DOOLY SUCCEEDS CANNON.

He is Chosen Chairman of the Republican State Committee.

Hon. F. E. Wells First Vice Chairman—Mr. Cannon's Farewell Address—Other Realtors.

The Republican state committee has a new set of officers. The change was made at a special session in one of the Legislative committee rooms last night. By a 11 to 3 vote Hon. Joseph L. Dooly succeeds Hon. George M. Cannon's successor to the chairmanship of the committee, while Mr. F. E. Wells is first vice chairman and Wesley K. Walton second vice chairman.

Chairman Cannon and Secretary Parlow were present, as were also representatives from other counties as follows: Beaver, Tracey Dodge; Box Elder, Abraham Emmett, proxy from John T. Hoag; Carbon, M. L. McLean, proxy from James A. Horne; Davis, Levi Tayler; Garfield, Thomas Stoddard, J. H. Shafer; Iron, Morgan Richards Jr.; Juab, Moses Dunbar, proxy from Hugo Dupaser; Kane, Joseph E. Robinson, proxy from John F. Blowey; Millard, O. L. Thompson; Sevier, C. O. Weist; Piute, Charles Murrell; Box, W. K. Walbridge; Summit, James M. Lowry; Summit, Thomas Kearnes; Tooele, William Jaggi; Utah, H. M. Duzett; Washington, Jos. L. Aiken, proxy from M. Edwards; Wasatch, Edward W. Wade.

Chairman Cannon, who had previously tendered his resignation, read his farewell address which was received to the following language:

To the Republican State Central Committee—Gentlemen: As stated in the call issued at my request by the secretary, you have been asked to assemble in obedience to a decision I have arrived at in the wisdom of the course you will express. In retiring from the position I have occupied so long I desire to express my good wishes for you individually and for the party collectively. Although I do not anticipate taking any active part in politics for some time in the future, my sympathies will always be with the party or principles, differing from those which awaits you in the approaching campaign. I know only the best in the spirit in which the contest will be waged, and any other party should be formed. The battle cry should be in fair weather: "Protection and free silver." Any policy which looks to the abolishment of protection is a mistake and a blunder, and should receive the wholesale protection alone without the recognition to which the white metal is entitled, will bring upon those who pursue it the fulture which such action deserves. The two principles are inseparable. At the present time if we grant the arguments of the gold men, that free silver would mean a depreciation of the white metal, then such a depreciation would place a tariff barrier against the manufactured goods of free trade and gold-standard England than the 40 cents per ounce silver is largely an American product. To recognize it and to give it its proper place as one of the two principles in the platform of every Republican than to their legislative condemnation. Calm, deliberate work in the interest of the two principles will bring us not party the result will as much duties. We now have the political control of the state of Utah, and every Republican who loves the cause of silver will last serve the cause by fighting in the Republican ranks for preservation, with less silver.

Asking for my successor the same loyal support you have always given me, and again thanking you for the kind support I remain yours truly.

GEORGE M. CANNON,
Chairman Republican State Central Committee.

Mr. Cannon's resignation was then taken up and accepted, after which Mr. Dooly was chosen by acclamation to succeed him.

Vice Chairman Wesley K. Walton and Secretary Lillie R. Parlow then tendered their resignations both of which were accepted and a vote of thanks tendered them for their past services.

On motion of Mr. Cannon Mr. F. E. Wells was chosen first vice chairman. The office of second vice chairman was then created and Mr. Walton named to fill it. The new chairman was authorized to select another secretary subject to the approval of the committee. The executive committee was given authority to fill all vacancies. Soon after 10 o'clock the committee adjourned to the Alta club to meet and consult with Chairman Dooly.

The Delta Phi Ball.

The Delta Phi Society of the University of Utah will give a ball at Christensen's Dancing Academy on Friday evening, April 3, the dancing to commence at 8:30 sharp. The committee in charge of the ball is made up of Eleanor Lewis, O. J. Kelly, Jean L. Walker, Milton Hendrie and G. A. Nelson.

Battery A's Birthday.

The second anniversary of Battery A was celebrated last night was one of the most pleasing and successful events in the history of the National Guard of Utah. The fabric of that pride in the Exposition building where their ninety-8 located was attractively and elaborately decorated to the national colors.

Among the guests of the evening were Adjutant General Cannon, Colonel Tullidge, Lieutenant Lowry, Colonel Pace and Lieutenant Nelson, the last of the First Infantry, as wine, children, sisters and sweethearts of the members.

Cannon and Colonel Tullock, and an interesting paper descriptive of the flag and its significance read by Mrs. Palmer. A standing glee still was given to one section of the tattery. Music and morning were also interesting features of the program. Lunch was served in regular army style all of the utensils and dishes being made of the same material as was presented to a single soldiers during their campaigning.

Battery A is one of the best organizations in the Guard. Its officers are men of experience, experience and intelligence with men at their disposal.

Y. M. and Y. L. M. I. A.

SALT LAKE CITY, March 26, 1896.

To President Y. M. and Y. L. M. I. A.:

A meeting of the officers of the Y. M. M. I. A. and Y. L. M. I. A. of Salt Lake City is called to convene at the Social Hall, Friday evening, March 27, 1896 (tonight), at 7:30 o'clock, sharp. Please be present, and bring all officers able to be accompanied. Also invite any prominent officers and invite other prominent members of your association to be present.

Yours very truly,

JOSEPH E. PEGG,
Stake Supt. Y. M. M. I. A.
MARY A. FREECE,
Stake Sup. Y. L. M. I. A.

Priesthood Meeting Postponed.

As the general Conference of the Church will be in session on Saturday April 4th, 1896, the regular monthly meeting of the Priesthood of the Salt Lake Stake of Zion will not convene until Saturday, May 2nd, at 11 a. m.

ABORN M. CANNON,
JOSEPH E. TAYLOR,
CHARLES W. PENROSE,
Presidency of Stake.

Chamber of Commerce.

The directors of the Chamber of Commerce met last evening with a quorum present and President Auerbach presiding. This was the first meeting held under the new board of directors and officers, and in consequence of many of the members being absent they engaged there was not a very large attendance.

Secretary Culloch stated that some action should be taken by the Chamber to secure the next meeting of the Brotherhood of Locomotive Engineers. This was one of the largest conventions held in this country. There were over less than 1,000 delegates in attendance, and their hotel bills alone would aggregate $150,000. He therefore believed that it meant at least $200,000 to this city.

The meeting of the fire chiefs of the United States and the Trans-Mississippi congress also should be considered. The chief said that the necessary preparations would be made for all these events.

Every member is expected to be present next Wednesday evening at 8 o'clock.

Fire and a Smashup.

A supposed fire in Walsh's tin shop on upper East Temple street, a big mass of smoke issuing from the building, as alarm followed by hose carriers, a rapid turn out of men and apparatus, a collision at Acting Chief Donovan's buggy with a pole, throwing the former to the ground with a good deal of force and demolishing the rig, were a series of incidents which occurred about 8 o'clock last night. Donovan received a cut on the forehead and was considerably bruised about the body. The increased volume of smoke was caused by the proprietor burning rubbish.

Held Up and Robbed.

About 12 o'clock last night A. H. Elder, the young attorney was held up and robbed by two masked men in the vicinity of State and Fifth South streets. He had attended a dance in the Old Farmers' hall and had just left his companion's home when the robbery was committed. The thugs, says Elder, relieved him of $11.65, the officers were immediately notified.

Held to the District Court.

Ed Crouse was tried in the police court yesterday afternoon on the complaint of Ed Harris, who charged that Crouse had assaulted him with a weapon, when he as nightwatchman for the Salt Lake Lithographing company had ordered him off the company's premises after working hours on the 19th inst. The result of the hearing was that Justice Wenger bound the defendant over to await the action of the district court in bonds of $250 which he afterwards furnished and secured his release. Crouse claims that Harris was the aggressor, and while he admits being on the premises after working hours, he states that he had secured permission to do so from Mr. Stevens, the manager of the company.

Lorenzo D. Alex.

The News is informed that there is a large estate depending on the finding, or obtaining the date of the death of the man named in the following notice:

M. J. Marlin, of Sylvanus, Mississippi, wants to know the whereabouts of Lorenzo D. Alex, or the date of his death. When last heard from he was in Texas, about 1840-41. There he spoke of going to Utah.

There must be something wrong with the above dates, in 1840-41 there was no Utah for any one to go to—Tri. News.

MOST DISTRESSING.

Little Milton H. Davis Steps Into a Fire and Has Blood from the Effects of It.

The infant of little Milton H. Davis, the talented Spanish-eye of Mr. and Mrs. W. F. Davis, took to flight in the great beyond, about 8 o'clock last evening, occasioned by circumstances which make the blow a very hard one to the parents of the little lamb. The Davis residence is located at 357 West North Temple street, and it was there that yesterday morning little Milton the pride and joy of his household was playing around a fire of burning rubbish. Little did the mother, who was watching the child playing around the burning embers, think that it would be the cause of him being so suddenly removed away. When for a moment she lost sight of the little child he stepped into all that was left of the fire—white hot ashes, and in an instant his little clothes were all in flames. In this condition Milton was torn from the fire and the flames extinguished, but the boy had been very severely burned about the face and was quickly summoned, the fire had done its work and the little fellow passed away about five hours after he had been so badly burned. The mother is prostrated over her terrible bereavement. The father who was in Spanish Valley at the time, was quickly notified of the distressing affair.

SUPREME COURT DECISIONS.

Three More Handed Down Late Yesterday Afternoon.

Justice Miner handed down an opinion in the Supreme court yesterday afternoon in the case of William H. Culmer, appellant, vs. H. G. and Belle Wilson. The order and judgment of the trial court sustaining the demurrer to H. W. Wilson was affirmed and the order and judgment sustaining the demurrer of Belle Wilson set aside and vacated with instructions of the court below to act accordingly.

The complaint in the case of Culmer vs. Wilson et al shows that in 1887 Culmer held the title to certain real estate at Lorenzo for Mr. Wilson, who was then the wife of Harry R. Templeton. When Culmer held the title Mr. Templeton informed him that Mrs. Maria was trespassing upon the property. Culmer began an action for forcible entry and detained against Mrs. Maria before a United States commissioner at Lorenzo. Mrs. Maria began a damage suit against all of the defendants, which resulted in a judgment in her favor in the sum of $2,000 and costs.

This judgment was paid by Mr. Culmer, who then turned around and sued Mrs. Templeton, who, in the meantime, had secured a divorce and married H. G. Wilson, to whom she deeded the property.

Both demurrers were sustained, when the complaint was dismissed and the plaintiff appealed.

The questions raised on the appeal were:

First—Does the plaintiff state a case for damages within the meaning and exceptions to the rule of law, inhibiting between husband and wife, acquiesce as to the right of partial ownership being made?

Second—Is the husband under our law liable for the tort of a woman committed before marriage, and while she was the wife of another man?

In answer to the first question the court holds that Culmer had no personal interest in the original controversy, and that he simply sought to advance Mrs. Wilson's interests at her request, holding that her representations were true, and that his actions and doings were as her agent and servant.

JUDGMENT REVERSED.

Chief Justice Zane handed down an opinion in the case of Joseph Jenkins appellant vs. The Hooper Irrigation company, Andrew Miner and Hatch constables. The judgment of the lower court was reversed and the case remanded with instructions to grant a new trial.

The action was brought to recover damages done to plaintiff by defendants negligently allowing water to flood over the plaintiff's garden.

JUDGMENT AFFIRMED CASE.

Chief Justice Zane also delivered an opinion in the case of Martha D. Parr vs. W. R. Hedgan, affirming the judgment of the lower court. Justices Miner and Hatch concurred. The action was brought to recover $350 for an alleged forcible trespass and conversion of personal property. The judgment of the lower court was for the plaintiff in the sum of $200.

A Household Treasure.

D. W. Fuller, of Canajoharie, New York, says that he always keeps Dr. King's New Discovery in the house, and his family has always found the very best results follow the use; that he would not be without it, if procurable. G. A. Dykeman, Druggist, Catskill, N. Y., says that Dr. King's New Discovery is undoubtedly the best Cough remedy; that he has used it in his family for eight years, and it has never failed to do all that is claimed for it. Why not try a remedy so long tried and tested. Trial bottles free at Z. C. M. I. Drug Department. Regular size 50c and $1.00.
