FINANCIAL PANIC IN ENGLAND!

French Mobiles Repulsed!

ILLINOIS.

Immigration Convention

CHICAGO, 25.—Business yesterday was almost entirely suspended, and the day was observed in the usual manner.

The weather here is remarkably fine for the season of the year. There has been no snow and no really cold weather.

The immigration convention at Indianapolis adjourned *sine die* yesterday, after the adoption of a set of resolutions, declaring additional legislation on the part of the Federal Government, and a more rigid enforcement of the existing laws on the subject of immigration, necessary to prevent frauds upon immigrants; asking for a movement on the part of the President and Congress to secure the joint jurisdiction of foreign countries and the United States over emigrant ships, for the protection of emigrants; favoring the establishment of a bureau of immigration at Washington, and appointing a committee of one from each State and Territory represented in the convention, to lay the matter before Congress.

WASHINGTON.

WASHINGTON, 25.—The eighth infantry will not be sent to Georgia; but remain at David's Island until spring. Gen. Halleck, however, has been ordered to make such disposition of the trooops now in that State, as may be necessary to preserve peace at the approaching election. The Governor of Georgia, who is now here, has no knowledge of any additional troops having been ordered to Georgia, and is of the opinion that the State authorities will not need them.

All the members of the Cabinet were at the meeting to-day, except General Cresswell, who is absent from the city.

The agent of the Treasury Department, who recently took $3,000,000 of greenbacks to San Francisco, to be exchanged for a similar amount of old ones, will return with the latter, which will be cancelled before leaving that city.

NEW YORK.

Health of Chief Justice Chase Improving.

NEW YORK, 25.—The *Tribune's* Washington correspondent telegraphs that, when Congress meets, Chief Justice Chase will ask to be relieved of the duties which the bankruptcy act of 1867 required him to perform, as Chief Justice of the Supreme Court. His health continues to steadily improve. He will remain in Narragansett, Rhode Island, until Christmas, when he will seek a milder climate.

From what is known here of the condition of affairs in New Jersey, there appears but little doubt that Senator Cattell will be elected.

FOREIGN NEWS.

FRANCE.

Reported Favorable to the French.

TOURS, 25.—Heavy cannonading was heard at Orleans all day yesterday, in the direction of Arthenay, where an important engagement has doubtless occurred. It is reported that the engagement was favorable to the French, but nothing official is received.

The Prussians are reported to be near Vendome.

Bourbaki has written a note to the government, declining the command of the 18th army corps.

RUSSIA.

The Press Warned.

ST. PETERSBURG, 25.—The press is officially warned against supporting France or criticising Germany, the interest of Russia being now identified with the latter.

GREAT BRITAIN.

England and Russia—Rumored Resignation—Forts Silent—Thionville Burning.

LONDON, 25.—The *Times* says there are 200,000 Germans in the valley of the Loire.

The *Times* intimates that Russia will be firm without closing the door to negotiations, an attitude England will imitate.

It is rumored that John Bright has resigned his position as President of the Board of Trade.

A dispatch from Versailles, *via* Berlin, to-day, says the forts about Paris have been silent for the past three days. The weather continues bad for military evolutions.

Much distress results from the formal surrender of Thionville, which occurred this morning. The town has been burning since Tuesday.

The Duke of Mecklenburg is urging an immediate advance on the French army of the Loire. Skirmishes have already occurred between the outposts of the armies at Neuville and Mezieres, in the department of the Loire.

The Mobiles from Amiens have been repulsed near Le Tusnel by the Prussians. The flight of the French was very disorderly.

LONDON, 25, 5 p.m—The feeling in financial circles at this hour may fairly be called a panic. Consols and other securities, at the close of business, were generally lower; and while there is no corresponding advance in breadstuffs, much uneasiness pervades the entire community. There is no doubt that the Russian government is very warm in her demands relative to the provisions of the Paris treaty.

PORTUGAL.

Argentine rebellion.

LISBON, 25.—The regular mail steamship from Rio Janeiro arrived to-day, bringing dates to the 6th inst. The news is generally unimportant. Pelotes, who had been tendered the war portfolio of Brazil, had refused.

The rebels in the Argentine Republic were apparently gaining ground. The siege of the city of Montevideo, by the revolutionists, was imminent.

AUSTRIA.

Austrian Euxine policy.

VIENNA, 25.—The journals of this city, official and otherwise, are unanimous in their expressions of joy, with the peaceful tenor of the Red Book, which has just made its appearance. All applaud the firmness of the Austrian government on the Euxine policy.

RICHARD V. MORRIS,
LATE U. S. ASSISTANT ASSESSOR, HAS been appointed Special Agent of the Globe Mutual Life Insurance Company, of New York, for Utah Territory. This Company commenced business, June 1st, 1864, with a cash capital of $100,000. In the character and large amount of business done, it has been surpassed by no other company of the same age on the globe. It has issued more than 20,000 policies, and its cash assets, January 1st, 1870, amounted to more than two and a quarter millions of dollars! It has already paid to the representatives of deceased policy-holders, $650,000, and its Cash Dividends to Policy-holders, for 1870, alone, amount to the sum of $160,000!! All kinds of Life and Endowment Policies are issued, and all, nonforfeitable—(see rate book, page 8.)—Registered Policies issued, if desired, secured by the State of New York (see rate book, page 9). After two years from date of policy, an increasing annual cash dividend will be paid to each policy-holder. This dividend may be used in reduction of premium, or, in the purchase of additions to the original policy, thus securing a decreasing premium, or, an increasing policy.
