Colonel John Leach of company A, Fourth Minnesota volunteers, while exercising Thursday night at San Francisco made an assault with his revolver on E. B. Dawes, an hostler here. He was arrested and charged with assault with a deadly weapon.

The largest sale of wool ever made in the West was effected Thursday by a St. Louis firm. The amount was three million of a million pounds of "Fortunate wool" which came from the northwestern states, and will require three fine cars to transport it to the eastern consumers.

Joshua Hobert, a well-to-do farmer from Jefferson, Wis., has been virtually imprisoned at San Francisco since he left for New York and his brother, F. W. Hobert, has ordered the service of the police to assist in making him. He has to have sailed on the steamer Columbia, on his way home when he dropped out of sight.

The Ute tribe Arizona and Humbolt can with Lake Lion-mon. It they are to Manila with troops the same for days sent to Manila will amount to 10,000. Gen. Merritt thinks an 8,000 will be enough. With the number in sight of the fact that 5,000 troops belonging to the Philippine expeditionary force will be left behind.

Henry Scantlent of Waco, Texas, has been sued by Mrs. Carrie Brown, widow of the late editor, W. C. Brown, in P. T. Morris of Fort Worth, Texas. It is not known whether the suit was made to satisfy indemnitous. The purchaser will continue the publication of the newspaper for the present, where it is thought it will be moved to Fort Worth.

After thirty-seven years of service, Lieut. Col. Louis T. Morris, Fourth U. S. cavalry, who was to succeed to the President now the Brigadier General, has been retired on the ground of physical disability, and today Colonel Morris succeeds the colonel of the same Brigadier Marcus P. Miller. It is not known whether or not Gen. Miller will be the permanent commander of the Presidio.

Ex-Surgeon Gen. Sternberg at Fort Russel, Wyo., Wednesday from the war department for each of the Torrey rough riders who were left behind when the regiment was ordered to Jacksonville. These men, Col. Torrey states, are not desirable as soldiers. The Rio Grande is the company at Fort Russell are being shot, and it is expected the entire troop will be ordered to Jacksonville at an early date.

M. Ferguson, a stranger from Salt Lake City, currently reported down from Australian in the Oakland Tribune, Cal., Thursday night. He went to the Sixth and Southern hotel on the sea essentially. He had a roll of money on his person and a return ticket to Salt Lake City. The phrase "Ferguson" is a name in a hospital because sound safely.

It is stated at San Francisco that 8,000 troops will be sent to the Philippines. On the 25th ship will sail Sunday, to relieve the enlisted men in evidence, a total of 8,000 will take passage. Of these, 3,000 are regulars, 1,000 of the South Dakota regiment, 22 are men of the signal corps, and 50 recruits for the Utah light artillery, under Gen. H. H. Ohl will be in command.

William Bliss, chief officer of the British collier Nine Chow, now in port at San Francisco, 102 miles from Cape Flattery, Thursday night, was found in the corner of Ellis and Market streets shortly after midnight. He was taken to the city receiving hospital where he expired without regaining consciousness. The cause of his death was heart failure. He was a native of England, aged 32 years.

Capt. Hobes, of the St. Paul, reports an unidentified figure of the death of the whaling fleet just before sailing from St. Michael. The Beaver steam Cutter, Hall, left Thursday, 30 hundred of Seven oil, California, 60 ... 4 ... 3 whales; Karluk, 5 whales; 6 ... 4 whales, and the Alexander, four. The Alexandra is said to have taken above at Navarin Cape, but the report is known as to the extent of her success. The steam whaler Bowhead has 1,200 pounds of bone, for which she traded.

The secondary battery for the cruiser Philadelphia has arrived at Mare Island, Cal., from the East and its mechanics are rushing the work of getting the ship for sea somewhere and other cases in place. The ship will probably go to San Francisco today. She has received a quantity of coal, though her bunkers are not entirely filled. It is said Rear Captain Walbough has received orders to proceed without a full supply of coal, as he has enough on board to reach Honolulu where his bunkers can be filled.

Secretary of War Alger, through Adjutant General Corbin, is in correspondence with Governor Mercham regarding recruits, officers appointed and accepted at Honolulu. The letter to the Governor of Montana, Mr. Corbin, stated people, Mr. Corbin, by the war department while in Honolulu. Governor Corbin has no time that our cracks and officers' quarters for about 1,000 officers and men, should be built and a hospital for the troops can be in perhaps at a time. One, Governor is to make proper recommendations as to the number and kind of officers to be in the regiment.

The San Francisco Examiner says: Several London people, who are identified with the Central Pacific company, are attempting to visit this country within a few weeks in connection with the company's representative and policy to secure a plan for settling the road's land grants to the government of Mexico. The gentlemen coming from London are C. E. Dorlemann, F. G. Dorlemann and Alvene Chapman. The first mentioned is one of the directors of the Central Pacific. Mr. Dorlemann is a member of Parliament and chairman of the banking committee, which represents many of the English stockholders in the road. Mr. Chapman is a member of the same committee. They are to hold conferences with C. P. Huntington in New York and, if so, they will come to California and inspect the Central Pacific.

The California military contingents are indignant over the statements reported to have been made in Washington that California has been tardy in responding to the call for volunteers. The facts are directly to the contrary, and the state has been ready to the President for the special service. In a statement made Thursday night to the Associated Press, Adjutant General Dickinson said: "All that California was called upon to furnish as her quota was 2,000 enlisted men and officers. Her first call consisted of about 1,200 men, they have been furnished by the Adjutant General's department. There has been furnished about 90 officers and men from the regular army, and for the Fifth and Sixth regiments. We have furnished about twenty men and the efforts to the regiment, in addition, it is stated that about 2,000 recruits have been furnished to regiments of other states and the regular army, people have reached Manila and Sixth and Sixth regiments, and attempt to furnish the United States government several additional regiments."

### Things That Are, Shall Be Old.

(Boston Transcript.)

In the fall of 1861, when the Boston most enthusiastic the formation of regiments in ... Tennessee, Sheffer was ... commissioned at Morrisville, although ... Sheffer had taught every ... in the regular army, and was stationed in the Mexican border. While there he accompanied Mr. Sheffer, passing them for many miles into Mexico for robbery. This led to much diplomatic correspondence, in which Sheffer was ... Sheffer was the first to introduce the regimental school in the army.
