SANFORD'S RADICAL CURE For CATARRH

A purely vegetable distillation entirely unlike all other remedies.

IN the preparation of this remarkable remedy every herb, plant, and bark is subjected to distillation, whereby the essential medical principle is obtained in vapor, condensed and bottled. What remains in the still is inert, valueless, and totally unfit for use in an organism so delicate as the nasal passages. Yet all points are insoluble compounds of woody fibre; all tinctures, saturated solutions.

SANFORD'S RADICAL CURE

is a local and constitutional remedy, and is applied to the nasal passages by insufflation, thus allaying inflammation, and healing and at once curing, cleansing, and purifying the secretions. Internally administered, it acts upon the organs of circulation, keeps the skin, bowels, and kidneys free, and action that has found its way into the stomach and thence into the blood. This a cure progresses in both directions, and it does not seem to matter whether man ingenuity to devise a more rational treatment.

SURPRISING CURE.

Gentlemen.—About twelve years ago, while travelling with Father Kemp's Old Folks Concert Troupe as a temperance singer, I took a severe cold and was laid up at Newbern, N. C. It was followed by a severe attack of Catarrh, which I battled with every known remedy for four weeks without avail, and was finally obliged to give up, a most desirable position and return home, unable to sing a note. For three years afterwards I was unable to sing at all. The first season I ventured to sing, my throat and throat so swollen that the slight cold found lodging in it, and I was obliged to give it a trial. In this way I continued to suffer. The last attack the severest I ever had, was terrible, and I feared the worst. Hearing of your Sanford's Radical Cure, I was induced to try it, especially as it was in vogue and gave the Catarrh. I cheerfully was Radical Cure, and after using three bottles of the remedy I was cured. I have lectured and sung since, have been entirely free from Catarrh, for the first time in twelve years.

Respectfully yours, GEO. W. HOLBROOK.

WALTHAM, MASS., Jan. 8, 1876.

P. S.—I purchased the RADICAL CURE of GEO. H. HOBGOOD, Druggist, Newbern, N. C.

Each package contains Dr. Sanford's Improved Inhaling Tube, with full directions, or sent by mail, post paid, $1.00. For sale by all Wholesale and Retail Druggists throughout the United States and Canada. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

COLLINS' VOLTAIC PLASTER

An Electro-Galvanic Battery combined with a highly Medicated Plaster containing the choicest medicinal Gums and Balsams known to modern Pharmacy.

These Plasters have now been before the public for two years, and, notwithstanding the immense number of remedies in the form of liniments, lotions, pain-curers, and ordinary plasters, they have steadily increased in sales and cost with universal approval, as evidenced by over ten thousand testimonials, received from time to time, from parties who have tested its virtues, and are willing to make known citizens in all parts of the United States, copies of which will be sent free of charge to any one desiring them. Many imitations have been made, as suggested by experience and use, until it is believed that they are now perfectly every respect, the best and most reliable of all medicine. All we ask from every sufferer is the trial is a single trial. The price is 25 cents, although the cost is double that of any other plaster. But, notwithstanding the efforts of the proprietors to make the best plaster in the world for the least money, any similar remedy can be cheaper, numbers of unscrupulous dealers will be found ready to impose them for gain, motive and endeavor to sell inferior articles. If you ask for

Last Night's Dispatches.

EASTERN.

Wm. Cullen Bryant's Condition.

NEW YORK, 9.—The condition of Wm. Cullen Bryant, to-night, is not very favorable. He was resting quietly but took nourishment less freely. His respiration is good but his pulse is not quite so strong.

Senator Edmunds Suffering from Malaria.

WASHINGTON, 9.—Senator Edmunds will ask to be excused from service on the special committee appointed by request of Matthews to inquire into the matter touching the last presidential election in Louisiana. Edmunds has been suffering from malaria, and desires to return home immediately after adjournment.

Ex-Gov. Packard's Bond.

The bond of ex-Governor Packard, of Louisiana, as consul to Liverpool, has been received at the State Department and approved.

The Adjournment.

The progress made with the appropriation bills during the past week, and the nature of the Senate's action on the army bill, render it quite probable that Congress will adjourn on the 17th inst., without any further extension of the session. The posse comitatus section of the bill, as amended by the Senate, divests it of any special significance one way or the other, but the majority of the House are likely to accept the amendment.

The Powers of Consuls.

The Senate bill passed by the House, yesterday, regarding the powers of the consuls, extends to our consul at Sanwan Islands the judicial functions now exercised by the American consular and diplomatic officers in China and other semi-civilized countries for the protection of United States citizens against arrest or trial by the local authorities.

The Arizona Governor.

The appointment of General Fremont as Governor of Arizona is made at the solicitation of his New York friends, as a provision for his pecuniary needs.

Gov. Hoyt's Transfer to Idaho.

The transfer of Gov. Hoyt to Idaho involves the removal of Gov. Brayman, which is justified on the ground that he has made grave mistakes of judgment in several particulars, notably in furnishing arms to certain supposed friendly Indians, who afterwards used them against the white settlers.

Coffee Culture in the U. S.

Wm. Saunders, chief of the national Granger organization, and prominent official in the department of agriculture, publishes a letter in one of the Washington papers, to-day, taking issue with a statement of the Boston *Scientific Farmer* that commercial coffee is successfully cultivated in California, and offering to pay $10 for a pound of fresh seeds of coffee arbica, the produce of plants that have been growing for the past three years in any part of the United States. He says he is particular about the botanical name because previous efforts to procure seeds from California have only brought him seeds of the buckthorne or similar cathartic coffee, and the aromatic.

Burning of a Propeller.

DETROIT, Mich., 9.—A special from Port Huron, Mich., at a late hour, to-night, reports the propeller *Montgomery*, with a full load of corn, as burning. It is feared she will be a total loss.

WESTERN.

The Bannock Indian Troubles—Concentrating for a Fight.

SAN FRANCISCO, 9.—A Boise City dispatch says: The citizens here are raised to a high state of exultation this afternoon by the receipt of a telegram to the effect that the President had appointed John P. Hoyt, Governor of Idaho. It is almost a universal wish that the Senate will act promptly in confirming this appointment, and that Gov. Hoyt will come forward at once.

In the affair near South Mountain, Owyhee County, four citizens were killed, one wounded, and one missing, who is believed to have been killed. Reinforcements were sent forward from Silver City, and another fight was expected to take place to-day.

A considerable body of Indians was seen near Cold Spring Station, 65 miles from this place, last night. All accounts agree in the statement that the Indians are continually passing across the stage road and across Snake river, between Big Camas Prairie and the scene of hostilities in Owyhee County.

General Howard is expected here on Tuesday. A column of troops from the west will arrive a day later.

The Indians will probably make a stand in Juniper Mountain region, but it is evident that only a portion of their fighting force is there, and that they will also remain in the Lava beds until dislodged or forced to surrender.

Another dispatch says: The Indians have gathered in strong force at Juniper Mountain. Col. Bernhard is watching them with his command. Nothing is known of the condition of affairs at the Lava Beds.

Captain Harper, who went out from Silver City, yesterday, with 20 men to attack the Bannocks, was reported at South Mountain. He sent back for reinforcements.

A party of about 17 men went by way of Flint district to join Capt. Harper's company, and came upon a body of Indians estimated at 100, four miles east of South Mountain, on Rail Creek, and had a fight. The volunteers lost one killed. O. H. Pendy, ex-county auditor of Owyhee County, and Tom Jones, a saloon keeper, were wounded, and six men are missing. The volunteers were worsted and had to flee. Do not know whether any Indians were killed or not. Great excitement prevails in Silver City over this news. General Howard is daily expected.

The column from Oregon is reported at Baker City, 150 miles from here.

Colonel Sumner's first United States cavalry, three companies of infantry from Angel Island, and the troops stationed at Benecia have gone forward to reinforce the troops in Idaho.

A Portland dispatch says: Gen. Howard, who is now at Fort Walla Walla, en route to Boise City, telegraphs today, as follows: Reports from General Wheaton represent some Bannocks appearing in the vicinity of Salmon River, and people are fleeing to Mount Idaho.

The Lord Leitrim Murderers.

PHILADELPHIA, 9.—Another meeting of those desiring to contribute to the fund for the defense of the parties charged with the murder of Lord Leitrim, in Ireland, was held this afternoon. Subscriptions were received and a resolution adopted making the affair a national one.

The Socialists.

The socialists had arranged for a hall for a mass meeting on Tuesday evening, but on going to pay the rent, were told that the mayor had requested the proprietor not to permit the meeting. An indignation meeting was held, and strong language against the action of the mayor indulged in. Arrangements were made for another hall.

FOREIGN.

GREAT BRITAIN.

The Eastern Controversy.

LONDON, 9.—The Russians are making a retrograde movement at various points. The railway between Varna and Rustchuk will shortly be reopened.

Bulgarians continue to commit atrocities in the plain of Arda and the Mussulmans are fleeing to the Rhodope Mountains. It is said that 19 villages have been burned, several old men crucified, and many women violated.

The *Journal de St. Petersburg*, discussing Turkey's memorandum to the congress says: It will not succeed in creating a split among the powers.

The Vienna *Neue Free Press* announces that six divisions of the Austrian army are to be placed, in a few days, on a war footing, so that the means may be in readiness to execute the decisions of the congress affecting Austria.

Prince Milan has quashed the sentence of death upon Ex-Minister Tchumitch.

The *Standard's* telegram from Bucharest reports that the movements of the Russian troops cause fear that the Russians intend to interrupt the march of the Roumanian troops and occupy Bucharest.

The *Standard's* special Berlin states the correct report of the only judicial examination of Nobeling before he became unconscious, shows that he said he himself offered to undertake the work, and discussed the plan with several persons, who approved of it.

While the congress will assemble on Thursday, the proceedings until Saturday will be merely formal.

The Colliery Explosion.

The chief agent of Haydock colliery, where a terrible explosion occurred last week, says, the number of persons killed is 50 less than first supposed.

GERMANY.

The Emperor's Condition.

BERLIN, 9.—Official bulletins, today, report the Emperor's strength and appetite increasing. The Emperor left his bed, to-day, three hours, and reclined in an arm chair.

WEST INDIES.

Rejoicing over the Restoration of Peace.

HAVANA, 9.—Captain General Jovellar, yesterday received the following official telegram.

LOS TUNAS.—At 7 o'clock this morning, the man-of-war *Guadalaquirir* sailed from Manate Bay for St. Thomas, having on board the so-called General-in-chief and the latest president of the Cuban republic, Major General Vicente Garcia, and his companions. A *te deum* was sung, this morning, in the Havana Cathedral, for the restoration of peace, in presence of the Captain General, the authorities and a large congregation.

Privatie reports say: Martinez Campos will arrive in Havana about the middle of the week. He is now engaged in the peace festivities of Santiago de Cuba.

BRITISH AMERICA.

Arrested for Murder.

ST. MARY'S, ONT., 9.—Dr. Ford was arrested on a charge of poisoning Robert Guest on Tuesday night last. An inquest is being held. The affair creates great excitement. Ford was formerly mayor of the town and grand master of Odd Fellows. Guest is a prominent grocer. The motive for the deed is unknown.
