DEGREE FOR A UTAH MAN

Nephi Jensen, Member of Legislature, Today Qualifies as L. L. B. University of Chattanooga.

(Special to the "News.")

Chattanooga, Tenn., June 3.—When the '08 law class of the University of Chattanooga stood in line today on the platform of the auditorium to receive their diplomas, a Utah man in the person of Nephi Jensen, received the degree of L. L. B. The class numbered 43, representing 32 states. Those who are acquainted with Mr. Jensen's studious habits will not need to be told that he stood in the very front rank of his class.

Mr. Jensen was called south in April, 1907, to take editorial charge of the Elders' Journal. He served in this capacity until the Journal was consolidated with Liahona, when he became the secretary of the Southern States mission. While engaged in this calling he found it convenient to take the law course at the Chattanooga university. He is a native of Salt Lake county. After graduating from the public schools of this county he went to Colorado and took a course in the Union High school of Montezuma county. Returning to Salt Lake City, he studied one year in the L. D. S. college. Later he attended the summer school of the University of Utah.

NEPHI JENSEN.

Mr. Jensen was called on a mission to the Southern States in 1898, and spent two years and four months in Florida and Georgia, doing a splendid work. On returning home he taught school five years. While engaged in this occupation he spent his leisure time reading law and was admitted to the bar Feb. 12, 1906. On June of that year he entered upon the practise of his chosen profession in the office of John M. Cannon. In the fall of the same year he was elected to the lower house of the legislature.

During his stay in the south Mr. Jensen has delivered addresses in defense of his religion in a number of the large cities of the south, and has been commended for his ability and fearlessness. The Atlanta Constituion of July 22, 1907, said of him:

"Mr. Jensen is a fluent speaker, a man of magnetic presence, and a gifted pulpit orator."

The Lexington (Ky.) Leader of April 26, 1908, had this to say of him: "Mr. Jensen, whatever may be said of his doctrine, is a most forceful and attractive speaker."

Mr. Jensen will continue to serve as secretary of the Southern States mission for some time. On his return home he will practise in Salt Lake City.

PADS EXPENSE ACCOUNT

Upon This Charge Federal Grand Jury Has Indicted Shirley Parker—Is Arrested in Seattle.

It has just developed that an indictment was brought in against Shirley Parker, a resident of Washington, by the grand jury when it reported a short time ago. Some mystery surrounded an eighth indictment brought in and considerable speculaton was indulged in when several days passed without seeing any results or developments. The story of the arrest is told in an Associated Press report from Seattle today, which reads: Shirley Parker, captain of the University of Washington track team, member of Sigma Chi fraternity, university glee club and dramatic club, was arrested yesterday on the charge of padding his expense account while acting as junior land agent for the government at Salt Lake City last summer. Parker was released on $2,500 bail, given by his mother, Mrs. A. E. Larson, of North Yakima.

Judge R. A. Ballinger, former commissioner general of the land office and who appointed Parker and five other university men as junior land agents, will defend Parker when the case comes up for trial in Salt Lake City in November. The indictments place the amount overcharged at $11.50 for several special trips to country and claims. Parker is a young man, probaby about 25 years of age.

NO NEED OF SUFFERING FROM RHEUMATISM.

It is a mistake to allow anyone to suffer from rheumatism, as the pain can always be relieved, and in most cases a cure effected by applying Chamberlain's Liniment. The relief from pain which it affords is alone worth many times its cost. It makes sleep and rest possible. Even in cases of long standing this liniment should be used on account of the relief which it affords. Do not be discouraged until you have given it a trial. Many sufferers have been surprised and delighted with its pain-relieving qualities. 25 and 50 cents sizes for sale by all druggists.

ANNUAL ALUMNI ELECTION.

At an annual business meeting last night the University of Utah Alumni association elected C. E. Marks, president, and transacted considerable routine business. It was decided to make the Utah Educational Review the official organ of the alumni association, to present to the university a portrait of Dr. John R. Park, former president of the university, and to publish a history of education in Utah which is now being prepared under the direction of Prof. Levi Edgar Young.

The officers elected for next year were C. E. Marks, formerly a member of the house of representatives, president; Romona Wilcox, vice president; David R. Allen, secretary and treasurer; board of control: Waldemar Van Cott, Jos. F. Merrill, Elizabeth Slade Bennion and Elias A. Smith; representative of the athletic council, Theo. Nystrom.

AFTER BIG CONVENTION.

Commercial Club Pledges Its Support To Woodmen of the World.

In his attempt to land the 1911 convention of the Woodmen of the World for Salt Lake, A. D. McGuire, a Utah delegate to the 1908 convention, will be backed by a pledge of support from the Salt Lake Commercial club.

The Woodmen number more than 1,000,000 people in their membership. Their conventions, coming every three years, bring together over 100,000 people, when held in eastern cities. In Salt Lake 50,000 are expected, and within the three years intervening the city's capacity to handle crowds it is thought will be much increased.

Peoria, Ill., which entertains the Woodmen this month, is no larger than Salt Lake, and yet it raised a fund of $50,000 to entertain the visitors. As much money will be needed here and the Commercial club has pledged that it will raise it, assisting the local lodge of Woodmen in this work.

FOR A SPRAINED ANKLE.

As usually treated, a sprained ankle will disable the injured person for a month or more, but by applying Chamberlain's Liniment and observing the directions with each bottle faithfully, a cure may be effected in many cases in less than one week's time. This liniment is a most remarkable preparation. Try it for a sprain or bruise, or when laid up with chronic or muscular rheumatism, and you are certain to be delighted with the prompt relief which it affords. For sale by all druggists.

INDIANS AGAIN TROUBLESOME.

A petition from more than 100 residents of San Juan county has been received by Governor Cutler, asking him to settle the Indian question in that section by sending the redmen back to their homes on the Colorado reservation. The petitioners state that for 30 years they have been troubled with Navajo Indians on the south and the Colorado Utes on the east, and that two bands of Colorado Utes, although registered at the reservation in Colorado, persist in remaining in San Juan county. The petitioners ask that the Indians be sent back to their reservation in Colorado.
