BASEBALL WAR IS NOT IMPROBABLE

An Invasion Into American and National Territory by Association Sure to Cause One.

Cleveland, O., Nov. 30.—That the report of an American association invasion of American and National league cities and the precipitation of a baseball war is not all rumor was given confirmation here yesterday by W. F. Kirick, county commission of Cuyahoga county, who asserted that he and associates had the promise of an American association franchise and were closing a deal for a park.

Firick declared it his intention to obtain a park on the west side, at least five miles from the American league park here, and explained that his associates and those who promised a franchise for Cleveland planned to give this city games in the absence of the American league club.

COAST BASEBALL.

Stockton, Cal., Nov. 29.—The Athletics were defeated by the All-Nationals, 4 to 1, in a fast game here this afternoon. Willis of the San Francisco team was invincible until the ninth inning, when three hits saved a shut out. Catcher Bliss of the Nationals broke his right leg sliding to second:

SIX PLAYING FOR CHAMPIONSHIP

New York, Nov. 28.—A triple tie for the world's professional 18.2 balk-line billiard championship resulted from today's play in the tournament at Madison Square Garden. In the afternoon George Sutton of Chicago defeated Firmin Cassignol, French champion, and tonight Calvin Demarest of Chicago won from George Slosson, the New York player.

The two winners of today, therefore, are tied with Harry Cline of Philadelphia, each having completed his schedule with four games won and one lost. The standing of the six contestants for the championship follows:

	Won.	Lost.	P.C.
Cline	4	1	.800
Sutton	4	1	.800
Demarest	4	1	.800
Slosson	1	3	.250
Cassignol	1	4	.200
Cutler	0	4	.000

One game is still to be played in the regular series between Slosson and Cutler. This will be decided Thursday afternoon, while the triple tie for first place will be played out in three games. Demarest meeting Cline Wednesday, the doser of that match playing Sutton Thursday and the winner of the two matches playing on Friday.

The Demarest-Slosson match tonight was a close argument for the first half of the game, but in the latter half Demarest scored heavily, going out in the 22nd inning with a brilliant unfinished run of 82, winning by a score of 500 to 284.

Slosson made a remarkable run of 123 in his eleventh, finally missing a three-cushion try by the narrowest margin. This sent the Slosson score up to 191 against 115 for Demarest, but the Chicago player overcame this lead with a series of two figure runs and kept his lead for the rest of the contest.

Demarest played rapidly and brilliantly throughout the contest, making his final run of 82 in less than eight minutes.

Score: Demarest—1 1 3 0 44 1 23 35 0 0 11 50 14 42 21 19 25 1 10 1 1 28 8 9 0 49 1 0 32 2 82—500. Average, 15.20-32; high runs, 82 49 44.

Slosson—4 0 14 0 0 0 4 21 23 2 123 1 10 5 0 25 1 33 2 0 9 7 10 9 2 35 12 1 1 7—284. Average —11.23-31; high runs, 123 35 33.

Sutton defeated Cassignol at the afternoon game by a score of 500 to 467. The French champion began his game brilliantly, gaining a heavy lead on Sutton in the fourth inning by a run of 125, followed up in the fifth by a run of 75. Sutton added only 7 points to his score in the next five innings, but began a series of two-figure tallies in the eleventh, taking the lead from Cassignol in the fifteenth.

Sutton held his advantage until the twentieth, when Cassignol made a run of 94 and took the front for a single inning, until Sutton regained his place with a tally of 47. The game ended in dull fashion in the twenty-fifth inning. Score:

Sutton—6 2 25 57 17 1 0 2 3 1 61 4 40 74 24 3 74 5 2 35 47 0 1 5 9—500; high runs, 76 74 61; average—20.

AUSTRALIANS WIN.

Sydney, N. S. W., Nov. 29.—The Australian defenders of the Dwight F. Davis challenge cup defeated the Americans in straight sets in the doubles of the international tennis tournament today.

The Australasians showed the better judgment and won by magnificent volleying and prompt rallying at critical moments.

Score: International doubles—Norman E. Brooks, Victoria, and A. E. Wilding, New Zealand, defeated Maurice E. McLoughlin and Melville H. Long, United States, 12—10, 9—7, 6—3.

The Californians made a splendid fight though McLoughlin was erratic. Long's service was masterly.

The weather was bright and warm and the court fast. The attendance was excellent.

AMERICAN GOLFERS GOING TO ENGLAND

New York, Nov. 30.—A number of professional American golf players will be sent to Great Britain this winter for the international championship match. The Eastern Professional Golfers' association is preparing a challenge to the British Professional Golfers' association and Alec Smith, champion of the eastern body of this country, has been chosen captain to perfect details.

Well known resident professionals, who intend to sail shortly include Alec Smith of Wykagyl, H. H. Barker of Garden City, Isaac Mackie of Fox Hills, James Madden of Nassau, Gilbert Nichols of Wilmington, Dave Hunter of Essex county, and Peter Robertson of Pittsburg.

LONG SHOT WINS ON OAKLAND TRACK

Oakland, Cal., Nov. 29.—Binocular, a 2-year-old quoted at 25 to 1, scored a clever victory in the Antioch handicap at Emeryville today. Some of the cleverest sprinters at the track faced the barrier with Early Tide an even money favorite. Early Tide raced out with Cloudlight and the pace told on both of them. Rey Hindoo assumed command in the stretch, but Binocular came with a rush and beat him a length. Favorites did not fare well in some of the other events. The track was still somewhat slow.

Bookmaker Charles Brown, arrested with E. D. Martin on a charge of violating the anti-gambling law on Nov. 27, by taking a bet for $2 at the Emeryville race track, was held today to answer before the superior court. Bail was fixed at $1,000. The case against Martin has been dismissed on the ground of insufficient evidence.

The results:

First race, five and a half furlongs—Roy T. 107, Sullivan, 7 to 2, won; Sir Barry, 110, Baird, 4 to 1, second; Louis Strauber, 107, Callaghan, 8 to 1, third; time—1:08 3-4. Bold, Lookout, Miss Naomi, Micsela, Coriell, Schmoeser and El Paso finished as named.

Second race, six furlongs—Judge Quinn, 107, Archibald, 2 to 1, won; Helen Carroll, 100, Glass, 7 to 1, second; Alder (Buff), 99, Kederis, 8 to 1, third; time—1:15. Balronia, Meltondale, Redeem, Airie Fairie, Rabble and Mrs. Dot finished as named.

Third race, one mile—Merchant, 111, Lewis, 6 to 1, won; John Louis, 109, Van Dusen, 16 to 5, second; Boggs, 106, Archibald, 13 to 10, third; time—1:41. Follis G. Bexu Man, Round and Round, Edwin C. Fryer and Belle Farrow finished as named.

Fourth race, futurity course, Antioch handicap—Binocular, 88, Kederis, 25 to 1, won; Rey Hindoo, 108, Cavanaugh, 10 to 1, second; Early Tide, 118, Archibald, even, third; time—1:10 1-5. Cloudlight, Prejudice, Nagasam, F. Nugent and Cymbal also ran.

Fifth race, five and a half furlongs—Salinet, 107, Walsh, 5 to 1, won; Incidentel, 110, Archibald, 2 to 1, second; Phillistina, 107, King, 7 to 1, third; time—1:08 1-5. Lena Leech, Birth, Ybor, Argonaut and Alness finished as named.

Sixth race, seven furlongs—Buckthorne, 108, Cavanaugh, 12 to 1, won; Vojoski, 107, Walsh, 11 to 5, second; Maurelania, 108, Archibald, 9 to 5, third; time—1:27 2-5. Fordello, Heather Scot, Cadichon, Grace G. and Bellasloher finished as named.

Lewis Strang is Hot After American Straight Away Auto Record

Chicago, Nov. 30.—With Lewis Strang at the wheel, the Fiat 130-horsepower "Baby," speed sensation of the Atlanta motor carnival, will be sent against the American straightaway road record on the Cobe course near Crown Point, Ind., next month, according to plans announced yesterday by Harry T. Clinton of the Chicago branch.

Chicago motorists, who have seen the "Baby" in action predict an average speed of better than 100 miles an hour over the Hoosier boulevards with Strang as pilot.

Steps will be taken at once to measure off a stretch of road two miles in length to permit of a flying start and a driving finish, the object being to smash the record, now held by Barney Oldfield, prior to the opening of time trials at Indianapolis on Dec. 11. Eddie Hearne, the Chicagoan who participated in the last Vanderbilt event, will handle the stock car to go also against time.

One of Four California Clubs Will Land Championship Fight

New York, Nov. 30.—With the arrival today of Eddie Graney of San Francisco, the four promoters who are the most serious competitors for the Jeffries-Johnson prize fight, are in the city, and tomorrow morning at 11 o'clock they will personally attend the opening of the official bids at Hoboken. Thomas J. McCarey of Los Angeles arrived last night and James Coffroth and Jack Gleason of San Francisco have been here for several weeks.

Each of these four men has submitted a certified check for $5,000 with his bid, and it is believed that the largest sum ever guaranteed for a fight will be offered. It is practically certain that the fight will be held in California. While there have been numerous spectacular bids from other states, both Johnson and Jeffries have agreed that the fight can be held only in California, and that, therefore, one of the four California bidders will get the contest.

As the police would not permit the opening of the bids in this city, arrangements were made to execute this formality across the river in Hoboken, and it is expected a large delegation of sporting men will accompany the fighters and promoters tomorrow.

NO EFFORT TO GET MICHIGAN BACK

May Stay Out if She Prefers—No Game With Chicago Next Fall.

Chicago, Nov. 30.—University of Chicago professors announced yesterday that they would make no move to get Michigan back into the conference or to endeavor to secure the Michigan-Chicago football game for next fall.

In the first definite statements they have made on the subject of the big five, the contemplated reunion of Michigan and Chicago and the reign of harmony in the conference, members of the Chicago board of physical culture and athletics said they were not in sympathy with the student movement. Michigan may return or stay out, as she prefers, the midway officials stated.

"The Chicago, in my opinion, should not do any more than say that she would be glad to have Michigan back in the conference," said Prof. Henry G. Gale of the athletic board. "If Michigan comes back, she must come of her own free will. Michigan left that way and should come back that way. The talk about the 'big five' is unwise, and it seems to me that Chicago owes far more to the smaller colleges who have remained loyal at all times."

WARD DOESN'T WANT BASEBALL JOB

New York, Nov. 30.—John M. Ward, who has been prominently mentioned as a candidate for president of the National baseball league, declares in an interview that he is not the particular man of Charles W. Murphy of Chicago or any other magnate.

"I am not looking for this place," said Mr. Ward, "and I am not trying to push any man out of position, or looking for a place that rightfully belongs to another man. I don't know President Heydler personally, but I have heard nothing but good about him. I have only a slight acquaintance with Charles W. Murphy and he simply knows me as an old baseball man, and occasionally has invited me to the National league baseball park when I have been in Chicago. That's all the acquaintance I have with him."

LAKE MAY MANAGE PHILLIE CLUB

Philadelphia, Nov. 30.—More sensations developed in the baseball situation yesterday when an unofficial statement was made in the new office of the Philadelphia baseball club that Fred Lake, manager of the Boston American league baseball club last season, is the latest man on whom the owners of the Philadelphia club have turned their efforts to secure a competent manager to succeed William Murray, the incumbent.

The statement was made, however, that negotiations for Lake are to be governed entirely by the result of the effort to secure John Kling, former Chicago catcher, who is under the ban of the National commission.

Under the new arrangement Fogel will remain as president, while the offices of Treasurer Elliott and Secretary Conway are to be advanced so as to make room for Morris Sheck as secretary.

WILLIE HOPPE AND ORA MORNINGSTAR

New York, Nov. 30.—Willie Hoppe and Ora Morningstar, between whom there has been much controversy concerning the championship at 18.2 balk-line and 18.1 balk-line billiards, are arranging a match for the American championship, regardless of the tournament which has been held in this city. Eddie Graney, the promoter, who is here to bid on the Jeffries-Johnson fight, is negotiating to have Hoppe and Morningstar matched for six nights' play of 3,000 points at 18.2. It is said the match will be held early in the New Year in San Francisco.

WOLGAST BEATS POWELL AT FRISCO.

Clever Lad From Milwaukee Makes Showing Entitling Him to Fight With Champion Nelson.

San Francisco, Nov. 29.—Ad Wolgast of Milwaukee was given the decision tonight over Lew Powell at the end of 20 rounds of fast and at times bloody fighting. Wolgast had the better of the contest from start to finish, and his whirlwind rushes and aggressive in-fighting proved a combination that the loval fighter was unable to meet.

Powell was the favorite at odds of 10 to 8 and he was backed for thousands. It now is conceded by all that Wolgast, after his showing against the Californian, is the legitimate opponent of Champion Nelson.

The fight tonight was remarkable for the terrific clip the fighters maintained and the disinclination at any time to break ground or shirk punishment.

Wolgast opened the battle as if he intended to make a runaway fight of it. He fairly dazzled Powell with his speed and his aggressive fighting at close range was a revelation. Time and again he drove right and left short arm blows to the body and jaw and kept his arms going with such pistonlike regularity that Powell was all at sea.

DETERMINED RUSHES.

Try as he might, he could not elude the Milwaukeean's determined rushes and the best he could do was to protect himself, let alone administer any punishment. Wolgast devoted his early attacks to the kidneys and soon great red blotches bedecked Powell's back. The men fought almost constantly at close range throughout the entire battle, and while in this position Wolgast sent in smash after smash on the Californian's jaw and face and soon the blood was spouting in streams from his mouth and nose. One round was a repetition of the other, with Wolgast invariably holding the upper hand.

In the twelfth round Powell made his only showing. It was the most vicious round of the fight, and for a moment it looked as if Powell might turn the tables. He sent in several ponderous right smashes as the easterner rushed in, and forced him to stall most of the round out. Toward the close of the round, however, Wolgast cut loose again, and after administering a fearful beating to the Californian, the latter went to his corner in a semi-groggy condition.

Wolgast again took the lead and held it to the end, all the time punishing Powell severely about the face and bringing fresh blood in almost every round. Old ring followers said after the fight that not since the days of George (Kid) Lavigne has a fighter created the impression left by Wolgast. His speed and endurance and aggressive qualities were marvelous. Powell's punches had little if any effect on him.

He also showed himself to be the possessor of a powerful punch, and it was only Powell's wonderful ability to absorb punishment that prevented a knockout.

Powell, although beaten, was not disgraced. He fought a stubborn, game fight, but lost to a better man.

Powell's face was badly disfigured at the end of the contest, and his body also showed evidence of Wolgast's punches. Wolgast did not go scot-free, his left eye being badly swollen, his lips split and his nose somewhat lacerated.

GOOD SHOWING MADE BY ROLLER

Detroit, Mich., Nov. 29.—Dr. B. F. Roller, wrestling champion of the Pacific coast, held Frank Gotch, world's heavyweight wrestling champion, 15 minutes without a fall tonight at an exhibition here.

The men sparred five minutes before going to the mat, and at the end of 13 minutes Roller regained his feet.

Gotch had Roller twice in close quarters, but the westerner worked himself out of danger each time by a supreme effort. In the last two minutes Roller broke nearly all of Gotch's favorite holds.

Gotch threw Jack Asman of Kansas City twice in seven minutes.

JOHNSON IS WISE.

Savannah, Ga., Nov. 29.—That he would not fight James J. Jeffries south of the Mason and Dixon line was the statement made today in a telegram to Manager Nick Aprea of a Savannah Athletic club by Jack Johnson, heavyweight pugilist, in answer to the latter's offer of a purse for the battle.

FIGHTERS AGREE.

San Francisco, Nov. 29.—Fighting Dick Hyland and his manager, Billy McCarney, will leave Wednesday night for Kansas City, Mo., where Hyland is scheduled to fight Cyclone Johnny Thompson on Dec. 13.

A difference of opinion on the weight question threatened to cancel this bout, Thompson demanding catchweights while Hyland held out for 125 pounds at 3 p. m. Thompson finally yielded and the men have posted $500 each as a weight guarantee.

POLE BEATS ITALIAN.

Chicago, Nov. 29.—Stanislaw Zybszko, the big Polish wrestler, toyed with Leo Pardello, the local Italian heavyweight, in their bout here last night.

Pardello, who weighed about 40 pounds less than the Pole, tried rough tactics and as the result both men went outside the ropes twice, but neither was hurt. Zybszko soon cornered Pardello and getting a crotch and wrist lock forced the Italian to the mat in 3:56. In the second encounter Pardello was thrown with a crotch and half-Nelson in 7:42.

COLLEGIATE BASKETBALL.

Philadelphia, Nov. 29.—The collegiate basketball rules committee will hold four meetings in as many different sections of the country next Saturday to discuss basketball rules for the coming season.

The eastern meeting will be held in New York. One meeting will be at Chicago for the western conference, one at Lawrence, Kan., for the south and middle west and one at Portland, Or., for the Pacific coast colleges. The rules committee will be represented at each meeting.
