## RAPID TRANSIT MAY SUE DEPREDATORS

Individuals and Not the City Corporation Held Responsible for Removing Track.

### LAST DAY OF REGISTRATION.

List of Registrars and Registration Places for City Voters—Other Junction City News.

Ogden, Oct. 30.—Nothing new was sprung on the public in the contest between the Ogden Rapid Transit company and certain city officials, who took up the track over the Ogden river bridge on Thursday night last, but it is rumored on the streets and apparently comes from those who know, that a big surprise will be sprung this week in the shape of a suit for damages against Ogden City.

The streetcar company does not, however, recognize Ogden City as a party to tearing up the rails, as the act was not official, and no authority was given by the city to those individuals who tore up the track. This may result in damage suits being instituted against each of the parties who engaged in the track tearing Thursday night.

The legal adviser of the company, C. C. Richards, says that Ogden City has not only not interfered with the laying of a double track, but that the city officials have inspected and approved the work.

Mayor Glasmann is firm in his denial that the action of the city officials was a political move on the part of the Republicans and he maintains that he and the others did only what they thought was right in the premises.

## Hung On a Single Thread With Heart Disease.

You should never wait until your life hangs in the balance before you give the necessary aid to your sick heart.

A weak heart is always serious, for it affects every organ of your body through its inability to purify and keep the system supplied with pure, rich, life-giving blood.

Any indication of heart trouble, such as shortness of breath after exercise, redness of face, hot flushes, oppressed feeling in chest, weak, hungry spells, palpitation, dizziness, sudden starting in sleep, irregular pulse, is serious, and should be cured at once.

The safest and surest treatment is Dr. Miles Heart Cure, a nerve and muscle builder, a blood tonic. It acts directly on the heart nerves and muscles, giving them strength and vigor, and relieves every symptom of a sick heart.

Your life depends upon your heart, and a weak, diseased heart, like a single thread, can endure but little.

"I suffered for years with my heart. At times my life hung by a single thread. A number of physicians and an eminent specialist treated me. Without the knowledge of my doctor I took Dr. Miles' Heart Cure. It lifted the pains from my heart, and caused a free circulation of blood. I am now able to attend to my affairs, something I had never hoped to do again."—MR. JOHN KOELGES, 186 Clinton St., Cleveland, Ohio.

### RESIDENCE BURGLARIZED.

Mr. and Mrs. Ezra Richardson Robbed of Silverware and Clothing.

Ogden, Oct. 30.—The residence of Ezra Richardson at 2201 Grant avenue was entered Saturday evening by thieves, a number f the rooms ransacked and a considerable quantity of silverware and some clothing stolen. Mr. and Mrs. Richardson were away from their home in the early part of the evening and upon their return a few minutes before 11 o'clock the burglary was noticed. Police headquarters was notified and Sergt. Tout and Officer Morrissey answered the call. An investigation of the place revealed the fact that silverware and clothing had been taken, but the value of the same could not be ascertained until an inventory was taken by Mr. Richardson. The criminals were shrewd in their method of operating, selecting a time when they knew both Mr. and Mrs. Richardson to be away from home.

### A. O. U. W. APPEALS.

Hard Fight Against Payment of Student Life Insurance.

Ogden, Oct. 30.—Attys. W. L. Maginnis and John E. Bagley, representing the defendant in the case of Annie C. Studer against the Ancient Order of United Workmen, filed Saturday in the office of the clerk of the district court, a motion for a new trial.

The case, which is a suit to recover damages on a life insurance policy issued by the defendant to William Studer, deceased, was recently tried in the district court before a jury, who returned a verdict for the plaintiff for the sum of $2,000, with interest. The motion for a new trial is based on errors in law alleged to have been made at the trial of the case, to which exceptions were taken. T. D. Johnson is attorney for the plaintiff.

### DIVINITY OF BOOK OF MORMON

Large Congregation Listens to Address of Elder B. H. Roberts.

Ogden, Oct. 30.—A congregation which filled the Tabernacle to its utmost capacity and crowded to the doors, listened to the excellent discourse of Elder B. H. Roberts yesterday afternoon on the "Divinity of the Book of Mormon."

The speaker was listened to with a great degree of interest and the truths which he promulgated were driven home with telling force. He told of the discovery of the golden plates by the Prophet Joseph Smith, their translation and the testimony of the witnesses to their authenticity—evidence which, if given in a court of justice, would sway the scales of justice in their favor. The speaker quoted a number of Bible quotations to show that in the latter days a book should come forth which should be a guidance to the children of God.

### ANDREW ANDERSEN DEAD.

Faithful Veteran of 70 Years Goes to His Reward.

Ogden, Oct. 30.—Andrew Andersn, 70 years of age, died last night at the family residence, 2234 Monroe avenue, of asthma, from which he has suffered for some time. Surviving him are a wife and several grown up children.

The deceased was a member of the Church of Jesus Christ of Latter-day Saints and came to this country many years ago from Norway. He was a faithful Church member all his life.

The funeral services were held this afternoon at the Fourth ward meetinghouse. Several speakers spoke in terms of eulogy of the noble life of the deceased. Interment was in Ogden City cemetery.

CHILDREN'S HALLOWE'EN PARTY.

About 100 children who visit the youths' reading rooms in the city library were given a Hallowe'en party Saturday afternoon. The rooms were decorated with Jack-o'-lanterns and presented quite a pretty appearance. Three of the library attaches, dressed to represent legendary characters associated with Hallowe'en, told the children interesting stories. A prize was given to the boy and girl whose birthday ocurred on Hallowe'en and Martha Wallace and Charles Riddeau were the lucky ones.

LIVELY RUNAWAY.

A team of runaway horses, belonging to William Stewart of Warren, dashed madly up Twenty-fourth street late Saturday afternoon, and after avoiding the numberless rigs that throng that thoroughfare on market day, collided with a telegraph pole in front of the Eccles' building and were stopped. The wagon pole was broken and the harness quite badly damaged.

NARROW ESCAPE FROM INJURY.

Just before the football game was over at Glenwood Park Saturday afternoon an accident occurred in which Mr. and Mrs. S. L. Ives and Mr. and Mrs. C. V. Zinn had a narrow escape from serious injury and possible death. The four parties mentioned were in Mr. Ives' surry. As they were driving out of the grounds one of the wheels caught against the side of the gate, the horse shied quickly to one side, the occupants of the buggy were thrown out and Mr. Ives, who held to the lines, was dragged quite a distance until the horse finally broke loose from the rig. The buggy was badly broken but not one of the occupants was injured.

HURD-LARKIN NUPTIALS.

William J. Larkin of Snowville, Boxelder county, and Miss Elizabeth Hurd of the same place are visiting in Ogden. They will go to Salt Lake City Wednesday and be united in marriage at the Temple.

CITY ADVERTISING SCHEME.

J. W. Fawkes, Jr., of San Francisco, president and manager of the Scenic Display company, incorporated, is in Ogden with a view of establishing a display board at the corner of Twenty-fifth street and Washington avenue. The scheme is to advertise Ogden by posting up on a large board, views of this city. This board will be about 25 or 30 feet long and about four feet wide. In other western cities the same will be done and then an exchange of displays will be made and the people of this city will have the opportunity of seeing the photographs of principal points of interest, buildings, etc of San Francisco or some other city.

## WANTS TO BUILD BIG RESERVOIR.

Utah Light & Railway Company Files Petition With Weber County Board.

### WOULD CHANGE COUNTY ROAD.

Matter Discussed Briefly and Continued Till Future Date—Desperate Hold-up at Large.

Ogden, Oct. 30.—A petition was presented to the county commissioners this morning by the Utah Light & Railway company, and others, asking permission to build a storage reservoir in which to store the flood waters of the Ogden river, and large enough to contain 2,000,000,0000 cubic feet of water, and capable of irrigating 2,700 acres of land.

The company states in its petition that it proposes to build a dam at the main head of Ogden canyon, known as Shanghai Flat, said dam to be completed in three years. The water will be used for power and irrigation purposes, and will largely benefit the Weber and Salt Lake valleys. The flood waters will be backed from the point of the mountain east of the power resort to near the Ogden Valley creamery, half a mile up the canyon. If permission is granted the company proposes to change the canyon road from a point near Potter's resort, building it on the mountain side at the crest of the dam, the grade to be not more than 2 per cent, and to continue on the north side to the bench above the conserved water, so that the people of Eden may enter from the west side instead of the south, as is the case at the present time. For the people of Huntsville the new road will run across the top of the dam to the south side of the river and along the mountain side on the south to a point south of the city of Huntsville, the people entering there from the south instead of the west, the present road to be moved and the new one built at the expense of petitioners. The petition is signed by E. W. Wade, commercial agent of the Utah Light & Railway Co.

At this morning's meeting of the board, the matter was briefly considered and continued till a future date.

HOLDUP AT LARGE.

The Ogden police had considerable difficulty last night pursuing a highwayman. Shortly before 11 o'clock Lewis Leavitt, residing at 415 Twenty-seventh street, while on his way home was stopped by a man at Twenty-sixth and Washington avenue, and, as a gun was shoved into his face, he was commanded to hand over his money. Leavitt is a young man about 19 years old, and became thoroughly frightened. Instead of doing as he was told, he turned and ran to the Coxey livery stable, where he telephoned the police. While the officers were searching for the holdup the latter attempted to stop a buggy that was being driven by George Wright and Rector Ramson at Twenty-ninth and Washington avenue. The description of the highwayman as given by all parties corresponds, but all efforts to locate the fellow were of no avail. Early in the evening a man answering the same description was seen prowling about the house occupied by Thomas Emmett, 205 Twenty-seventh street. He was frightened off by Mr. Emmett before he had an opportunity to do anything.

BRIEFS AND PERSONALS.

Simon Bamberger was in Ogden Saturday last with a view of letting the contracts for work on his line to the mouth of Ogden canyon. The four contractors who have been looking over the proposition with a view of making bids stated that they were not ready to put in bids yet and asked for an extension of time. Mr. Bamberger granted their requests and the bids will be opened Wednesday next and the contract given.

"It's against the law to distribute handbills on the sidewalk," said a friend to Ira Waldron Saturday evening. "I don't care," said he, "if I am arrested it will make good advertising for my firm." About an hour later he was taken into custody and booked at the city police station on the charge of violating the city ordinance against the distributing of handbills. Waldron littered the sidewalks of Washington avenue with thousands of small handbills.

Funeral services over the remains of the late Marguerite Light, the 15-year-old daughter of Mr. and Mrs. William Light, were held at the First Baptist church at 2 o'clock yesterday afternoon, Rev. Horace Blood officiating. The services were largely attended and the floral offerings were both numerous and beautiful. Interment was in the Mountain View cemetery.

A team belonging to J. M. Wilbur of Huntsville was taken from in front of the Oaks about 7:30 o'clock last evening, and all efforts to locate it were unsuccessful. Another horse and buggy that William Chappel had hired was stolen from Twenty-second street, where he had left it hitched to a post, and was later found by several boys near the Ogden river bridge.

### HALL CAINE TALKS.

Praises Roosevelt and King Edward, Calling Kaiser Pagan.

New York, Oct. 29.—Hall Caine delivered an address to the Young Men's Bible class of the Fifth Avenue Baptist church today, at the invitation of John D. Rockefeller. Mr. Caine said that his address would in all probability be his "last word" in America to his American friends. Mr. Caine spoke on the perils of national progress, and referring to recent disclosures of the way wealth is acquired, asked if it were not as true of the nation as of the individual that it is easier for a camel to go through the eye of a needle than for a rich man to enter the kingdom of heaven. National progress and prosperity are often bought at the cost of every Christian principle, as was shown by the policy of the great nations in relation to the drink traffic and the settling of international disputes by war.

Mr. Caine paid a high tribute to President Roosevelt as one of the few statesmen since Mr. Gladstone who approached public affairs from the ethical standpoint, and said that the king of England was recognized throughout the United States as one of the wisest and most potent factors in the sphere of public affairs. On the other hand, the German emperor, Mr. Caine said, while a Christian as a man, was a pagan as a sovereign and a peril to the peace of the world in his faith in the power of his sword.

### Mining Engineer Mardered.

San Francisco, Oct. 29.—Passengers arriving today on the steamer City of Topeka, from the Mexican coast, bring a story of the death of John O'Dea, an American mining engineer, who was murdered some weeks ago while on his way from Hermosillo, the capital of Sonora, to the mines in the interior of the state. O'Dea was formerly identified with mining in this state. He sailed some weeks ago for Guayamas and upon reaching Hermosillo engaged a mozo, or native servant, to guide him to mines in the interior.

When only six miles out of Hermosillo, according to the story brought by the City of Topeka, O'Dea was shot in the back by his Mexican guide. His body was found by travelers and taken to Hermosillo.

### Japanese Naval Heroes Honored.

Tokio, Oct. 29. Noon—The great Shito rites in memory of the naval officers and men who were killed during the war were held today at Aoyama cemetery. Beside the admirals, officers and sailors, hundreds of civil dignitaries were present. Admiral Togo addressed the departed spirits, eulogizing their noble deeds in battle and their gallant cooperation which resulted in the sacrifice of their lives. He humbly asked repose for the spirits whose exemplary deeds in life had eminently contributed to the victory over a powerful enemy. While reading his address Admiral Togo was seen to be stirred with strong emotion which was in contrast with his calm demeanor while on the bridge of the Mikasa during the hottest battles. The ceremony was most impressive and calculated to leave a lasting impression on those who witnessed it. Thousands of sailors marched to the accompanying strains of music to the cemetery and afterward to the naval club.
