OGDEN, UTAH, - - JUNE 22, 1904.

OBSEQUIES OF BISHOP FERRIN.

Impressive Services in Ogden Tabernacle—Glowing Tributes to A Noble Character.

SACRED HEART JUNIORS' DAY.

Encomium for Church Schools—Mound Fort Ward Reunion—Three June Weddings.

All that was mortal of Bishop Josiah Marsh Ferrin was consigned to the silent tomb in the family burial plot in the Ogden City cemetery yesterday afternoon, after very impressive funeral services over his remains were held at the Ogden tabernacle.

The body of Bishop Ferrin lay in state at his home yesterday morning and hundreds of his relatives and friends passed by his bier to look for the last time in mortality upon his face.

The funeral service were held at the Ogden Tabernacle commencing at 2 o'clock, Bishop John Watson presiding. The tabernacle choir sang "He was Beloved, Beloved by All," opening prayer was pronounced by Elder Joseph Hall. "O my Father" was sang by Miss Wilthia Belnap and the choir. A solo, "Some Sweet Day," was sung by Mrs. Mary Farley, and a double male quartet sang, "His Noble Work is Done." The speakers were Presidents C. F. Middleton, N. C. Flygare, Patriarch Barnard White, Bishop Fuller, Bishop McKay, Elders H. C. Jacobson, Sr., Joseph Stanford and Bishop John Watson. Each paid a glowing tribute to the memory of the deceased, referring to his faithfulness as Bishop of the 8th ward for 27 years and his useful, upright, energetic life spent in doing good to his fellow man, and his faithfulness to his God and love for his family. The casket was covered in beautiful floral emblems, tokens of love and esteem. A large funeral cortege followed his remains to their last resting place. The grave was dedicated by Bishop James Taylor.

SACRED HEART ACADEMY JUNIORS.

The Junior classes of the Sacred Heart academy held their commencement exercises at the school auditorium yesterday. There was a large attendance of friends of the school. Rev. Father Cushnahan had not arrived home, therefore Father Thompson presented the certificates and delivered a brief address, paying a high tribute to the public school, but held that the church schools are the ideal schools, and a step in advance of the others, as in the church schools not only are the children given a schoolastic education, but much attention is given to their moral training, which is an important factor in the education of children.

Miss Anna Maguire, who is doing post graduate work at the institution gave an excellent essay entitled "A Critical Study of Tassos Jerusalem Delivered."

Some very fine vocal and instrumental music was rendered. One of the special features of the exercises was some drill work done by a class of little girls led by a 6-year-old tot. The exercises were very creditable, evidencing excellent training.

MOUND FORT WARD REUNION.

The people of the Mound Fort ward are arranging for a grand ward reunion to take place tomorrow. The ward amusement committee has the arrangements in hand, and has prepared a program that will be interesting and enjoyable. They will gather at the ward hall on Twelfth street at 3 o'clock in the afternoon and in the evening a bounteous spread will be served at 6 o'clock in the evening. All who live in the ward, irrespective of creed, are invited to be present.

THREE JUNE WEDDINGS.

The following couples secured licenses to wed:

Nephi Peterson, 28, of Huntsville, and Miss Lydia M. Cragun, 21, of Pleasant View.

Joseph G. Corringe, 22, of Salt Lake City, and Miss Catherine E. Ferguson, 22, of Ogden City.

Lars Peterson, 21, and Miss Mary E. Schade, 20, both of Huntsville.

BRIEFS AND PERSONALS.

Prof. W. A. Conley has gone east to visit the world's fair. He expects to be absent about a month.

Tonight the Religion class workers of the Weber stake will give a grand ball at the Hermitage in Ogden canyon.

Mr. and Mrs. Warren Corey and family have removed to Alberta, Canada, to make their home.

Mrs. A. C. Abbott, of Marshaltown, Iowa, is visiting with her son, J. W. Abbott, in Ogden.

The government liquor inspectors were in Ogden yesterday making an inspection.

No one would ever be bothered with constipation if everyone knew how naturally and quickly Burdock Blood Bitters regulates the stomach and bowels.

PROVO.

The Daily News is delivered by carrier in Provo early every evening (Sundays excepted) on the same terms as in Salt Lake—75 cents per month. All complaints, requests for changes of address and payments of accounts should be made to R. J. Dugdale, 372 west 4th North St., Provo. Advertisements and orders for church works also received.

DISTRICT COURT BUSINESS.

More Trial Jurors Drawn—Phillips-Kiser Wedding—News in Brief.

Special Correspondence.

Provo, June 22.—The following additional jurors were drawn yesterday to serve in the Fourth district court for the June term: Silas S. Curtis, Wm. Coffman, Springville; A. W. Hyde, J. F. Van Wagoner, Provo; John Ames, Wm. L. Worsencuft, Payson; Isaac Binns, Wm. H. Grant, James Chipman, Jr., American Fork; John H. Moore Spring Lake; Jos. H. Hand, Benjamin; T. H. Walton, Alpine; T. R. The case of the state vs Donaldson is still before the court, and will be submitted to the jury today.

M. E. Price et al vs Mt. Nebo Land & Irrigation company, and Goshen Roller Mills & Elevator company, vs Mt. Nebo Land & Irrigation company, June 25, at 12 o'clock, set for settling and signing decree.

PHILLIPS-KISER WEDDING.

Caleb J. Kiser, 72, of Provo and Eliza A. Phillips, 58 of American Fork have taken out a marriage license.

GARDEN CITY NOTES.

Jesse W. Smith is in the city representing the Salt Lake road. Mr. Smith is looking up land titles for the company.

A meeting of citizens will be held in the courthouse this evening to determine whether a public celebration shall be held July Fourth.

Deputy Sheriff Graham and Assistant County Attorney Anderson went to Pleasant Grove yesterday to investigate a complaint made by an old gentleman against his son to the effect that the son had taken his money from him. The officer, however, found there was no ground for any criminal action.

DESERET SUMMER INSTITUTE

Death of Joseph Greaves—B. Y. College Instructors Engaged.

Special Correspondence.

Logan, Cache Co., June 20.—The first annual session of the Deseret Summer Institute opened at the Brigham Young college today. There was a good representation of the teachers of the various Church institutions, and from present indications the session will be a most interesting and beneficial one. One of the principal features will be the weekly lecture course, to which the general public will be invited. The first of these will be given on Thursday evening next, when Prof. Praeger will talk on "Bird Migration." The lecture will be illustrated with fine pictures.

B. Y. COLLEGE INSTRUCTORS.

Prof. Walter M. Wolf has cabled his acceptance of a place in the B. Y. college faculty. Mr. Wolf was formerly connected with the B. Y. university, and is at present filling a mission in England. His selection is a fortunate one for the college.

The college has also selected Prof. A. E. Bowman, who is now on a mission in Germany, and who will return from Europe in time for the opening in September. Prof. H. H. Blood of Kaysville has also been secured. Mr. Blood has recently returned from a mission to England, where he presided over the London conference.

JOSEPH GREAVES DEAD.

Joseph Greaves, an old-time resident of Logan, died here yesterday. Deceased was born in Liverpool, England, Feb. 22, 1832. He accepted the Gospel in 1852, and was married to Sarah Priscilla Cluley, Feb. 20, 1853. On the following day he embarked on the ship International for New Orleans, where he arrived after an eight weeks' voyage. He took passage on a steamboat for Keokuk, Ia., and by ox-team from there to Salt Lake City, where he arrived Sept. 30, 1853. For three years he resided in Salt Lake City, then went to Provo and lived six years, when the high waters of 1862 swept away his improvements and made a gravel bed of his land, and hearing that there was land and water in abundance in Cache valley, he came here. In 1864 he lost his wife, who left him with five small children. In November, 1868, he married Mrs. Elizabeth Wood, who still survives him. In his life Brother Greaves has always been an active Latter-day Saint. In all public enterprises he has been a constant worker. He was a mason on the Logan tabernacle during its construction, and a stonecutter on the Salt Lake Temple. In 1881 he went on a mission to England, and was absent two years. For the last 10 years he has worked alternately at his trade as tailor and in the Logan Temple. On Friday last he spent the day at the Temple, and appeared in his usual health. During Saturday night he experienced some little difficulty on one or two occasions in getting his breath, but it occasioned no alarm. At 9 o'clock Sunday he laid down for a few moments, complaining that he felt cold. Death came to him a few minutes after 9 o'clock, when his spirit seemed to leave the body peacefully and without pain.

Of the family his wife, eight children, 26 grandchildren and two great grandchildren survive him.

The funeral will be held in the Second ward meetinghouse Wednesday at 2 p. m.

ONE YEAR FOR BURGLARY.

Helaman Johnson was today sentenced by Judge Hart to serve one year in the state prison for burglary.

LEHI.

TO INSTALL KNITTING WORKS

Will Celebrate the Fourth—Demise of John Roberts, a Veteran of 84.

Special Correspondence.

Lehi, Utah Co., June 0.—Lehi is to have a kniting factory. This was definitely settled upon at a meeting of stockholders of the Provo Knitting Mills. The stockholders will move their plant to Lehi into the large building formerly occupied by Kirkham & Sons. The name of the company will be changed to the Standard Knitting Works, and will give employment to 25 or 30 people. The capital stock will be increased $25,000, and the articles of incorporation will be changed so as to make the place of business Lehi instead of Provo and the name referred to above. A number of the most progressive young men of this county are interested in this enterprise, beside a number of Lehi's influential people are at the back of it. The task of moving the machinery began today and it will be moved from Provo and installed here as soon as posible.

CELEBRATE FOURTH.

Lehi will celebrate the Fourth of July. This was definitely settled at a meeting of the citizens held yesterday afternoon in the tabernacle. A committee consisting of three members of the city council and Misses Birdie Stoddard and Lulu Trane were appointed.

Mr. E. S. G. Titus of the Division of entomology of the department of agriculture, Washington, D. C., was in Lehi Saturday. He is now looking over the beet districts of the country and studying the different bugs and beetles that do so much damage to the crop. He finds that the flea beetle is the most prevalent in our locality, but this can be remedied by keeping down the weeds, as it is on weeds that the larva are hatched and which help them to flourish. He says that Colorado has been greatly troubled by this same beetle. The crops there are looking fine and a good tonnage is looked for.

City Marshall Butt, who had his bicycle stolen last week, found it in a Murray bicycle shop. It had been purchased from a young man whose identity has not yet been proven.

Mr. Mach McCullow shipped 60 head of horses from Lehi Saturday to points east of the Missouri river. He paid an average of $7 per head for them, as they were all mavaricks, wild from the Rush valley range.

Mr. C. F. Prouty, chief engineer of the Grand Junction, Colo., sugar factory, was here last week looking over this factory, and especially looking into the way the pulp is pumped a distance of 500 feet from the mill to the silo, with a view of installing a pump in his factory. Mr. Prouty states that they have 4,150 acres planted and while the crop is not as far advanced as in other years, the outlook for an excellent tonnage in the fall is very good. They are also installing a pumping plant down there to pump water from the Colorado river to the factory.

Mr. E. Foutz of Fairfield was in Lehi today. Mr. Foutz owns ab ig tract of land in Cedar valley and is trying to get water from flowing wells. Some time ago an eastern party sunk a shaft on his farm intending to catch the Mercur vein, which was supposed to run under the valley, and water was encountered in such quantity that ordinary pumps would not take care of it. Mr. Foutz will sink a well in the shaft and if that fails to bring the water to the top will attach a pump to the pipe and use electrical power to run it, which he will secure from the Telluride power line, which passes through his farm.

On June 13 a baby boy made his advent at the home of Mr. and Mrs. Edson Whipple.

June 15 a girl was born to the wife of John W. Webb.

Parties are busy up American Fork canyon surveying for the new electrical power plant.

There will be a match game of baseball at the City park Thursday between the Lehi M. I. A. team and Draper.

STRAWBERRY FESTIVAL.

On the 30th the M. I. A. stake strawberry festival, the local team will play Provo. A number of athletic contests will be given in addition to the ball game and this, together with the festival and grand ball in the evening, promises to make the day a grand success.

Tuesday, while the government surveyors were going from Lehi to the lake, their team became unmanageable, and while dashing over a plowed field the wagon tongue became loose and ran into the ground up to the doubletrees. The sudden stop emptied the wagon of its contents and the team was later captured, entangle in a wire fence.

The speakers at the tabernacle yesterday were Elders Francis Kirkham and T. F. Trane.

Mr. Moroni Royle, Sr., is slowly recovering from a rather severe case of sickness, which has confined him at home for several days.

The First ward held its Sunday school anniversary Sunday, June 12. A good representation was made and very excellent programs were rendered. The house was pleasantly decorated with flowers and mottos.

DEMISE OF JOHN ROBERTS.

John Roberts, Sr., one of Lehi's most respected citizens, who died Monday, June 20, was born Jan. 5, 1820, in North Wales. He was the second child and only son in a family of four. At the age of 10 years his father died, and he was thrown upon his own resources, and began to taste the first bitter experience of his life. He left home and traveled over a great portion of the earth. At the age of 17 he enlisted in the horse artillery and served his country till 1848, when he bought his discharge. In 1847 he married Adelaide Ford, by whom he had 11 children—seven boys and four girls, all but one son survive him, besides 55 grandchildren and nine great-grandchildren. He joined the Church of Jesus Christ of Latter-day Saints in his native country over 50 years ago, and emigrated to Utah in 1863. He was very faithful to his religious convictions to the end, and was in his day an energetic worker. Funeral in First ward meetinghouse Wednesday afternoon at 2 o'clock.

THE FARMER FAILS

In health just as does the city-man, and he fails commonly from the same cause, "stomach trouble." The farm is a wholesome place to live; the farmer's life is a healthy life; but no external advantages can overcome the effects of a diseased stomach. When the stomach and its allied organs of digestion and nutrition are diseased, the food eaten is imperfectly digested and assimilated, and the consequent loss of nurtition results in physical debility.

Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition, and enables the perfect digestion and assimilation of food. It builds up the body with sound flesh and solid muscle.

"I used ten bottles of Dr. Pierce's Golden Medical Discovery and several vials of his 'Pleasant Pellets' a year ago this spring, and have had no trouble with indigestion since," writes Mr. W. T. Thompson, of Townsend, Broadwater Co. Montana. "Words fail to tell how thankful I am for the relief, as I had suffered so much and it seemed that the doctors could do me no good. I got down in weight to one hundred and twenty-five pounds, and was not able to work at all. Now I weigh nearly one hundred and sixty and can do a day's work on the farm. I have recommended your medicine to several, and shall always have a good word to say for Dr. Pierce and his medicines."

The sole motive for substitution is to permit the dealer to make the little more profit paid by the sale of less meritorious medicines. He gains; you lose, therefore accept no substitute for "Golden Medical Discovery."

PAYSON.

CHILDREN IN A RUNAWAY.

Will Celebrate Fourth—Good Crop of Lucern, $4 to $5 Per Ton.

Special Correspondence.

Payson, Utah Co., June 21.—Payson is preparing to celebrate the Fourth of July. A committee appointed by the citizens has the matter in hand.

A runaway occurred here yesterday afternoon. Some children of Jos. S. Tanner were coming down the hill in a one-horse buggy, when the vehicle became uncoupled, which frightened the horse, and the children were dragged some distance, injuring Sidney, the oldest boy, quite severely, but not seriously. The other children were not injured materially.

R. G. Lambert of the Deseret News has been here for several days in the interest of the "News."

Most of the first crop of lucern is cut and being hauled. A good crop was harvested, and prices range from $4 to $5 per ton.

A blessing alike to young and old; Dr. Fowler's Extract of Wild Strawberry; nature's specific for dysentery, diarrhoea and summer complaint.

GARLAND.

GARLAND BASEBALL TEAM

Won Silver Cup and Championship at Brigham City Carnival.

Special Correspondence.

Garland, Utah, June 20.—In the write-up of the recent Brigham City strawberry festival one paragraph reads thus: "A match game was played at the academy square between the Garland and Brigham teams for a silver cup at 3:30 p. m. The cup went to Brigham." We are under the impression that the Brigham City baseball team was never the proud possessor of the cup. The Garland baseball team is now showing that identical cup to their friends. They are anxious to show it to more of them, and it can be seen at the Utah Sugar company's office any time now. If the good people of Brigham or any other Boxelder county people think that the cup and championship does not belong to Garland, tell them to come over some pleasant afternoon and try to take them away.

The game that was played last Saturday at Brigham stood 10 to 16 in favor of Garland.

Mr. J. Y. Rich returned today from Denver, where he went last week with a shipment of cattle that he had been feeding at the factory.

The crops are looking well and lucern haying is in full blast.

It's a mistake to imagine that itching piles can't be cured; a mistake to suffer a day longer than you can help. Doan's Ointment brings instant relief and permanent cure. At any drug store, 50 cents.

PARK CITY.

G. A. R. ANNUAL ENCAMPMENT

And Election of Officers—The Fourth at Park City.

Park City, Summit County, June 22.—yesterday, says the Herald, was a gala day in Park City, the occasion being the annual grand encampment of the members of the G. A. R., who held forth in the Dewey theater and elected the following officers for the year:

H. P. Burns, Salt Lake, department commander; B. M. Sperry, Park City, senior vice department commander; J. V. Nelson, Salt Lake, junior vice department commander; Rudolph Aff, Salt Lake, medical director; H. Corser, Salt Lake, chaplain; William Crome, Salt Lake, adjutant general; R. G. Slaeter, Salt Lake assistant adjutant general.

H. O. Davis of Salt Lake and H. O. Gill of Ogden were selected delegate and alternate, respectively, to the national reunion, G. A. R., at Boston.

The passage of the civil service bill was recommended in a resolution which had the unanimous support of the encampment.

The town was decorated in red, white and blue and presented very much of a holiday appearance. At 10:10 the first section of the special train came in over the Rio Grande Western, and 30 minutes later the second section arrived, the entire train being made up of eight coaches, which were all filled with excursionists. At 11:50 the Union Pacific special of eight coaches bringing about 400 people came in from Ogden, and from the Union Pacific depot the parade marched to the Dewey theater, where a short program was rendered. About 200 veterans were in the parade. The visitors were taken in hand by the ladies of the G. A. R. and the Relief society and provided with places to stay during the day. In the afternoon there were various amusements, chief of which was a ball game between Park City and Ogden teams.

At 6 the guests and the local G. A. R. together with the Spanish American veterans, sat down to banquet at which several toasts were proposed and replied to. At 8 p. m. a public installation of officers was held in the Dewey theater, followed by a short musical and literary program, after which the visitors made ready to return to their homes, which they did by the special trains which left at 11 o'clock.

From Salt Lake, Ogden and the nearby towns it is thought by the committee that there were about 1,000 visitors in town. No pains were spared to make the day a pleasant one, and the general verdict of the visitors is that the encampment was a grand success.

At a mass-meeting of the citizens held last evening at the city hall it was decided to celebrate the Fourth of July and committees were appointed to have have the matter in charge. Mayor Wilson called the meeting to order and he was made permanent chairman with Charles T. Prisk as secretary. The chairman then stated the object of the meeting and called for expressions from the business men present as to their views upon the matter in hand, and all were unanimous in voting that there should be a celebration. On motion the chair appointed the following citizens to act as a general committee to have the celebration in hand: Dan B. Shields, James Don, James Byrne, J. W. Gieger and Frank Daly. A finance committee composed of Ed Evans, W. D. Sutton and Julius Frankel was appointed to interview the business men for funds to conduct the celebration. Nothing further coming up it was decided to adjourn until Thursday, the 23rd, when reports from the various committees would be heard.

Don C. W. Musser, lately returned from the Philippines, lectured last evening in the Congregational church upon "Conditions in the Islands." Quite a number were present and the lecture was much enjoyed.

This morning a force of men went to work on the Ontario ruins to celar away the debris, preparatory to the commencement of a new building and installation of a new plant at the property.
