A MAN

WHO IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, WILL SEE BY EXAMINING THIS MAP, THAT THE

CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST AND THE WEST!

Its main line runs from Chicago to Council Bluffs and Omaha, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, and Des Moines, (the capital of Iowa) with branches from Bureau Junction to Peoria; Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Delknap, Centreville, Princeton, Trenton, Gallatin, Cameron, Leavenworth and Atchison; Washington to Sigourney, Oskaloosa and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independence, Eldon, Ottumwa, Kirkville, Oskaloosa, Pella, Monroe, and Des Moines; Des Moines to Indianola and Winterset; Atlantic to Audubon and Avoca to Harlan. This is positively the only Railroad which owns, controls and operates a through line between Chicago and Kansas.

This Company own and control their Sleeping Cars, which are inferior to none, and give you a double berth between Chicago and Council Bluffs, Leavenworth, or Atchison for Two Dollars and Fifty Cents—a saving of Two Dollars, while all other lines charge for the same points, Three Dollars for a double berth, and Six Dollars for a section.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining and Restaurant Cars that accompany all through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for Twenty-five cents; or you can order a lunch, you like, and pay for what you get.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes, (and the enormous passenger business of this line warranting it,) we are pleased to announce that this Company runs its PALACE SLEEPING CARS for Sleeping purposes, and its PALACE DINING CARS for Eating purposes. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" at all hours of the day.

Magnificent Iron Bridges span the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Leavenworth and Atchison, connections being made in Union depots.

THE PRINCIPAL R. R. CONNECTIONS OF THIS GREAT THROUGH LINE ARE AS FOLLOWS:

At CHICAGO, with all connecting lines for the East and South.

CATARRH

A PHYSICIAN'S TESTIMONY.

30 Years a Physician. 12 Years a Sufferer. Tried Regular Remedies. Tried Patent Medicines. Permanently cured by

SANFORD'S RADICAL CURE.

MESSRS. WEEKS & POTTER.—Sirs: I have practised medicine for thirty years, and have been a sufferer myself for twelve years with Catarrh in the nasal passages, fauces and larynx. I have used everything in the *materia medica* without any permanent relief, until finally I was induced to try a patent medicine (notwithstanding that we allopathists are very loth to do). I tried and divers others until I got hold of yours. I followed the directions to the letter, and am happy to say I have had a permanent cure. Your RADICAL CURE is certainly a happy combination for the cure of that most unpleasant and dangerous of diseases.

Yours, respectfully,
D. W. GRAY, M. D.,
Of Dr. D. W. Gray & Son, Physicians and Druggists, Muscatine, Iowa.
MUSCATINE, IOWA, March 27, 1877.

The value of this remedy must not be overlooked in the cure of those

SYMPATHETIC DISEASES,

Affections of the Eye, Ear, Throat, Lungs and Bronchial Tubes which in many cases accompany a severe case of Catarrh. The inflamed and diseased condition of the mucous membrane is the cause of all these troubles; and until the system has been brought properly under the influence of the RADICAL CURE, perfect freedom from them cannot be reasonably expected.

It is but three years since SANFORD'S RADICAL CURE was introduced before the public, but in that short time it has found its way from Maine to California, and is almost everywhere spoken of by druggists and physicians as being the most successful preparation for the thorough treatment of Catarrh ever compounded. The fact will be deemed of more importance when it is coupled with the statement that within the years over 200 different remedies for Catarrh have been placed on sale, and, to-day, with one or two exceptions, their names cannot be recalled by the best-informed druggists. Advertising may succeed in forcing a few sales, but, unless the remedy possess undoubted specific medical properties, it is absolutely certain to fall into merited obscurity.

Each package of SANFORD'S RADICAL CURE contains Dr. Sanford's improved Inhaling Tube, with full directions for its use in all cases. Price $1.00. Sold by all wholesale and retail druggists and dealers throughout the United States and Canadas. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

Troops for the Frontier.

CONSTANTINOPLE, 22.—Osman Pasha, minister of war, has promised Servia to send troops to the frontier immediately to check the incursions of the Albanians.

TALY.

General Garibaldi—Customs Tariff—Catholic Demonstration—The Pilgrims.

ROME, 22.—A meeting was held to-day by the representatives of the republican association pursuant to call by General Garibaldi, who presided. It was resolved to agitate for universal suffrage and for the abolition of the deputies oath of allegiance. The meeting sent greeting to their brethren of Italy unredeemed.

The council of ministers has approved of the changes in the customs tariff proposed by the finance minister, affecting coffee, pepper, petroleum, etc., from which an increase in the revenue of $170,000 is annually anticipated.

There was a great catholic demonstration and display of sacred relics yesterday in honor of the Virgin Mary, as a protest against the alleged sacrilegious preaching of the Protestant minister, Dr. Rebetto, who had posted handbills announcing a discourse entitled "Glory to God Only."

The pilgrims to the great Basealla of Santa Maria, St. John, Latern and Santa Crace, in Jerusalem, in response to a special invitation by Cardinal Vickar, were very numerous and enthusiastic, embracing all classes of society. The demonstration is described as most imposing in its proportions and solemnity.

WEST INDIES.

Damage by the Drouth.

HAVANA, 22.—Rains have relieved the drouth, which was aggravated by terrible south winds. Disastrous conflagrations resulted from the drouth in the cane fields of the districts of Colon, Mantanzas, and Cardenas. Over 50 plantations suffered more or less on light crops, and the buildings are entirely destroyed.

The Elections.

Elections for deputies to the Cortes were held yesterday throughout the island and passed off quietly. The liberal conservatives have a decided majority in this city and the province of Havana. The result of the election in the rest of the island is unknown.

Correspondence.

MANASSA, Conejos Co., Colo., April 19, 1879.

Editors Deseret News:

As numerous inquiries have been made of us by people, living in different parts of Utah, about the prospects and facilities for settlement here in Colorado, we have thought it best to answer some of their questions through the NEWS, if you will kindly permit us space in your columns for a brief statement. Over 100,000 acres of land have been appropriated by the Government to the State of Colorado, for school and university purposes, and to erect public buildings at Denver, the capital of the State. About 20,000 acres of this land is situated in this county, most of which is agricultural land, and is yet uncoupled. Generally speaking the land is rather gravelly, yet it seems to produce good grain; water for irrigation is plentiful, and there is good meadow land in various places; abundance of timber on the mountain slopes and in the cañons; distance to it from 12 to 16 miles. The climate is somewhat cold and windy, it being from 7,000 to 8,000 feet above the level of the sea.

This land is all for sale, but as it has not yet been appraised, we can not say what it will cost, but think it will not vary much from government price, $1.25 per acre. We have been in communication with the land commissioners having this business in charge, and find them, as well as the officers of the State in general, quite favorably disposed towards our people. We have located and surveyed one townsite, Manassa, which is one mile north and south by half a mile east and west, laid off in 32 blocks, four lots in each block. We have also surveyed the land in the vicinity, to the amount of about 2,000 acres. A beautiful large meadow is laying southeast near to town, with good range to the west. Water for irrigation can be had from the north branch of the Conejos River, the labor and expense of taking it out is but trifling, one or more towns can be located to the north of us, where there is plenty of land, but the facilities for taking out water are not so good, nor is meadow land so good nor convenient.

The number of our people here now is about 160, which we think will be doubled during the summer and fall by immigration from the southern States, they are all poor, but through the generosity and fatherly care of Prest. John Taylor and the Twelve, who very kindly furnished us $300 to purchase seed grain and farming implements, we have been enabled to put in considerable of a crop.

We have lately made application to the Land Commissioners to buy from the state some 2,000 acres of land to begin with, and we expect an early appraisement of the same; terms of payment as prescribed by law, is 30 per cent. down at time of sale, and ballance in seven equal annual payments, bearing seven per cent. interest.

Manassa, the present terminus of the Denver and Rio Grande R. R., is twenty miles away, which when extended, will run within two or three miles of our location. Mines are being found and opened up all around us, and as Colorado is principally a mining State, there is likely always to be a good market for the produce of the farmer. Being afraid that we have already trespassed too far upon the columns of your valuable paper, the NEWS, which is always a welcome visitor to Manassa, we close, subscribing ourselves very respectfully yours, etc.,
