OGDEN-SALT LAKE BOULEVARD BEGUN

First Move on the Good Roads Proposition in Weber County.

TO HERMITAGE BY JULY 4.

Completion of Rapid Transit Promised by Independence Day—Outing of Industrials.

OGDEN, July 2.—Fifty men went to work yesterday morning upon the boulevard Weber county is going to build from the south city limits to the Davis county line. It is the intention of the county commissioners to have this work rushed to completion and for this purpose about \$25,000 will be expended. The road will be surfaced with gravel or macadam and rolled with the steam roller.

This is the first move for the building of the proposed boulevard between Ogden and Salt Lake, and marks the beginning of the Good Roads movement throughout Ogden city and Weber county.

TO HERMITAGE BY JULY 4.

OGDEN, July 2.—Streetcars will run to the Hermitage on the Fourth of July. This announcement made by an employee of the road after a visit to the work on the grade late yesterday afternoon. The track has been laid to within about 200 yards of the Hermitage and the trolley line now extends as far as Lewis' Grove and the line to that place will be used this evening. A carload of ties was received yesterday which will more than complete the line to the Hermitage.

Two crews are working nights with a large gang of men ballasting the track and putting the road bed in the best possible condition. If the company does not get the trolley wire up by the Fourth the cars and trailers will be taken to the Hermitage by two steam motors.

DANGEROUS CAVE-IN.

OGDEN, July 2.—A dangerous hole in the road near the mouth of Canyon canyon has been made by the caving in of the tunnel of the Gold Rail Mining company when the recent gold craze was started upon the discovery of "colors" by men building the grade for the street car line. The hole was discovered at about dusk last evening and a plank was placed in it which saved the horses from falling in though but did not prevent it being struck by automobiles, horses and pedestrians.

INDUSTRIALS' OUTING.

OGDEN, July 2.—Captain W. E. Kneass, assistant superintendent of the State Industrial school, left for South Fork canyon yesterday with about 30 of the youngest boys in the school for their annual outing. The boys will have two weeks of the out-of-door life when thirty of the oldest boys will have theirs. The girls of the school will be given their outing later in the summer.

WARM IN OGDEN.

OGDEN, July 2.—Yesterday was undoubtedly the warmest day that has been felt in this city since the first of years. The thermometer at the Union depot during the afternoon registered 101 in the shade. The past three days have been the hottest of the season and have been the means of sending hundreds of campers to the Ogden, South Fork and East canyons. It is expected that the camping population in Ogden canyon this year will exceed what of any previous year in the history of the canyon.

UTAH FRUIT COMPANY.

OGDEN, July 2.—Articles of incorporation of the Utah Fruit company were filed with the county clerk yesterday afternoon, the company succeeding the McGriff Fruit company of that place. The capital stock of the company is \$12,000. The incorporators are Scott W. Campbell, James Joseph and John Storey and Richard E. Berrett.

THE FOURTH IN SUNDAY SCHOOL.

OGDEN, July 2.—Sunday morning at 10 o'clock, the Sunday school will hold services at the Weber academy commemorative of the Fourth of July, and for which a special program has been prepared. The usual routine class work will be dispensed with and a short and simple service will be rendered. George H. Davis will be the principal speaker. Miss Myrtle Ballinger will render a solo, and music for the occasion will be furnished by the "Red Brothers" orchestra. A general invitation is extended to the public regardless of religious belief.

PACK FAMILY REUNION AT BOUNTIFUL

(Special Correspondence.)

BOUNTIFUL, July 1.—On June 20, 1909, the second annual Pack family reunion was participated in by about 100 members of the family, besides a number of friends. At 10 o'clock by courtesy of the bishopric of West Bountiful ward, a meeting was held in the ward house where a program of speeches and singing was rendered. The first speaker, Walker N. Pack, of West Bountiful, gave a brief speech of welcome on behalf of the families residing in Bountiful, expressing the pleasure they felt in having the opportunity of entertaining the visiting members of the family.

The next speaker was the president of the association, John Pack of Kamas, who gave a brief account of early history of his father as a pioneer and of his wives and family, stated that 9 days ago, i. e., on May 20, 1890, was the one hundredth anniversary of the birth of John Pack, the founder of the family. Recalled the fact that at his death about 25 years ago, he left five wives and 37 living children, and that now his direct descendants number more than 500 souls. He was followed by Marvin E. Pack, of Kamas, who read a letter from a mission to the Hawaiian Islands, Bishop S. M. Pack of Kamas, Aunt Ruth M. Pack of Kamas, the widow of Ward E. Pack, the oldest son of John Pack, and Del Eldridge, counselor to the bishop of West Bountiful, set living wife of John Pack, and the oldest member of the family, being past 88. Aunt Laura C. Pack of Salt Lake, widow of Ward E. Pack, the oldest son of John Pack, and Del Eldridge, counselor to the bishop of West Bountiful, set living wife of John Pack, and the oldest member of the family, being past 88. Aunt Laura C. Pack of Salt Lake, widow of Ward E. Pack, the oldest son of John Pack, and Del Eldridge, counselor to the bishop of West Bountiful, set living wife of John Pack, and the oldest member of the family, being past 88.

The last speaker was J. H. Grant, president of the Davis stake, who expressed his pleasure in meeting with the members of the Pack family with many of whom he had been acquainted since childhood, and could testify to the fact that they were good and honorable men and women. He spoke also in a jocular way of the fact that he had become a relative to the family by marriage, his daughter having married Dr. Fred Pack. He urged the family to work for the perpetuation of the Pack family association, and predicted that this would be the smallest annual gathering that would assemble.

After meeting the company adjourned to the home of Walker N. Pack, where they partook of a bountiful repast prepared by the Pack families in Bountiful, beneath the grateful shade of wide spreading trees on the lawn.

At 2:30 all took train for the Lagoon, beneath the grateful shade of wide trees, reassembling again in the evening where they took part in the usual passing to partake of another bounteous spread. By unanimous vote it was decided to hold the next reunion at Kamas, Utah, July 23, 1910. It was also urged that all members who possibly can make a special effort to be present on that occasion to partake of the hospitality of the members of the family there.
