FRANCE.

Statue of Napoleon Replaced—Proceedings in the Assembly.

PARIS, 27.—The statue of Napoleon was replaced on the newly finished Vendome column to-day; a large crowd assembled in the Place Vendome and the Rue de la Paix and other streets adjacent, to witness the proceedings; there was no ceremony.

In the French Assembly, to-day, urgency was voted on the press bill. In the debate upon the clauses an amendment was carried, providing penalties for attacks against the republic. Jules Dufaure, member for the Charente Inferieure, made the important statement that Marshal MacMahon pledges his respect for the newly-elected senators, and asserts that they occupy a position in the government second only to that of the Marshal. The second clause of the press bill, which is aimed at the Bonapartist propagans, was passed after violent recriminations between Jules Favre and the Bonapartists, relative to Alsace and Lorraine.

SPAIN.

At San Sebastian.

MADRID, 27.—The Alfonsist General Moriones has arrived at San Sebastian.

GREAT BRITAIN.

The Grain Trade.

LONDON, 27.—The *Mark Lane Express*, in its regular weekly review of the corn market, says that large imports since the first of September have kept prices down, but we cannot expect the importations to continue while the rates are so low. The business in Europe is seasonably dull, and prices are barely retained. At Paris and at several provincial markets flour has again dropped a franc, and wheat one shilling and six-pence. Belgium and Holland are about a shilling lower; Vienna is drooping and Odessa dull, holders maintaining high prices.

Dead.

Augustus Mayhew, a contributor to the London *Punch*, is dead.

Contradicted—Has Got the Measles—Confirmed—Arrived in Navarre.

The *Times* gives prominence to the following—"We are glad to be able to corroborate the contradiction that Spain has violated her obligations of neutrality by enlisting Italians for the army in Cuba."

A Paris dispatch to the *Daily News* reports that ex-Queen Isabella of Spain is ill of measles.

A Madrid telegram to the *Morning Standard* confirms the report of the death of General Caballaro De Rodas.

The army from Catalonia, numbering 40,000, has arrived in Navarre.

EGYPT.

At Cairo.

CAIRO, 27.—M. De Lesseps has arrived here.

Congressional Households.

Previous to the war there were seldom, if ever, twenty Congressmen who keep house here during the session, and not over forty, or at most fifty, brought their wives to the metropolis. Now, there are upwards of fifty Senators and Representatives who keep house, and twenty-six Senators and seventy-one Representatives are accompanied by their wives. Even Elder Cannon, of Utah, who is reported as having a house full of wives, at Salt Lake City, has brought *a* wife here, who certainly appears to be a very lady-like, well-informed person, although —— denies that such are to be found in Brigham's jurisdiction.

After the holidays there will be at least one hundred congressmen's wives and daughters here, and it has been proposed that they organize a female Congress. Every State would be well represented, and the grave questions of etiquette which arise here could be discussed and decided. There are scandals, also, which need investigation, and which play an important part in the winter's chronicles. It is not very long ago since some scandalous anonymous letters were traced so directly to the wife of a cabinet officer, that he was forced to resign his portfolio, although this, the real cause of his retirement, was kept out of the newspapers.—*Wash. Cor. in Cleveland Plain Dealer.*

Rocky Mountain Pills.

A VALUABLE MEDICINE,

From New and Rare Medicinal Plants recently discovered in the Rocky Mountains!

PURELY VEGETABLE.

FIFTEEN years of earnest botanical research among these mountains and valleys have resulted in the discovery, not only of many new varieties of plants, but of new species, some of which have wonderful medicinal curative properties. By continued experiment their virtues have become known—and thus from extracts of these newly discovered plants are these pills compounded.

If properly used, they will cure very many diseases, pains and aches, and are more especially valuable in DYSPEPSIA, LIVER COMPLAINTS, INDIGESTION, JAUNDICE, and all cases of FEVERS, COLDS, URINARY AND KIDNEY DISEASES, RHEUMATISM, COSTIVENESS, HEARTBURN, DIARRHŒA, MUMPS, MEASLES, for PURIFYING THE BLOOD, and for many other diseases, and all cases of BILIOUSNESS and DISORDERED STOMACH.

On orders accompanied by the cash or postal order, I will send safely by mail, postpaid, 1 box Pills for 25 cents; 1 dozen boxes, $2.50; 1 gross boxes, $24.00.
