SALT LAKE AND OGDEN RETURNS.

Results in Legislative Districts.—No Doubtful Ones Are Yet Taken Up.

The Utah Commission and the Canvassing Board have got to work in earnest on the election returns, the first to be taken up being those of Salt Lake City legislative district. After this was disposed of by the Commission the returns were turned over to the Canvassing Board to count the municipal vote, and the Commission took up Weber county outside of Ogden.

There were two protests filed in this city at the close of the count. One was before the Utah Commission and was by A. T. Schroeder on behalf of E. W. Wilson, on the legislative ticket. The question was that about 100 illegal votes had been cast in the Fifth precinct. The document was withdrawn today. The other protest was by J. H. Harris on behalf of the Liberal candidates for city councilor from the second municipal ward, F. H. Hoffheimer, who claimed that at a Wright rally he was counted out and M. Clemensen credited with a majority of the votes. As there was no irregularity on the face of the returns, this protest was dismissed hence.

The returns so far as canvassed show as follows:
