This Means Business.

On the principal line of the Chicago, Milwaukee & St. Paul railway passenger trains are electric lighted, steam heated and protected by block signals. With these modern appliances, railway traveling at high speeds has reached a degree of safety heretofore unknown and not attainable on roads where they are not in use. Electric lights and steam heat make it possible to dispense with the oil lamp and the car stove. Block signals have reduced the chances for collisions to a minimum by maintaining an absolute interval of space between trains. For safety, convenience, quick time and close connections at Chicago for all points east there are none better. For maps, time tables, etc., call on or address J. L. Downing, Gen'l Agent, 212 south West Temple street, Salt Lake City.

Has been produced in the condition of my health by a few bottles of Hood's Sarsaparilla. It has given me a good appetite and enabled me to sleep better than I have for years. THE SALT LAKE TEMPLE.

A Salt Lake Merchant Talks About the Building of the Sacred Edifice.

Denver Republican: "It required 40 years to build the Mormon Temple in Salt Lake City," said M. H. Lipman of Milwaukee, at the Brown Palace, "and scores of men began working on that building when young men, and died without having worked at any thing else. I lived in Salt Lake for 25 years. The Temple was commenced in 1853, and dedicated in 1892. The stone used in its construction was taken from a quarry some miles distant from the city, and before railroads were built in that state, these stones were hauled to Salt Lake City by oxen. Each stone was cut at the quarry and marked, so that when hauled to the city it was ready to be put into place. The hauling of the stone by oxen was slow work, and President Young began a canal from the quarry almost to the city, in hopes of being able to save time by floating the rocks on barges, but the canal was not a success, and so soon once more with a railroad was built through the state. It was within a few miles of the quarry, and Young built a branch to connect with it. I for that the work on the building was much more rapid."

Information Wanted.

Racine, Wisconsin, Dec. 6th, 1897.

To the Editor:

Some time ago I called on traveling Elder on a family which has folks in Utah, and they were anxious to know their address. Mrs. Chester Northrop has a nephew who joined the Church two age and went to Salt Lake City. His name is Davison. He had one brother by the name of John who died near Peoria, Ills.; another brother died near the same place also long ago. His father's name was Lewis Davison, and he died about 1851, also in Peoria, Ills. His mother's maiden name was Mariah Thomas; the three boys were raised with their grandparent, Thomas until nearly grown. His age is about 60 years. Any information as to his whereabouts will be thankfully received by Mrs. Chester Northrop, Ringwood, Ill.

CHARLES JENSEN.

Mrs. Harriet Smith, No. 9 Sanders street, Emsons, Warwick, England, wishes to know the whereabouts of her aunt, Mrs. Moroton Boys, who left England some years ago and emigrated to Utah.

Ward Concert.

An excellent concert will be given in the Fourteenth ward assembly hall this evening under the direction of Prof. J. J. McClellan. Among those who will take part are Lizzie Thomas-Edward, Miss Mattie Reed, Thomas Ashworth, Miss Lulu Jones, Theodore Best, John Robinson, A. M. Musser and the German choir.

Returned from the Mission Field.

The "News" had a call yesterday from Elder Horton A. Eldredge of Montpelier, who returned from the British mission field last Thursday. Elder Eldredge left home October 12, 1895, and labored in the Leeds conference, England, where he reports the Gospel work in good shape, and conditions favorable for its acceptance in time to come. He had good health while away, enjoyed his labors very much and was met by his wife at New York where, together, they spent two weeks visiting and sight-seeing.

Elder Carl A. Aldquist of Bogar ward, Salt Lake county, returned from the Scandinavian mission field Monday and called on the "News" yesterday. Elder Aldquist left home Oct. 12, 1895, and has labored while away in the Stockholm conference, Sweden. The first few months he spent in the Upsala branch of the conference mentioned, after which he was called upon to preside over the conference, which place he filled up to the time of his release. He says the work of the ministry is prospering in that section and the Elders are much encouraged in their labors. He had good health while away and enjoyed his labors very much.

Elder Aldquist reports that the gift from the Scandinavians of Utah to King Oscar is now on exhibition in a Stockholm museum, and is attracting much attention.

Elder Fred Pieper of the Twentieth ward of this city, who returned home on Sunday, reports his missionary labors of the past three years in Europe to be of a most satisfactory character. He left home in October, 1894, and for several months traveled and preached in Germany, meeting with good success. In March, 1895, he was transferred to the Netherlands mission, as he could speak French and Dutch, as well as German and English. He performed missionary labors in Holland and Belgium, as traveling Elder, and then was called to the presidency of the Netherlands mission. This mission he reports to be in a most gratifying condition, the Saints and Church members of late years being quite rapid. There are now about 300 Saints there. The mission has now been subdivided into conferences, and there are now twenty-eight Elders in that field. The people are very hospitable and earnest, and being generally religiously inclined, are willing to listen to and investigate the message the Elders have to deliver.

Elder Martin E. Christopherson, oldest son of ex-County Selectman Martin Christopherson, called on the "News" today having returned on Monday last from a mission to Scandinavia. Elder Christopherson left home October 12, 1895 and went direct to Norway, his father's native country, and at once set to work to learn the language of the Norwegian people. In this he succeeded very well and met with much kindness and hospitality. He enjoyed good health during his entire labors and returns home in the best of spirits.
