EVENING NEWS.

Saturday, Jan. 6, 1883.

FLOATING FRAGMENTS.

"Esmeralda" at the Opera House, on the 12th and 13th.

The Denver *Tribune* has issued a neat almanac for 1883.

Attend Conference meeting at the Assembly Hall, to-night.

He who waits to do a good deal of good at once will never do any.

Our townsman, David James, is going East on Monday, on a business trip.

The "Old time Re-union," at the Social Hall, last night was a very delightful affair.

Miss Annie Adams in "His Amber Witch," at the Theatre on Monday night.

Stake Conference meeting at 10 a. m. and 2 and 7 p. m. at the Assembly Hall to-morrow.

The list of jurors for 1883, selected by Judge Elias Smith and the Clerk of the Third District Court, appears in our columns to-day.

"Bill Nye" of the Laramie *Boomerang*, has recovered so far from his recent illness as to be able to get about with the aid of a cane and crutch.

LOCAL AND OTHER MATTERS.

NOTICE TO BISHOPS.

GENERAL TITHING STORE,
Salt Lake City, Utah,
December 28th, 1882.

To all the Bishops:

Please notify all the members of your Wards that the Tithing Books, at this office will be positively closed pertaining to business for the year 1882, on the 10th day of January, 1883. After which all credits will have to be applied for the current year.

EDWARD HUNTER,
LEONARD W. HARDY,
ROBERT T. BURTON,
Presiding Bishopric.

Odd and Even.—The names on the jury list opposite the odd numbers were selected by the Clerk of the District Court, and those opposite the even by the Probate Judge of the County.

Doing Well.—By NEWS special from Logan we learn that Henry Flamm, accidentally injured by an explosion a few days ago, is doing well, with the exception of the left eye, which he will undoubtedly lose.

At and Below.—In our columns to-day appears a column advt. of Cohn Brothers, who announce their removal, to meet the growing demands of an increasing business, to the more commodious premises two doors north of their present stand. They offer a long list of goods at and below cost.

Broke His Leg.—Day before yesterday a boy named Oscar Hadley, son of the late Geo. Hadley, of the 7th Ward, was playfully running after some colts, when he tripped and fell, breaking his leg.

This lad seems particularly unfortunate. Some time since he had a leg and several ribs broken, besides his skull being fractured.

His Amber Witch.—The "Amber Witch," which will be repeated on Monday night, at the Theatre, will amply repay a visit to that Temple of the drama. No play produced in our Theatre has ever attracted more attention from the novelty of the situations, new scenery and stage effects, as well as the thrilling plot, which is well carried out by an excellent company of the best home talent.

Recovering.—The man Floyell, who, some time ago, accidentally fell from the building at the corner of South Temple and First West Streets, is progressing nicely at the Deseret Hospital. One leg was so badly broken that it had to be amputated. The other was also badly injured, but is healing nicely. He is able to get about the building a little, with the aid of crutches. His general health is excellent.

S. S. Union Meeting.—The regular meeting of the Deseret Sunday School Union will be held at 7 p.m. on Monday, the 8th inst., in the Salt Lake Assembly Hall.

The 14th Ward Sunday School will furnish music and doorkeepers.

A short address will be delivered by Elder John Morgan.

A cordial invitation is extended to parents and others who feel interested to attend.

L. W. RICHARDS, Sec'y.

Stake Conference.—The Semi-Annual Conference of the Salt Lake Stake of Zion, met in the Assembly Hall this morning, President Angus M. Cannon presiding. The names of three brethren were presented and sustained as Patriarchs and a number of others to receive the office of Elder. Counselor D. O. Calder made a few remarks, and called upon a number of presidents of Elders' Quorums, who reported their respective quorums, and Bishops who reported their Wards. It was announced that Conference meetings would be held at 2 p.m. and 7 p.m. to-day, and at 10 a.m., 2 p.m. and 7 p.m. on Sunday. The minutes will appear in Monday's EVENING NEWS.

Twentieth Ward Institute.—We have been requested to state that the annual election of officers of the Twentieth Ward Institute, which took place on Thursday evening, resulted as follows: T. B. Lewis, President; George Reynolds, First Vice President; W. Salmon, Second Vice President; George Romney, Jr., Secretary; Charles J. Brain, Assistant Secretary; B. Y. Hampton, Treasurer; Heber Romney, Librarian; C. R. Savage, Henry Pusey, D. C. Dunbar, C. W. Stayner, James T. Dunbar and Joseph F. Simmons, Directors.

D. C. Dunbar was also elected chorister and Miss Annie Savage, organist. The programme committee are: James Dunbar, George L. Savage and Henry C. Fowler.

"An Old Time Reunion."—The "old time reunion" party at the Social Hall, last night, was the most delightful affair of the kind this season, or perhaps for several seasons. It was numerously attended, and among the guests were Presidents John Taylor and Joseph F. Smith, Apostles W. Woodruff, A. Carrington, B. Young and H. J. Grant, Bishop Hunter and Counselors Hardy and Burton, Mayor Jennings, and many other staunch and true men of the community, too numerous to mention. A delightful united, sociable spirit prevailed throughout the evening. Besides the terpsichorean exercises, social conversation, largely devoted to relations of scenes of the past, was engaged in, the meeting of so many of the old familiar faces bringing them vividly to mind.

During the course of the evening President Taylor, by request, made a few remarks, expressing his pleasure at associating with so many friends, and referred to the delightful re-unions of the past in the same hall, in which President Young and other esteemed members of the community who had passed away had participated.

Brother W. C. Dunbar sang "My Old Wife and I," in his happiest style, creating any amount of merriment. In addition to the recreations of the evening, the committee, who are entitled to much credit for their capable management, provided an excellent supper for the guests, supplied by Brother Henry Arnold.

Serious Accident to a Boy.—Yesterday afternoon W. H. Hardman, aged fifteen years, son of Mr. Isaac Hardman, of the Fourth Ward, was out duck hunting with a companion of similar age, named Heath. As the lad Hardman was going through a pole fence with both barrels of his gun cocked, the triggers were caught in the weeds and the weapon discharged. The little finger and the one next to it were completely destroyed and the middle digit so badly injured that Dr. Benedict, who attended to the wounds, was of opinion that what remained would have to be amputated.

The unfortunate boy had an extremely narrow escape from being killed, for in addition to the mutilation of his hand he received nine duck shot in his cheek, while one passed through his ear, and his hat was fairly riddled.

After the accident the lad was taken to Mr. Jenkins' place, close by, and Mrs. J. kindly tied up the wounded hand and sent him to town in a conveyance.

Educational.—Mr. T. B. Lewis has just made a tour through the settlements of this county, in his capacity of Superintendent of District Schools, most of which were visited by him. Most of them are crowded to overflowing, and in quite a number which have been conducted by one teacher assistants are now employed. As a general thing he found that there is satisfaction among teachers and pupils regarding the newly adopted text books, the geography giving special delight.

At west Jordan, (Twenty-first District), a fine new brick school house has been erected, 30 feet by 48 feet, inside measurement, so constructed that wings can be added when desired. A good school building is also in course of erection at Draper (Twenty-Second District). Besides there is a general spirit of improvement in the schools, especially noticeable in the matter of appointments.

Certificates of Election.—Secretary Thomas has issued certificates of election to the following persons elected at the municipal election held at Ephraim City on December 11th, 1882: Mayor, Parlan McFarlane; Councilors, John E. Christiansen, Henry Ovatt, L. M. Olsen, Hans Jensen, James H. Hansen; Recorder, Peter Greaves, Jr.; Assessor and Collector, John August Anderson; Marshal, Charles Whitlock; Treasurer, Andrew Anderson; Justices of the Peace, J. P. Melstrop, William Larsen.

He also issued certificates of election to the following persons elected at the municipal election held at Moroni, on December 18, 1882: Mayor, J. C. Neilson; Councilors, A. S. Jensen, Niels Christensen, W. L. Irons, John Blackham, Jr., Lars Johnson; Recorder, Daniel C. Nielson; Assessor and Collector, A. H. Bradley; Marshal, G. F. Morley; Treasurer, P. C. Christenson; Justices of the Peace, L. J. Anderson, G. P. Simpson.

Deseret University.—In another column Dr. Park, President of the Deseret University, announces that it will open its second semester for the present academic year on Jan. 15th. The last term was unusually successful, over 220 students having been in attendance. The institution is working into specialties. The chemical department is particularly fine. There is no need of going East now for information upon that and several other departments of science. The ensuing term will probably be still more satisfactory than the last.

Re-organized.—The Mutual Improvement Association of the Union Ward, Salt Lake County, has been re-organized with the following officers: Jno. G. Sharp, President; Henry Thayne, First Counselor; Jacob H. Griffiths, Second Counselor; David E. Jones, Secretary; Thomas W. Smart, sen., Assistant Secretary; Charles P. Sharp, Treasurer; Thos. Greenwood, Librarian; Heber Russell, Choir Leader. Regular meetings are held on Tuesday evenings at 7.30 o'clock.

Smallpox in Logan.—A special to the News to-day says: "The doctor says there are four cases of smallpox fully developed. Three are of the distinct and one of the confluent form. The latter case is quite serious, yet he thinks she will get along. There are two other cases which are suspected but are not sufficiently defined to say positively what they are."

"Now, my dear," said the teacher, "what is memory?" The little girl answered, after a moments reflection, "It is the thing you forget with."
