Rifle Shooting—The Highest Score on Record.

NEW ORLEANS, 10.—On Thursday last the executive committee of the Crescent City Rifle Club, designated the team to shoot, to-day, for membership, for a bronze medal of the National Rifle Association. A team of six made the following scores, at 800, 900, and 1000 yards, out of a possible 225: Dudley Selph, 219; William Arms, 210; John K. Renaud, 209; Col. John Glynn, 203; E. T. Maunlay, 191; R. G. Edrich, 187; total, 1,214; which is the highest score on record by twelve points. Selph made thirty-nine bulls eyes and six fours.

The New Infernal Machine.

CLEVELAND, O., 10.—Successful experiments were tried by the new infernal machine, known as the Lay Torpede, invented by Mr. Lay, of Buffalo. The trials have hitherto been secret, but to-day were public, and attracted much attention. Among the spectators was the assistant Chinese Minister, Yung Yun Poo, and his secretary and a number of naval officers. The torpedo is under complete control. The machine will be shipped to a European power at once.

Arrested.

LAMBERTVILLE, N. J., 10.—Harry Von Elda, for whose arrest the Grand Army of the Republic offered a reward, and who is charged with so cruelly maltreating soldiers' orphans that death resulted, was captured near here, to-day, and lodged in jail.

The Silk-Smuggling Frauds.

NEW YORK, 10.—Richard Williams, storekeeper on the steamship *Greece*, has been arrested, charged with complicity in the silk smuggling frauds. Williams states that he has brought to this country fourteen barrels of silks, worth about $35,000, in the last few months, for Jno. Scott, a speculator, who has fled from the city. Fourteen persons, connected with the National Steamship Line, are now under arrest.

Challenge Accepted.

O'Leary accepts Weston's challenge, to walk six or twelve days, at London, in September next, for £2,000 a side.

The Hostile Indians.

The *Times* Washington special has the following, received here tonight:

Lapwai, July 6th, *via* Walla Walla, 10.—The hostiles have forced their way past our cavalry, and are now at Kamia, on their way to Bitter Root. Their success has induced other Indians to join them in small bands. More troops are needed.

WATKINS, Inspector.

The Four Per Cent. Loan.

The home subscriptions to the new four per cent. loan continue to come in freely, and at the close of business, to-day, were over $16,000,000.

$22,000 Fire.

MATTOON, Ill., 10.—Fred. Kenzel's Brewery was burned, last night; loss $22,000, insurance $12,000.

The Sunrise.

LOUISVILLE, Ky., 10.—The Sunrise began, to-day, with thousands of visitors present, with decorated streets, buildings gay with bunting and unprecedented interest. Every prominent public and private building is ornamented in one way or another. The programme this evening was attractive, and under the direction of Paul Eaitel, of Louisville. The music was delightfully rendered.

Damages Awarded.

CHICAGO, 10.—The jury in the United States district court, to-day, awarded Rev. J. A. Ray, of Buffalo, $10,000 damages against the Pennsylvania Railroad Company for injuries sustained about a year ago in a sleeping car on the Pittsburg and Fort Wayne road.

Army Supplies for France.

The *Inter-Ocean* publishes as a portentous fact, that during the past fortnight secret agents from the French government have arrived in this city, whose presence is known to but few in France, and to fewer here. They have secretly contracted with a few large firms of Chicago packers for immense quantities of army supplies. The contracts specify not only quantity and quality, but the manner of preservation and the amount of rations in each package. A condensed soup, capable of preservation for a long period, has been contracted for. Similar agents have been in a few other large cities in this country and Canada. Enough food has been ordered to sustain a large army during a long campaign. The *Inter-Ocean* considers these operations significant in view of the condition of western Europe.

The Bliss Monument.

TONOWANDA, Pa., 10.—The Bliss monument was dedicated at Rome, to-day, in presence of 10,000 people. Messrs. Moody and Sankey took part in the exercises, and the dedicatory address was delivered by Dr. Pierce of Detroit.

Hebrew Council.

PHILADELPHIA, 10.—The Fourth Council of the Union of American Hebrew Congregations was convened this morning, in St. George's Hall. The following officers were elected: President, Hon. B. F. Peixotto, late consul to Roumania; Vice-President, Phillip Levin, Philadelphia; Secretary, Lyman Levy, Cincinnati; Asst. Secretary, Lewis Abraham, Washington. The report of the officers and committees were presented and referred. The report of the board of delegates shows that there are, under the control of the Jews, fourteen public institutions, some of which are not sectarian in their benefits, fifteen newspapers and magazines devoted to the cause of Judaism, are published and edited by Jews and four Jewish orders or secret societies, the aims of which are the advancement of Judaism, mutual assistance, and charity.

Trial of Bank Burglars.

SPRINGFIELD, Mass., 10.—In the trial of the bank burglars, to-day, William Edson, a lock expert, testified to his connection with the prisoners while travelling salesman for Herring & Co., safe makers. In the fall of 1873 he formed a partnership with Convers, Scott and Dunlop to discover the chances for bank robbery, make preparations, and share in the spoils. Edson received $7,000 from the robbery of the bank at Quincy, Ills. The gang made an unsuccessful two month's attempt at Elmira, and Berry was sent to the penitentiary for it. They also made unsuccessful attempts at the Long Island National Bank first, Saratoga, Covington, Ky., Rockville, Connecticut, Syracuse, Nantucket, Massachusetts, and the First National Bank of Northampton, where they bored holes but met with obstructions. Edson also examined the bank at Wilkesbarre, Pa., but no attempt at robbery was made. Edson reported a weakness in the vault of the Northampton Bank in August, 1875, and obtained the impression of the keys. The securities were concealed in Northampton for a month after the robbery. Edson negotiated with the Bank for the return of the securities, the Bank offering $30,000. His partners charge him with treason, and refusing to make a division he turned States evidence.

FOREIGN.

GERMANY.

Interview on the Occupation of Constantinople.

BERLIN, 10.—At the last interview, Lord Odo Russell informed Prince Bismarck that England would, under no condition whatever suffer the Russian occupation of Constantinople. Prince Bismarck replied that he considered the occupation of Constantinople the best way to obtain the purpose for which the war was commenced.

RUSSIA.

Servia and Roumania.

ST. PETERSBURG, 10.—The Russian telegraphic agency has issued a statement admitting an alliance between Roumania and Servia as not exactly impossible. It asserts, however, that such alliance could not, in any way, effect the good relations between Austria and Russia. The agency thinks the importance of the dispatch of the British fleet to Besika Bay diminished by the explanations of the British Parliament.

General Simeka telegraphs from Odessa that the Turkish fleet has commenced bombarding Eupatoria.

TURKEY.

A National Guard.

CONSTANTINOPLE, 10.—A decree has been issued ordering the creation of a national guard of Constantinople, six battalions, which are to be formed immediately.

A Vienna special from Asia states that in the Ardanudsch district, on June 28th, the Russians pillaged eleven villages and killed fifty people, on the pretext that they had fought against them, on Friday last.

Gen. Tergukassoff has returned to Russian territory. His force marched forty kilometres daily, and is believed to have lost all its war material.

The Prince and Princess of Roumania left Bucharest this morning for the headquarters of the Roumanian army, at Krajova.

The Turkish monitor, ashore at the mouth of the Danube, remains firmly fixed. Her crew has been taken off, and she is now in possession of two Russian vessels.

Intelligence has been received at Paris that twenty Turkish steamers had arrived at the mouths of the Danube to hamper the communication of the troops in the Dobrudscha, and to prevent them from advancing.

The Russian governor of Tsatcha has laid down torpedoes in the Estuary.

A correspondent who accompanied the Russians to Biela, says their entry was unopposed.

A telegram from Belgrade declares that a convention between Roumania and Servia has been definitely concluded. It is proposed that the military co-operation of Servia shall take effect towards the middle of August. The Servian government has concluded, in Paris, a loan of 2,000,000 ducats, partly guaranteed by Russia, and subject to ratification by the Kuptschina.
