HIGH SCHOOLS BATTLE TODAY

All Differences Between Salt Lake and Ogden Settled.

MEET ON CUMMINGS FIELD.

"Callahan's Kids" Feel Confident of Gaining Another Victory Over Old Time Rivals, the Ogdenites.

All differences between the Salt Lake and Ogden football teams have been adjusted and the contest will come off this afternoon as per schedule. Considerable dissention was brought about over the question of referee. Dick Oglesby was suggested and demanded by the Salt Lakers. He was accepted late last night. Coach Tobin of Al Hallows will act as umpire for the contest. He is impartial and thoroughly competent to handle the boys. The contest will be pulled off whether in snow, rain or in mud. The large train containing the Ogden rooters arrived in Salt Lake about noon. They will return to the Junction City at midnight.

TO HAVE KENNEL CLUB.

Owners of Fancy "Stock" Are Agitating the Proposition.

Salt Lake is to have a Kennel club. Several owners of high bred stock maintain that it is time for the thoroughbreds to be brought together. Among those who are agitating the movement are Mont Fisher, W. S. Vincent, H. C. Keefe, Wallace Bransford, Elmer E. Jones, Leo Riter, Rod McKenzie, Tom Mulholland and J. C. Porter.

There are many others in the state who have blue ribbon winners and it is thought that they will take hold of the matter. It will mean much to the state and will eventually raise the standard of dogdom. This encourages the raising of better dogs, the ordinary cur is soon disposed of. Many are now talking over the matter and a club will probably be formed within the next two weeks. A charter will be asked of the National Kennel association so that a bench show may be had by the middle or latter part of January. This is expected to grow until the best breeders between the Missouri river and the Pacific coast are showing their stock here.

SIMMS COMING HOME.

Kid Simms, who trained Gans for his last contest, and has been with te colored champion during his theatrical exhibitions, will finish his contract this week and return to his home in Salt Lake. He is desirous of making a match with any of the featherweight men. His brother Earl will sign him up with Young Watson and latter take on several of the Colorado pugs.

NEW JOB FOR SEARE.

Walter Sear, an old baseball player, and last year catcher on the Salt Lake nine, has resigned from the mechanics' department of the Rio Grande to accept a position in the mechanical offices of the Salt Lawe Route at Los Angeles. Mr. Sear has for a long time been prominent in athletic circles.

AGGIES WORKING HARD.

Word comes wrom Logan that the Aggies are practising as they never have before. Several new men are out and some of the old war horses of the championship team are again in the harness. A team of old stars who still reside in Logan get out nightly in uniform and give the students a hard tussle. While several days have been lost because of the eligibility rule yet all are working to more than double for the loss. A large train load will come to Salt Lake with the team to witness the contest.

Y. M. C. A. VS. B. Y. U.

The Y. M. C. A. basketball team and a large crowd of rooters leave this evening at 6 o'clock over the San Pedro for Provo. The Christians are scheduled to play the B. Y. U. team. A hard game is expected. The College students are the fastest team in the state and will give their opponents a run for their money. The return train will arrive in Salt Lake at 11:45 p. m.

The lineup of the Y. M. C. A. is: Wright, r.f.; Hirschvogel, l.f.; Hoffman, c.; Clark, r. g.; McConnell, l.g.

BIG RABBIT HUNT.

Bill Bingley Has One Scheduled for Thanksgiving Day at Cedar Fork.

Bill Bingley has a big rabbit hunt scheduled for Thanksgiving day at Cedar Fork. The train will run over the San Pedro, leaving the station at 8 o'clock. Already enough hunters have signed their names to fill one car of the special. Bill reports the bunnies thick, the country is literally alive with them. Unless one keeps his head and is not easily excited, he will be sure to get a bad case of "buck fever."

BOWLING RECORD BROKEN.

Jack Quinn of Crystal Team Lowers Mark of C. S. Hull.

Jack Quinn of the Crystal bowling team broke two records in the game against the Columbians. In the third game he rolled a total of 279 breaking the former record by two points held by C. S. How Debility Shows

AND WHY DR. WILLIAMS' PINK PILLS ARE A SPECIFIC FOR IT.

A Case in Watertown in Which a Pale, Weak Girl Was Made Strong And Well.

The symptoms of general debility vary according to the cause but weakness is always present, a tendency to perspire and fatigue easily, ringing in the ears, sometimes black spots passing before the eyes, weak back, vertigo, wakefulness caused by inability to stop thinking and unrefreshing sleep. The cause of the trouble may be some drain on the system or it may be mental or physical overwork, sometimes insufficient nutrition due to digestive disturbance. In the latter case there is generally a loss of appetite and a coated tongue as well as general languor and debility.

Miss Lulu M. Metzger, a stenographer, living at 71 Mill street, Watertown, N. Y., suffered for over a year from general debility. "It was caused by overstudy," she says, "and I had no ambition, didn't want to go anywhere, my food didn't taste good, I was run down, lifeless and listless. I took medicines but they failed to help me. Finally friends recommended Dr. Williams' Pink Pills to my mother and she got some for me. I took them for some time and was entirely cured and have had no return of the trouble."

The mother Mrs. George Metzger, is also enthusiastic in her praise of Dr. Williams' Pink Pills and says that they are her favorite family remedy.

Dr. Williams' Pink Pills cure debility because they actually make new, red, rich blood, and as the blood carries nourishment to all the organs and tissues of the body, nerves as well as muscles, the new blood stimulates the organs to do the work that nature expects of them and normal health follows. As the stomach is toned up, indigestion disappears and greater nourishment is derived from the food. The nerves are revitalized and refreshing sleep is obtained. Not only is this tonic treatment sufficient to cure debility but many severe disorders of the blood and nerves have yielded to its curative action. Fresh air, sufficient exercise and nourishing food greatly assist the pills in effecting cures in all cases of debility.

The pills are sold by all druggists, or will be sent postpaid, on receipt of price, 50 cents per box, six boxes $2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y., Send for free diet book.

CATTARRH OF THE STOMACH

A Pleasant, Simple, But Safe and Effectual Cure for It.

COSTS NOTHING TO TRY.

Catarrh of the stomach has long been considered the next thing to incurable. The usual symptoms are a full or bloating sensation after eating, accompanied some times with sour or watery risings, a formation of gases, causing pressure on the heart and lungs and difficult breathing, headache, fickle appetite, nervousness and a general played out, languid feeling.

There is often a foul taste in the mouth, coated tongue and if the interior of the stomach could be seen it would show a slimy, inflamed condition.

The cure for this common and obstinate trouble is found in a treatment which causes the food to be readily, thoroughly digested before it has time to ferment and irritate the delicate mucous surfaces of the stomach. To secure a prompt and healthy digestion is the one necessary thing to do and when normal digestion is secured the catarrhal condition will have disappeared.

According to Dr. Harlanson, the safest and best treatment is to use after each meal a tablet, composed of Diastase, Aseptic, Pepsin, a little Nux Golden Seal and fruit acids. These tablets can now be found at all drug stores under the name of Stuart's Dyspepsia Tablets and not being a patent medicine can be used with perfect safety and assurance that healthy appetite and thorough digestion will follow their regular use after meals.

Mr. R. S. Workman, Chicago, Ill., writes: "Catarrh is a local condition resulting from a neglected cold in the head, whereby the lining membrane of the nose becomes inflamed and the poisonous discharge therefrom passing backward into the throat, reaches the stomach, thus producing catarrh of the stomach. Medical authorities prescribed for me for three years for catarrh of stomach without cure, but today I am the happiest of men after using only one box of Stuart's Dyspepsia Tablets. I cannot find appropriate words to express my good feeling. I have found flesh, appetite and sound rest from their use."

Stuart's Dyspepsia Tablets is the safest preparation as well as the simplest and most convenient remedy for any form of indigestion, Catarrh of stomach, biliousness, sour stomach, heartburn and bloating after meals.

ASCOT RACES.

Jonathan Club Starts With Thirty-five Entries for First Day.

Los Angeles, Nov. 23.—The program for the first nine days of the Ascot park meeting was announced today by Manager J. W. Brooks. The opening day, which will be featured by the Jonathan club handicap, will be Thanksgiving. Thirty-five horses have been nominated to contest for the purse. The Santa Catalina selling stake is announced for Saturday, Dec. 3. Four selling races, one stake and a purse event, are scheduled for the opening day.

Whether the meeting will continue for the scheduled period of 90 days will not be known until the legal difficulties following the annexation of the Ascot park track have been settled.

Automobiles and Liquor.

The 200,000 automobiles now in use, including 60,000 motorcycles worth not more than $200 on an average, scarcely amount to more than $200,000,000 in value. With a production increasing about 25 per cent every year, they represent the output of three years manufacture. The invested capital in automobile building may therefore be estimated at about $67,000,000 on the assumption, which holds good approximately in similar industries, that the capital reproduces itself, gross, every year. The total valuation of the industry to date, in rough figures, is about $275,000,000. Yet to buy and operate all the automobiles in the world would cost less than one-fourth of the amount spent for alcoholic liquor in the United States for one year.—The World's Work.

FORTUNATE MISSOURIANS.

"When I was a druggist, at Livonia, Mo." writes T. J. Dwyer, now of Graysville, Mo., "three of my customrrs were permanently cured of consumption by Dr. King's New Discovery, and are well and strong today. One was trying to sell his property and move to Arizona, but after using New Discovery a short time he found it unnecessary to do so. I regard Dr. King's New Discovery as the most wonderful medicine in existence." Surest Cough and Cold cure and Throat and Lung header. Guaranteed by Z. C. M. I. drug dept., 112-114 So. Get What You Ask For!

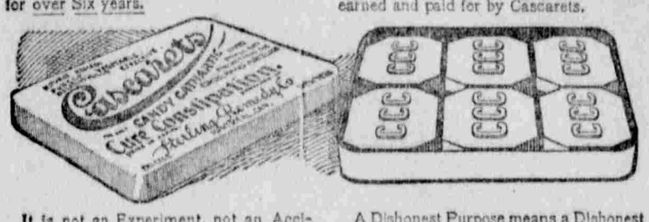
THERE is a Reason—
Why the Good People of America buy Cascarets as Fast as the Clock Ticks.

Every second some one, somewhere, is Buying a little Ten-Cent Box of Cascarets.

1, 2, 3, 4, 5, 6—60 times to the Minute, 60 Minutes to the Hour, 3600 Boxes an Hour, 36,000 Boxes a Day of Ten Hours, 1,080,000 Boxes a Month, and then some.

Think of it—220,000 People take a Cascaret tablet each day. Millions use Cascarets when necessary.

The Judgment of Millions of Bright Americans is Infallible. They have been Buying and Taking Cascarets at that rate for over Six years.



It is not an Experiment, not an Accident or Incident, but a sound, Honest Business, based on Time-Tried-and-Tested Merit, never found wanting.

There is a Reason.

* * *

Cascarets are the implacable foe of All Disease Germs; the incomparable cleanser, purifier and strengthener of the entire Digestive Canal.

They Act like Exercise on the Bowel-Muscles, make them strong and active—able to Help Themselves do their work—keep themselves clean.

Cascarets are the safe-guard of Innocent Childhood against the Dreadful Death-dealing Dangers that threaten the Lives of the Little Ones.

They are Purely Vegetable, absolutely Harmless, always Reliable and Efficient, a true, faithful, loyal servant of Mankind.

Over Five Millions of Dollars have been Spent to make the merits of Cascarets known, and every cent of it would be lost, did not sound merit claim and hold the constant, continued friendship, Patronage and Endorsement of well-pleased people year after year.

* * *

There is also a Reason—
Why there are Parasites who attach themselves to the Healthy Body of Cascaret's success—Imitators, Counterfeiters, Substitutors.

They are Trade Thieves who would rob Cascarets of the "Good Will" of the people, and sneak unearned profits, earned and paid for by Cascarets.

A Dishonest Purpose means a Dishonest Product and a Disregard of the Purchasers' Health or Welfare.

Beware of the Slick Salesman and his ancient "Just as Good" story that common sense refutes.

Cascarets are made only by the Sterling Remedy Company, and the famous little Ten Cent "Vest Pocket" box is here shown. They are never sold in bulk.

Every tablet marked "CCC."
Be sure you get the genuine.
