AT THE SHRINE OF DEATH.

Tribute Paid to the Memory of Elder Henry Day.

The funeral service over the remains of Elder Henry Day were held in the Draper ward meeting house at 10 o'clock a.m. yesterday. A large concourse of people assembled to pay their last tribute of respect to one so greatly loved and respected. The services were conducted by Bishop Smith.

The speakers were Elder James H. Christensen, Bishop Smith, President Joseph Dean, John Nuttall and Joseph Hyrum Day. They all testified to the worth of Elder Day as a faithful and zealous member of the Church.

Elder Day was born in Maine on the 4th of February, 1821. He came to Utah and settled in Draper ward in the year 1849, and served faithfully in the cause of his church. In his prime he labored and took part in what was called the "Indian War." He served as President Thirty years as school teacher in Bishop Smith H. Stewart. He was prominent in the construction of the Ward meeting house, and was always ready to assist in building up Zion. He was a good neighbor, a kind husband, an affectionate father, and a faithful Latter-day Saint. He leaves a large and respected family, consisting of a wife and thirteen children, forty-three grandchildren and three great-grandchildren.

Brother Day gives the news of the dead, and is entitled to the reward of the righteous.

Important.

A meeting of the Red Cross Society will be held in the council chamber of the city and county building, Monday, October 24th, at 2 p.m. All members and friends are urgently requested to be present to elect new officers for the society.

The Public Schools.

Beginning November 1st the public schools will not be opened until 9:00 in the morning, instead of 9 as at present, and this arrangement will continue for a period of three months from that date.

HOMES FOR THOUSANDS.

To Latter-day Saints Who Desire Good Places to Make Comfortable Homes. A Good Opportunity to Accumulate Means to Pay for Them Without Incurring the Bondage of Debt.

One hundred thousand dollars in labor values.

Fifty miles of the Alberta company's canal to be built, for which half will be paid in cash and balance in excellent prairie land, at $5 an acre, with free water for two years to first settlers on these lands.

Lands are to be settled in hamlet or settlement form, in order to afford settlers the benefit of ward organizations, including day and Sabbath schools.

All labor will be contract work, at the rate a cake yard for earth work. Gravel, stone and solid rock to be paid for in proportion.

An industrious, able-bodied man, with team can earn a good farm, work for and cottage in one year.

Lands to be settled are adjacent to a railroad. Plenty of coal for fuel near at hand.

President C. O. Card, writing to the First Presidency under date of September 22d, says that work has commenced on the canal; that parties in Utah desiring to do work this fall would do so well to bring their teams and scrapers by railroad. By doing this they could be at work on the canal in less time than after starting from Utah, since shipping teams by rail from this day, if needed, will not exceed $1 a ton, and because it can be cut there at less cost than it can be cut at the bottom of the ditch; that to fair teams at work on the canal, as for miles in the immediate vicinity, grass is from six to twelve inches high. Which work cannot be done on the canal, now can the building boxes for themselves. He advises men to come with their teams, leaving their families until the spring, by which time houses may be provided for them. Parties desiring to join the new settlers in making homes, who may not care to do work on the canal, can obtain land through President Card.

For special rates of transportation for passengers, household goods, teams, etc., etc., apply to Wm. C. Spence, Box 35, Salt Lake City, or C. O. Card, Cardston, N. W. T., Canada.

"TO BE OR NOT TO BE."

Question of Franchise for Utah Power Company's Franchise Before Council.

The members of the City Council met as a committee of the whole last evening to further consider the question of whether or not the Utah Power company should receive its franchise. The feeling is somewhat less in accordance with the spirit and letter of its franchise, which calls for a 25 per cent tax on the gross earnings of the company, and the company, the report will finally be made to the council, will be inclined to favor the Power's next meeting.
