OUR NEIGHBORS.

THATCHER, ARIZONA.

Teacher's Summer Institute Held in Tops of Graham Mountains.

Special Correspondence.

Thatcher, Graham Co., Ariz., Aug. 15.—The school teachers of Graham county have just concluded a very successful teachers' institute at Camp Columbine, on the top of the highest range of the Graham mountains near Mount Graham. Starting from Thatcher, a day and a half of riding and climbing brought us to the camp.

The road is a wonderful piece of work and was built by Cluff Brothers at the expense of thousands of dollars. With four strong horses and the trusted driver, we climbed straight upward and around backward and forward, over rocks of granite and stumps of pine. The scenery can hardly be surpassed in the West. The eye meets mile upon mile of the most beautiful timber a millman could wish for. We see such a variety of evergreens and the trees are so very straight and tall. The altitude of Thatcher is about 3,000 and at the Camp 10,000 feet.

Tuesday evening, July 31st, found most of the teachers present, happy and glad to gather round a large camp fire. While we hunt up our wraps and warm our toes, we can hardly imagine it is 98 in the shade down in the valley. Wednesday, August 1st, institute work began with Supt. W. A. Moody presiding and Prof. G. H. Brimhall instructor of theory and psychology, Prof. Emil Maeser, instructor of drawing and Judge J. M. McCollum instructor of arithmetic, Rev. Harvey M. Shields Chaplain. Thirty-five teachers and many friends in attendance. Two-hour lectures, beginning at 10 a. m. and 2 p. m., respectively, give time for lawn tennis, swinging, shooting and climbing in afternoon while the evening's entertainment provided for by committee, pleased and delighted all.

Great interest was manifested in the lectures of Prof. Brimhall, and his visit will not be soon forgotten. His earnest efforts, as may be said of all the other instructions given, will put us upon a higher plane of teaching, and will surely bear fruit.

The closing session was held Aug. 10th, and the homeward journey commenced the day following, the teachers reluctantly bidding adieu to beautiful Camp Columbine.
