A WARNING.

The feel tired after exertion is one thing; to feel tired before is another. Don't say the latter is laziness—it isn't; but it's a sign that the system lacks vitality, is running down, and needs the tonic effect of Hood's Sarsaparilla.

It's a warning, too—and Sufferers should begin taking Hood's at once. Buy a bottle today. 1

APPEAL TO PEOPLE FOR HOSPITALITY

Women on Committee Handling Details of Encampment Send Out Request.

NEED BEDS AND BREAKFASTS

Ready Responses by Householders is Required That Plans May Go Forward.

At a meeting of the women's subcommittee of the G. A. R. held yesterday afternoon the matter of providing accommodations for the visitors during encampment week was taken up, and slips, containing questions as to accommodations, etc., to be rent to owners of private residences were sent out. Similar slips will be handed to the children in the various schools and these will be handled by the various school principals in gathering statistics for the committee. Those having accommodations may indicate the number they can cur for on these slips and return them to the committee. The following appeal accompanies the slips:

"The G. A. R. comes to our city in August 75,000 strong. The hotels can accommodate but 7,500; the homes must entertain the rest.

"This committee requests that you report to the principal of the public schools in your sub-district the number of persons you can furnish with beds and breakfast.

"Where it is desired that a charge be made, it is suggested that the price might range from 50 cents to $1 per person for bed, two persons occupying one room, and from 25 cents to 50 cents for breakfast."

The sub-committee consists of Mrs. J. L. Bowman chairman; Mrs. E. I. Thorn, Mrs. Fisher Harris, Miss Rose Lambert, Mrs. C. W. Boyd and Miss Jane Cutler.

OBJECT TO STRONG MEDICINES.

Many people object to taking the strong medicines usually prescribed by physicians for rheumatism. There is no need of internal treatment in any case of muscular or chronic rheumatism, and more than nine out of every ten cases of the disease are of one or the other of these varieties. When there is no fever and little (if any) swelling, you may know that it is only necessary to apply Chamberlain's Liniment freely to get quick relief. Try it. You are certain to be pleased with the quick relief which it affords. Price, 25 cents; large size, 50 cents. For sale by all druggists.

ENGINEERS LEAVE TUESDAY.

Longest Trip Ever Taken By Students Of the University.

The members of the senior engineering department of the University of Utah will start next Tuesday morning on one of the longest trips ever taken by a similar class of students. The trip will be made in a kitchen car which will be attached to regular trains at will. In it the men will visit a number of mines and smelting plants at Cripple Creek, Florence, Denver, Pueblo and other points in Colorado. From thens the men will go to Texas, New Mexico, Arizona and California. It is probable that Dr. Pack will not be able to accompany the class owing to engagements here. This being so, the students will be in charge of Profs. Bradford and Overstrom. The return will be made about the end of May.

GOOD FRIEND IN TIME OF NEED.

THE PICTURES ARE LURID.

Secretary Ensign of the State Fair association is in receipt of some really lurid fire works posters advertizing the fireworks display at the next state fair. The posters are of large size, some of them with an ideal picture of Mt. Vesuvius in a high state of indignation, and the whole population fleeing from the streaming lava that is whooping it down the mountain side like a Rocky Mountain snowslide. It is really quite terrifying. Mr. Ensign is also in receipt of models of the new medals to be awarded. These are of an entirely new design, artistic and very attractive. Some of them are in medallion form mounted on a backing of hardwood in various colors.
