BLINDNESS AMONG HORSES.

Its Causes and Something About Preventive and Proper Treatment.

It has been stated that blindness is more prevalent among horses in America than among those of other countries. If this is the case the causes of the evil should be investigated and removed if possible without delay. [illegible]

To find a guinea nest was the very poetry of egg hunting. [illegible] —Harper's Young People.

"August Flower"

Mr. Lorenzo F. Sleeper is very well known to the citizens of Appleton, Me., and neighborhood. He says: "Eight years ago I was taken "sick, and suffered as no one but a "dyspeptic can. I then began tak-"ing August Flower. At that time "I was a great sufferer. Every-"thing I ate distressed me so that I "had to throw it up. Then in a "few moments that horrid distress "would come on and I would have "to eat and suffer "again. I took a "little of your med-"icine, and felt much "better, and after "taking a little more "August Flower my "Dyspepsia disap-"peared, and since that time I "have never had the first sign of it. "I can eat anything without the "least fear of distress. I wish all "that are afflicted with that terrible "disease, or the troubles caused by "it would try August Flower, as I "am satisfied there is no medicine "equal to it."

For that Horrid Stomach Feeling.
