payment to Contractors.

The board of education met last night and disposed of considerable business, after which it adjourned for two weeks, at which time arrangements will be made and judges appointed to conduct the election to be held on the first Wednesday in December.

On recommendation of the committee on buildings and grounds an agreement was ratified entered into between the board and R. A. McMillan for the latter to furnish and place genuine slate blackboards on the walls of the new Webster school building at a cost of 28 cents per square foot.

The action of the committee on buildings and grounds in awarding the contract to E. H. Stafford & Co., of Muskegon, Mich., for one carload of school desks, f. o. b. Salt Lake City, for the sum of $2,126, was ratified.

On recommendation of the committee on buildings and grounds, the resignations of Reuben Simpson and Harry Chapman, janitors, were accepted, and W. H. Chapman was appointed to fill the latter's vacancy. William [illegible] was transferred from the Hamilton school janitorship to the Bryant, succeeding Janitor Simpson, and George C. Kidder was appointed janitor to succeed Janitor Gray.

J. A. Clayton sent in a communication, complaining of the deduction of one-third of a month's rental for the high school building, the first ten days in September, and the matter was referred to the committee.

On recommendation of the committee on teachers and school work, the purchase of 200 books to be loaned to pupils of the high school for supplemental reading, at a cost of $[illegible], was authorized. The books to be purchased cover 15 literary subjects.

The committee's action in authorizing the clerk to purchase 200 copies of various text books for the use of pupils of the grade schools, was ratified.

On recommendation of the same committee, four dozen Sheldon's vertical system copy books, for use in the grade schools, were ordered to be purchased, and a rule was adopted requiring high school pupils to furnish their own copy books.

The salary of Mrs. E. V. Fritz, principal of the Bryant school, was increased $15 a month for the additional services required of her in the supervision of the Riff school.

Treasurer Burnett's report for the month of October showed as follows:

Amount due treasurer, Oct. 1, $[illegible] to 1904 clerk's warrants	[illegible]
Total	[illegible]
Less receipts for the month	[illegible]

Balance, overdraft, Oct. 31, $[illegible]

The finance committee reported the correctness of Treasurer Burnett's September report, showing an overdraft of $[illegible].

The same committee reported the sale of $[illegible] worth of high school text books during October.

Appropriations aggregating $[illegible] were made. The major portion of the amount includes partial payments to contractors erecting the Webster school building and janitors' and officers' salaries.

The action of the finance committee in directing the payment of the first month's salaries to teachers and partial allowances to contractors erecting the Webster school building, amounting to $[illegible], was ratified.

Applications for employment as teachers were received from the following and referred to the committee on teachers and school work:

J. F. Dense, Mrs. M. D. Kelson, Mary E. Hall, Aileen Gray, Salt Lake City; Anna F. Chalmers, Beacon, Mich.; Margaret Collins, Chicago, Ill.; E. Conrads, St. Paul, Minn.; Lena Sayers, Mexico City, Mex.; Emma Killgore, Celeste Rubes, Colorado Springs, Colo.; Mrs. W. F. Robbins, North Platte, Neb.; Julia Smith, Minneapolis, Minn.; Mrs. Laura L. Carver, Oskaloosa, Ia.; E. V. Claypool, Puyallup, Wash.; J. W. Daniels, Boise, Ida.

On motion of Mr. Colton the chairman of the finance committee was instructed to wait upon the county treasurer and demand the board's proportion of collected taxes.

A list of applications from local insurance agents to insure the Webster school building was referred to the appropriate committee.

A request from Miss Ruth Eldredge for the board to assist in the financial success of a theatrical venture in which a number of high school pupils are to be participants, was refused as being in violation of the board's rules.

BALTIMORES WON THE GAME.

Beat the All-Americas on a Score of Four to Three—Left for the Coast.

There was genuine regret on the part of hundreds of Salt Lakers last night when it was learned that the Baltimores and All-America baseball teams would not remain over another day before proceeding to the coast where they will play for a month before going to Mexico.

The game at Beck's yesterday afternoon was a magnificent one and was witnessed by large and enthusiastic throngs. It is evident that had there been another game today the crowd would have been very great. Yesterday's contest bristled with brilliant plays and evoked the wildest plaudits from the multitude. The Baltimores won on a score of 4 to 3.

A Good Letter.

Elder Leon H. Hampton, a young man, now laboring as a missionary in Mississippi, writes to his father, B. Y. Hampton of this city, from Church in that state, under date of Oct. 23, an excellent letter. The sentiments the writer expresses are most creditable to him, and are well calculated to gratify his parents. His letter contains little or no news, as it evidently was not intended to, and for this reason is not here given in full; but to those for whose perusal it was written, it is as interesting as any news well could be.

Priesthood Meeting.

The regular monthly meeting of the Priesthood of the Salt Lake Stake of Zion will convene in the Assembly Hall tomorrow, Saturday, November 6th, at 11 a. m.

New Trades in Paris.

Paris letter in the Chicago Record: There are several new trades in Paris. You find dog doctors, dog dentists, dog barbers and dogdressmakers advertised in the newspapers, and they seem to be well patronized. I heard of an American woman who spent $50 for garments to dress a $1 dog.

AN IMPORTANT DIFFERENCE.

To make it apparent to thousands, who think themselves ill, that they are not afflicted with any disease, but that the system simply needs cleansing, is to bring comfort home to their hearts, as a costive condition is easily cured by using Syrup of Figs. Manufactured by the California Fig Syrup Company only, and sold by all druggists.
