### Ivor Ajax.

Ivor Ajax is a rising young musician, and a native of Utah. He was born about twenty years ago in Center, Tooele county. He comes from a musical family. His parents came to Utah, from South Wales, some thirty-five years since. Young Ajax has a gathiu to his lire, both in composing songs and the music thereof. His productions have been published in Chicago and other eastern cities and are becoming popular among some of the most musical singers of the country. One of his productions, the Extended March, is likely to become especially popular. Three of his latest songs, published by Dayton and Chester of this city, are Love Pass Come to See You; Her Lips, They Pouted Not; and A Mother's Warning.

Do you remember the adage that "Forewarned is better than cured?" This is just the time of the year to use some a little care to prevent sickness. Go get some Simmons Liver Regulator, liquid or powder, and take it to put your body of any toxic and tone up the system. It will save much suffering and life. "It is a safe and reliable medicine and a great preventive of sickness."—Rev. Jas. Hallen, Fairbury, Pa.
