COMMENCEMENT ON JUNE 4.

White-Martin Nuptials — Departing Missionaries—Death of Little Child —News Briefs.

In the year just closed the Weber county schools have had one of the most successful years that they have ever had. Superintendent Wilson says the attendance at the schools in most of the districts has been very good and the work accomplished satisfactory to himself and the able teachers who have had charge of the different schools. It is expected that over 100 boys and girls will graduate this year from the eighth grade, which of itself is an evidence of the efficiency of the county schools and the work accomplished during the year.

The examination of all candidates for graduation from the eighth grade in the county schools will be held at the Weber Stake academy building Friday and Saturday, May 27 and 28. The superintendent and trustees have decided to hold the county school commencement exercises at the Ogden tabernacle Saturday morning, June 4, at 11 o'clock.

The county school teachers' institute will be held tomorrow, Saturday, at 11 o'clock at the county court house, at which time the arrangements of the commencement program and other matters pertaining to the schools will be considered.

I presented her with a bottle of Chamberlain's Pain Balm and after a few applications she decided it was the most wonderful pain reliever she had ever tried, in fact, she is never without it now and is at all times able to walk. MOUNT PLEASANT.

SMALLPOX EPIDEMIC.

All Public Assemblies Suspended—Failure of Waterworks System.

Special Correspondence.

Mt. Pleasant, Sanpete Co., May 19.—Smallpox has broken out in this city to an alarming extent. Within the last two days a number of cases have developed, and many more are under surveillance by the city physician. This condition of affairs has caused the closing of the district school, and the Wasatch academy, all within one week of graduation exercises. The suddenness of this outbreak is said to be due to a family who took the disease some two weeks ago, and never reported it to the board of health, but on the contrary permitted their children to attend school and attend social gatherings, where so many have been exposed to the disease. The community is considerably worked up over the negligence of the afflicted family in not reporting to the city physician, and if the people had their way they would like to see people of that kind prosecuted. All public gatherings have been suspended.

The system of waterworks recently installed seems to be giving the contractors considerable trouble. There seems to be a continuous leaking of the pipes all over the city, and as yet they are far from controlling this defect in the pipe. No effort has yet been made to connect the system with the dwellings, owing to the leaking of the pipes.

The sheepmen have never had a more prosperous year with their flocks, than the one just past. No losses have been sustained of any consequence; the clip has been good, and a fairly good price has been realized for the wool.

PANGUITCH.

FOUND DEAD IN HIS ROOM.

Aged Watchmaker Succumbs to Paralysis of the Heart—Crops Look Fine.

Special Correspondence.

Panguitch, Garfield Co., May 17.—Yesterday an aged gentleman who has lived in the community for a number of years, following the business of watch repairing, was found dead in his room by Stephen Walker, who happened to call on business. The city marshal, Richard Judd, took charge of the remains. No inquest was held as it was the general opinion that he died of paralysis of the heart. He had been ailing for the last few days. Very little is known of the old gentleman. He was a very modest and well behaved man. Nothing is known of his history. His letters show that he has a sister in Madison, Wis., Mrs. Tennie Jacobson. It was supposed he had considerable money in his possession, but up to this writing only about $13 has been found. The funeral will be held today.

Elder Wm. Prince is seriously ill at his home here.

Crops are looking fine, and the farmers are rejoicing, while the sheep men are jubilant over their wool crops and future prospects.

OAKLEY, IDAHO.

NOW AN INCORPORATED TOWN

Boon in Minidoka Canal Lands—Stake Conference—Promising Crop Outlook.

Special Correspondence.

Oakley, Cassia Co., Ida., May 17.—The stake conference held at this place some time ago was largely attended and was a pronounced success.

TOWN INCORPORATION.

Oakley has been incorporated as a town, with S.P. Worthington as mayor; George Craner, recorder, and D. P. Thomas, D. P. Alby, S. E. Hale and Jacob Dayley as aldermen. It is confidently expected that the city fathers will speedily enact good laws and put them into effect for the public welfare.

MAKING LAND LOCATIONS.

There is quite a spirited movement among some of the people of this locality to secure tracts of land under the new Minidoka canal, which will run through the northern side of our valley. Among those who went from here to the county seat for the purpose of making locations, are George Craner, H. C. Haight, L. W. Robbins, George Gyman, C. L. Haight, Edward Craner, Clark Lee and many others. The upper canal offers better land and lower prices for water than any other similar enterprise in this section. Uncle Sam is doing a good thing for the people of this valley and actual home-seekers in general, by bringing out the waters of Snake river at this point.

Crops are in a promising condition, and our fruit trees present a magnificent display of bloom. Alfalfa will be ready to be cut by June 15.

RAYMOND, CANADA.

WARD REUNION.

Handsome New Meeting House—Mild Spring—New Settlers.

Special Correspondence.

Raymond, Alberta, Canada, May 16.—We are enjoying an unusually mild spring, with sufficient showers to give gardens, grain and beet fields an early start, carpeting prairie and hills with grass and flowers. Thousands of acres of newly turned sod will this season be added to the planted area.

One hundred Celestials are quartered near the sugar factory waiting to "Alle light, choppe out too muchee beet." They have contracted to thin and care for 800 acres of the Knight Sugar company's beets.

Settlers are constantly coming, a party from London and Scotland among the latest. Brother Gledwin and wife, Brother Martin and son, and Miss Goldsby, being among them. They appear delighted with this vast country.

A number of residences and business houses are going up, adding value and beauty to the town.

While the aroma of pine shavings still lingers in our newly constructed meetinghouse, which has a seating capacity of 1,000, with 500 additional when the gallery is built, a ward reunion was held on Friday evening, May 13. The house is a commodious, strongly built, well lighted, properly proportioned building. Besides a dainty picnic the assembly enjoyed reports of the various organizations, well rendered solos, duets, trios, also the numbers by the brass band, and choir, and the comic recitations by B. Y. Young of Salt Lake, who was in great demand.

The following day the little ones enjoyed themselves in a dance, returning home with a sack of confectionery each. The young people will be given a dance on the 20th.

LYMAN, WYO.

STAKE CONFERENCE.

Primary Concert—Crops Doing Well—Eardley-Shelton Wedding.

Special Correspondence.

Lyman, Wyo., May 16.—Yesterday closed one of the best conferences ever held in the Woodruff stake. All of the stake officers were present, also a large number of visitors from every ward in the stake. We had the pleasure of having President J. Golden Kimball with us. Our meetinghouse has been papered and painted and puts on a fine appearance. There were 550 people in attendance at conference. The Primary gave a concert Saturday evening, which was well attended, and much credit is due Sister Barnes, who trained the children.

We are having nice weather again, after a cold snap. Grain is nearly all in. Alfalfa is growing fast. The grain is coming up, and farmers are well pleasd over the prospects for good crops. The creamery is in operation and turning out a fine class of butter for which there is a ready market.

Francis Shelton and Miss Emma Eardley were married April 28.

Jesse Brough returned a few weeks ago from the B. Y. university at Provo, where he has been attending school.
