Body of Patrick Feeney Here—The body of Patrick Feeney formerly a resident of Park City, arrived Tuesday afternoon from New York, where he recently died. Arrangements are being made for the funeral in this city.

Faints on Streetcar—Mrs. Alberta L. Aubrey of 173 E street, rose from her seat in a Third avenue car Tuesday evening to leave. She suddenly fell in a faint in the aisle. She was carried to the Brigham street pharmacy, and later to her home in a carriage.

Delegates Return—President J. H. Lamont and Secretary A. H. Burt of the street car union have returned from Toronto where they attended the biennial convention of the national organization. Burt was chosen third vice-president, a promotion of two grades, he having been fifth vice-president.

Ad Club Meets Tonight—The Salt Lake Ad. club will meet this evening at the Commercial club. Sidney Hecker, foreman of the composing room of The Herald-Republican, will tell "What Late Coyp Means," and George T. Ensign, foreman of The Evening Telegram, will speak on "Ad Alley Troubles." There will be a general discussion, and the customary luncheon.

Milk Supply Better—State Chemist Harms has just completed the analysis of 12 samples of milk and one of cream selected at random from the products of that number of dairies. He found all of them right up to the mark. The local food officials consider that the recent agitation on the milk question has resulted in an absolutely pure supply of milk for this city for some time to come.

Apply For State Water—V. A. Tanney of St. George filed application yesterday afternoon with the state engineer for 10 second feet of water from Quail or Harrison creek, for irrigation. T. J. Yates of this city asks for 20 second feet from Deer Creek in Washington county for power purposes. The Castle Valley company apply for 150 feet from the Green river near Huntington, with which to operate three water wheels developing 2,500 horse power.

Body of Warren Foster Here—The body of Warren Foster arrived in the city yesterday afternoon from Ogden, and was taken to the I. O. O. F. hall in Postoffice place where it will lie in state for one week, when it will be taken to Denver for cremation. The funeral services over the remains will be held in the I. O. O. F. hall Sunday morning at 10 o'clock and the start for Denver will be made at noon. Horace Foster, a brother of the deceased, and De Witt Foster, a son, will accompany the body to Denver.

Men Discuss the Church—Over 60 men, members of St. Paul's Episcopal church, met Monday evening in the rectory to discuss the charges being made through current magazines that the church as a body is losing ground, mostly through neglect of opportunities—sins of omission. Prof. Marshall of the state university led the speaking, stating that the magazine writers partially told the truth, but in no case were their articles complete. They tended toward the sensational, and in many cases failed to stick to fact. But for the influence of the Christian church, college and hospital endowments would not be known. The meeting discussed how to bring more men into the churches, and it was decided that a lack of cordiality was partially responsible.

RIVAL DRUM CORPS IN WAR FOR NOISE

Republican Organization Forced "Americans" to Stay in the Barn Last Night.

Bitter rivalry exists between the Republican and "American" drum corps to see which organization can make the most noise. The leaders are drilling their men about four hours a day and then parade the business streets at night. When the Republican drum corps appeared last night for the first time with new instruments and uniforms, the "Americans" decided to keep their corps in the barn for a day or two until they could make more noise. The Republicans have secured the services of 20 out of the 25 men in the "American" drum corps of two years ago. This left the "Americans" in bad shape to begin with, but they are securing new recruits every day.

The "American" drum corps was to make its first appearance last night. The drummers and fifers were adjusting their new uniforms when the Republican organization came marching up Second South street. They serenaded J. E. Darmer, in his headquarters over a saloon, while he was trying to figure out how many Lippman men he could force upon Mayor Bransford in case the latter was elected again.

The martial strains of music made his blood tingle and he arose from his desk, put up the window and shouted, "Thank God for the 'American' party."

As the corps marched up the street, he turned and inquired of one of his lieutenants: "Is that our drum corps?" The lieutenant shook his head. Darmer immediately ordered the "American" drum corps not to appear on the street because they would be drowned out with noise. A half dozen men are searching the city today for new recruits for the "American" drum corps. "We propose to make the most noise in this campaign," Mr. Darmer said, "if we have to levy another campaign assessment."

FRIGHTFUL FATE AVERTED.

"I would have been a cripple for life, from a terrible cut on my knee cap," writes Frank Disberry, Rethlher, Minn., "without Bucklen's Arnica Salve, which soon cured me." Infallible for wounds, cuts and bruises, it soon cures Burns, Scalds, Old Sores, Boils, Skin Eruptions. World's best for Piles. 25c at Z. C. M. I. Drug Dept., 112-114 So. Main St., Salt Lake City.

TO OPEN NEW QUARTERS.

Suite in Newhouse Building Tendered By Owner.

The Democrats and Citizens have been tendered a suite of reception rooms in the Newhouse building by Samuel Newhouse for the municipal campaign. Ben T. Lloyd accepted the offer from Mr. Newhouse and the rooms will be fitted up in a day or two. These headquarters will be opened to voters of Salt Lake who are in sympathy with the fusion movement and a business administration in city affairs and their friends. The joint committee of the Democrats and Citizens have drawn up resolutions of thanks to Mr. Newhouse for his kindness and generosity.

The headquarters on the ground floor of the Colonial theater building will also be maintained.

The Democrats and Citizens are placing more decorations in their headquarters today. They have placarded the windows and have ordered banners which will be stretched across Third South street and at the entrance of headquarters.
