NOW FOR

15,000

By January 1, 1900, the DESERET NEWS hopes to be able to record that the Semi-Weekly Edition has reached the 15,000 mark. That figure can undoubtedly be attained if our agents will work with the same will between now and Jan. 1 that they have done in the past ten months. We sincerely thank all our representatives for their previous hearty endeavors, and trust they will do all in their power to help us reach the 15,000 goal by the NEW YEAR.
