MYSTERIOUS DISAPPEARANCE.

Alleged Ex-Salt Laker Leaves Butte Without Saying Good-Bye.

The relatives and friends of John Forslund, a miner who has up to a recent date, been employed in the Butte mines, have become somewhat anxious as to his whereabouts, says the Butte Miner. On Thursday last he quit his job, went to the office of the company and drew his full time and afterwards had it cashed. At about 4 o'clock the same evening he called at the room of M. Hoffenberg, a friend, in the Hamilton block. And after paying him a small sum of money, which he had borrowed of him, he said that he had quit work and proposed to take a rest. He at the same time asked him if he was intended to do in the remainder of the evening and was told that Hoffenberg had an engagement to see a friend off on the Great Northern train. Since then he has not been seen.

Forslund lived at 419 Maryland avenue with his mother-in-law, John A. Allen, who, when he failed to go home Thursday night became so anxious about matters and on Friday morning called with Mr. Hoffenberg. During the day the missing man's friends inquired at all places at which it was supposed any information regarding him could be found but, but no trace of him were secured. His sudden disappearance is inexplicable as he left all his belongings at his home and made no mention of his intention to leave the city.

Forslund came to Butte about one year ago from Salt Lake, to which city he has a wife and two children, but it is said he has separated from his wife. It was at first supposed that the man might have gone to Salt Lake, but an answer to a telegram sent there stated that he had not been seen in that city.

ELDER RICH COMES HOME.

Says the Presbyterian Preachers are Stirring Up Strife in the South.

Elder Dee R. Rich, president of the Southern States mission, arrived in Salt Lake today, looking and feeling well. Tomorrow evening he will take a rest up to his home in Idaho and return for a time, after which he will return to this city and attend conference before going back to the South.

Speaking of the condition and prospects of the Southern mission he said that generally they were excellent. The Saints have had been very warm, however, during the past season and many more Elders had been at their own before. A good many had suffered from chills and fever and not a few were yet afflicted with the ailment, though they were no serious cases of that kind in the first place. Two or three Elders are seriously ill with typhoid fever and will be brought home as soon as their are able to travel.

Regarding the action of Presbyterian preachers in Utah and the South he says that much excitement and ill-feeling are being created thereby and that the spirit of anti-Mormonism is coming quite strong in some sections. Should some of the threats that are now being made against the Elders be carried into effect, he says, that the responsibility will plainly rest upon those so-called ministers of the Gospel, who are circulating anti-Mormon literature and false and slanderous reports about the Elders and the people of Utah.

Farmers Ward Meeting House.

The enterprising people of Farmers ward can boast of a meeting house second to none in the Salt Lake Stake of Zion, having just completed an addition of two large wings to the original. The house now has a seating capacity, all told, of nearly 1,000 and on Sunday school and meeting Sundays is surpassed by none in the entire Stake. The improvements are substantial and seem to have been made with an eye single to convenience and durability.

College Exercises.

The opening exercises of the Latter-day Saints' College will be held at 220 west First North street tomorrow at 10 a. m. In addition to addresses by prominent men, a teacher will be selected by Frank Wightnall, a piano solo by Lizzie Thomas, and a recitation by Nellie Beyer. All are invited.

WILLARD DONE, President.

Vital Statistics.

The city board of health is circulating its printed statement of vital statistics for the month of August, 1898. It shows the death rate for the month to have been 8.84. The total number of deaths was 90, males 38, females 52, white 86, colored 2; married 10, widows 8, widowers 1, single 61, natives of Utah 36, other parts of the United States 47, foreign 7. Ages stated 3; number of bodies received for interment from elsewhere 8; number shipped to other places 1; buried at City cemetery 41, Mt. Olivet 18, Mt. Calvary 2, C. E. Douglas 7, Brooks 1, hospital 8, St. Marks 1, Holy Cross 1, county infirmary 2; marriage licenses issued 34; births reported 112, males 58, females 55; not given 2. Contagious diseases reported, whooping cough 1; diphtheria 1; typhoid fever 17. During the month 200 pounds of food, 1,000 pounds of fruit and 1,000 pounds of vegetables were condemned and 112 loads of garbage were burned at the crematory.

Number of Vacancies Filled.

The following appointments of registration agents to fill vacancies created by resignations have recently been made by the board of county commissioners:

District No. 21—Wm. Lapham, vice I. M. Barratt.

District No. 16—Harold Van Cott, vice Henry Thorpe.

District No. 14—John Gabbott, vice Roscoe E. Savage.

District No. 15—J. C. Watson, vice Wm. Naylor.

District No. 16—John G. Batten, vice H. B. Williams.

The contract with Brigham Jensen for sprinkling the south and west temple yards was extended to October 1st, with the understanding that any subsequent sprinkling shall be done by the day.

Beautiful Photographs.

C. R. Savage, the veteran photographer, succeeded in taking some exceedingly fine photographs of the interior of the Tabernacle during the impressive and solemn services at President Woodruff's funeral. The forms and features of individuals in the immense congregation are easily distinguishable. The pictures are the finest specimens of interior photographic art work ever taken in Utah, and will doubtless find their way into the homes of thousands of Latter-day Saints. Once seen, their beauty and striking adherence to the actual scenes at the obsequies are readily discernable.
