Keep Well

Easy to say, but how shall I do it? In the only common-sense way—keep your head cool, your feet warm and your blood rich and pure by taking Hood's Sarsaparilla. Then all your nerves, muscles, tissues and organs will be properly nourished. Hood's Sarsaparilla builds up the system, creates an appetite, tones the stomach and gives strength. It is the people's Spring Medicine, has a larger sale and effects more cures than all others.
