Saponifier.

Pennsylvania Saponifier is the original and old reliable Concentrated Lye for family soap making and general household uses. Beware of counterfeits. The success of this article has induced unprincipled parties to imitate it. None genuine unless Pennsylvania Salt Manufacturing Co., Philadelphia, is stamped on the lid.

PUTNAM

NAILS and SUNOL.

New York, Nov. 12, 1890.
PUTNAM NAIL C.
Dear Sirs,—
In reply to your favor I would state that I have used the Putnam Nail for several years, and have advised my friends to use it only.
It is hardly necessary for me to add that I prefer it to all others.
Yours truly, [illegible]

The Putnam Nail enjoys the distinction of being the only Hot-Forged and Hammer-Pointed nail made by machinery, which imitates the old hand process.

ROBERT BONNER INSISTS ON ITS USE.

All others are COLD ROLLED and SHEARED, as an examination of their edges near the point will show, and are liable to SPLIT or SLIVER in driving, to lire and perhaps kill the horse.

The above picture, from a photo representing Mr. Bonner in the act of handing his smith Putnam nail, while superintending the shoeing of Sunol, will be sent in the form of a half tone, size, 5x8 on thick, white paper, with wide margin, on receipt of 2 cent stamp for postage, etc.
