DON'T BE HYPNOTISED.

Hoodwinked, hoodooed, or over-persuaded into accepting a substitute for Doctor Pierce's Favorite Prescription with its record of nearly 40 years, embracing hundreds of thousands of cures of woman's peculiar ailments. It's the only remedy for woman's ills sold by druggists that is not full of "booze"—poor whisky, or bad alcohol.

A guarantee of $1000 is offered that "Favorite Prescription" contains no alcohol, opium or other harmful drug. Keeps in any climate.

"Favorite Prescription" is a powerful invigorating tonic, and imparts strength to the whole system and to the womb and its appendages in particular. For overworked, "worn-out," "run-down," debilitated teachers, milliners, dressmakers, seamstresses, "shop-girls," housekeepers, nursing mothers, and feeble women generally, Dr. Pierce's Favorite Prescription is the greatest earthly boon, being unequaled as an appetizing cordial and restorative tonic.

It's an insult to your intelligence for a dealer to attempt to palm off upon you an alcoholic *substitute* for this world-famed medicine. You *know* what you want. It's his business to *meet that want*. When he urges some *substitute* he's thinking of the larger profit he'll make—not of your welfare.

$50,000 GIVEN AWAY, in copies of The People's Common Sense Medical Adviser, a book that sold to the extent of 500,000 copies a few years ago, at $1.50 per copy. Last year we gave away $50,000 worth of these invaluable books. This year we shall give away $50,000 worth of them. Will **you** share in this benefit? If so, send only 21 one-cent stamps to cover cost of mailing only for book in stiff paper covers, or 31 stamps for cloth-bound. Address Dr. R. V. Pierce, Buffalo, N. Y.

If out of health, write to old Dr. Pierce. He will send you good, fatherly, professional advice without charge.

Pierce's Pleasant Pellets — These sugar-coated little Pellets are the smallest, the easiest to take, and the easiest in the way they act. No griping, no violence, no disturbance to the system, diet or occupation. They are the **Original Little Liver Pills**, first put up by old Dr. R. V. Pierce, over 40 years ago. They have been much **imitated** but **never** equaled. They come in vials, always fresh and reliable; a convenient vest-pocket remedy.
