Last Night's Dispatches.

EASTERN.

Confirmed, &c.

WASHINGTON, 12.—The Senate in executive session confirmed the following nominations—Charles Hopkins, U. S. Indian Marshal for Washington Territory; Wm. Bagley, Indian Agent at the Siletz Agency, Oregon; H. G. Robbins, Surveyor General of California; Wm. R. Wheaton, Register of the land office at San Francisco, Cala.; Columbus Dunham, postmaster at San Diego, Cala.

The bill introduced by Congressman Pyper to transfer the management of Indian affairs to the army, has been referred by the committee on Indian affairs to a sub-committee consisting of Sparks, Boone, Morgan, Seelye and Van Voorhees. This sub-committee heard Roberts, of the Indian commissioners, in opposition to the proposed change. They intend to make a very full examination of the subject.

Nomination Withdrawn.

The nomination of Marsten, of Mo., to succeed G. W. Ingalls as agent for the five civilized tribes in the Cherokee country has been withdrawn from the Senate, the grounds for the removal of Ingalls being found insufficient.

Indian Matters.

To-day a delegation of Cherokees, Choctaws, Creeks and Seminoles called upon the President to pay their respects and to talk of affairs in Indian Territory, which they represented to be in a good and prosperous condition, with abundant crops; they took occasion to express opposition to the proposed Territorial government in their country, when the President informed them that no bill passed by Congress for that purpose would receive his approval without the consent of the Indians.

Secretary Chandler, to-day, sent a communication to the House on the subject of subsistence to the Sioux Indians at the Red Cloud and Whitestone agencies; extraordinary issues are now required, in consequence of the exhaustion of supplies at the conference held by the late commission to treat for the cession of the Black Hills; the Secretary asks for an appropriation of $225,000.

U. S. Senator Elected.

NEW ORLEANS, 12.—Hon. J. B. Eustis was, to-day, elected to represent the State of Louisiana in the United States Senate.

Resolution by St. Louis Merchants.

ST. LOUIS, 12.—At a very large meeting of merchants on 'Change, to-day, the following resolution was unanimously adopted—

"*Resolved*—That the members of the Merchants' Exchange, St. Louis, hereby tender to the respective executive committees of the democratic and republican parties the free use of their grand hall, for the purpose of holding their national convention this year, and they unite in an earnest request that they will consider favorably our city as the proper place for holding said conventions."

More Whiskey Thieves Discovered.

CHICAGO, 12.—The Government officers, at about ten o'clock tonight, seized an establishment which was manufacturing whiskey secretly and without any license; it is owned by a man named Kerchoff, and is situated nearly in the heart of the city, near the corner of Randolph and Canal Streets, in a building formerly occupied by the seized Hutchins distillery. It had a complete equipment, and has been running off ten to twelve barrels daily of late. Arrests will be made to-morrow. A custodian was left in charge of the premises to-night.

Nominated for U. S. Senator.

DESMOINES, Iowa, 12.—Hon. J. Kirkwood has been nominated U.S. senator by the republican members of the General Assembly.

The Debt of Pennsylvania.

HARRISBURG, Pa., 12.—The report of the State treasurer, submitted to the legislature to-day, shows the debt of the State, after deducting the assets of the sinking fund, to be $18,766,564.

Arrangements with Cook & Son Discontinued.

NEW YORK, 12.—The *Commercial* says that the general passenger agents of the four trunk lines and some of the principal Western railways, at a conference in Philadelphia yesterday, relative to railway rates of fare during the Centennial Exhibition, decided to discontinue, at once and permanently, all arrangements with the tourist agency of Cook, Son & Jenkins.

CANADA.

A Faction Fight.

OTTAWA, 12.—A faction fight took place last night, after the election at Sateneau Point, between two families named Scarfe and Rogue, and their respective adherents; there were fifty men on each side. The fight was a desperate and bloody one; fifteen men were dangerously wounded, and full half an acre of snow was saturated with blood.

WESTERN.

A Five Million Land Steal.

SAN FRANCISCO, 12.—Relative to yesterday's dispatch, mentioning a rumor in Sacramento of a land grab, by which the State had been swindled out of a large amount, a resolution was offered in the Assembly, to-day, to appoint a committee to inquire into the title of the Golden City Homestead Association to tide lands in San Francisco. It is alleged that the patent was procured under fraudulent pretences, by which the State is a loser to the amount of five million dollars. The matter, in brief, is, that the association, while holding ground bordering on the tide land tract, procured a patent to the latter on condition of filling it from the high lands, but they failed to do so, and divided the land among the members. A committee was appointed to investigate without delay.

Marine Investigation.

The legislative committee on commerce and navigation met here to-day, to investigate the condition of the steamships going out of this port. A number of marine surveyors testified, agreeing in general that the vessels under consideration were in good condition, well found, officered and manned, and insurable. The question as to the seaworthiness of the *Pacific* was excluded. Captain Waterman, U. S. inspector of hulls, who conducted the recent secret investigation of the *Pacific* disaster, testified to the same effect; he said he had excluded reporters from the investigation, as he had a way of his own of doing such things, with which they interfered. Thomas Cavanaugh, a ship caulker, testified that he had examined ships with Waterman, and he found them in bad condition, but Waterman would interview the captain in the cabin and pass the ship. Experts generally pronounced the Pacific Mail ships in good condition, except the *Peking* and *Tokio* previous to repairs, but they deprecated the employment of Chinese crews as unreliable in emergencies. The investigation will probably consume several days.
