EVENING NEWS.

Friday, December 20, 1878.

ST. GEORGE STAKE QUARTERLY CONFERENCE.

At 5 p. m. Friday, Dec. 13th, St. George quarterly conference commenced by a meeting of the priesthood of the Stake, together with President Erastus Snow, in the basement of St. George Tabernacle. The business consisted of hearing the statistical reports of the Stake, followed by instructions by Presidents McAllister and E. Snow.

In the meetings of Saturday and of Sunday, the 14th and 15th, the good Spirit of the Lord, manifestly prompted the instructions and testimonies expressed by the speakers.

The Meetings were addressed by Presidents Erastus Snow, J. D. McAllister, Thos. J. Jones, Henry Eyring, Jacob Gates, and Elders Wm. H. Seegmiller, of Richfield; Wm. King and Culbert King, of Kingston, and returned British missionaries, John Steel, David Milne and Wm. H. Branch, Jr.

The subjects dwelt upon were: the necessity of preparing ourselves to live in the Holy United Order; the improving of our spirits and bodies by a faithful obedience to the requirements of the gospel in our every day life; the diligent using of all proper means to educate the youth of both sexes, secularly and religiously; the duty of all indebted to the P. E. F. Co. to pay that indebtedness, and the enjoining upon those who are able, to make free-will offerings for the construction of Temples; the gathering of the poor; the sending of missionaries to the nations with the gospel message, and in other ways to use their substance in promoting the interest of God's Latter-day kingdom.

The sermons delivered, the statistical reports read, the voting to sustain the General and Stake Authorities, the mutual greetings of old time companions in the gospel, and, above all, the good spirit that was so manifest, afforded us a most profitable time. For all of which we thank the Lord.

JAMES G. BLEAK, Clerk of St. George Stake.

Tooele Water Dispute.

TOOELE CITY, Dec. 18, 1878.

Editors Deseret News:

Last night the water owners met in the meeting-house, at the request of the water commissioners, to consider the proposal which had been made to the commissioners by Mr. L. A. Brown, viz., to compromise with them in regard to water suits now pending before the Third District Court. Mr. Brown being invited to state his proposition to the meeting, said he would give an undisputed title to his desert land claim and also the ditch he had made to convey the surplus water to his land, and free the citizens from any more trouble about water for the small sum of $2,000 (his title to the surplus water thrown in on top).

The compromise was duly discussed by the water owners present, all expressing themselves unwilling to pay him one cent for his pretended claim to the water or for his dry ditch which he said cost $500, or for his desert land claim. This was the unanimous feeling of all present at the meeting.

Respectfully, S. S.

Best thing to do when you go shopping with ladies—take notes.

"What are you cutting at there you dolt?" Cried a tinner to his man.
"Can anything be as dumb as you?" Quoth he, "an oyster can."

A doctor went out hunting, and on coming home complained that he hadn't killed anything. "That's because you didn't attend to your legitimate business," said his wife.

"How even that farm lawn looks, my dear," said she to her husband, as they were taking a suburban stroll. "Even!" he exclaimed; "I'm disposed to think it's sod."

Fontenelle thus daintily complments the sex when he compares women and clocks: "The latter serve to point out the hours, the former to make us forget them."

"Sir," said a weary tramp to the gentleman who stands behind the counter at the Barrett House, "Sir, I am a social conundrum." "Then never more be guessed of mine."—*Burlington Hawkeye.*

A laborer, while breaking stones on the roadside, having a shade over one eye as a guard, was thus accosted by a companion: "I say, Tummy, hast 'ee lost an eye?" "Why," replied the other, "hast 'ee found one?"

After a series of careful and impetuous experiments, extending over a period of more than fifty years, the middle aged fat men of America reluctantly admit that the art of jamming a hole through the top of a hack with a plug hat, perished with the building of the pyramids.

"What," the young man asked the young woman who was waiting for him to ask for his hat, "what do I put you in mind of?" "A French clock," she said, softly. And pretty soon he arose, and went on his way. The next morning he called upon an eminent horologist and asked him what was the distinguishing trait of a French clock. The horologist said: "Why, it never goes." And the young man was sorely cast down, and he told no man of his hurt.—*Burdette.*

In the town of Medford, Mass., famous for its vintage of the still, there is an individual who sometimes publicly exhibits his effects, and also, in close proximity to each other, three town clocks, of sonorous and emphatic sound when heard upon the midnight air. Not long ago the individual was strenuously meandering homeward, when the voice of time sounded in his tympanum and went on with regular strokes until the three clocks had followed each other in succession. Bracing himself up defiantly, he ejaculated, "Thirty six o'clock! Keep on. I've been out later than that."

CATARRH

Of Ten Years' Duration. The Discharges Thick, Bloody, and of Foul Odor. Senses of Smell and Taste Wholly Gone. Entirely Cured by

SANFORD'S RADICAL CURE.

MESSRS. WEEKS & POTTER: Gentlemen—I feel compelled to acknowledge to you the great benefit SANFORD'S RADICAL CURE has been to me. For ten years I have been afflicted with this loathsome disease, and especially in the winter time has it been most severe. The discharge was so bad that my clothing would become so stiff as to be almost unbearable, and so bloody, smelling a foul odor so bad that my presence in a room with others was very disagreeable to them. One week after commencing the use of SANFORD'S RADICAL CURE I was not troubled with it at all. My senses of taste and smell, which were nearly gone, have now fully returned, and my general health is much improved.

Gentlemen: The package of SANFORD'S CURE arrived here to-night all right. I don't know what I would have done if I had not been for the remedy. I have tried Nasal Douches and everything else, and although I have been able to stop the discharge for a time, I have not been able to recover my senses of taste and smell until I tried SANFORD'S CURE. You can refer any one to me. Yours truly, I remain, cheerfully inform them in detail as to the benefit the remedy has been to me.

SAVE YOUR HAIR

TO LEARN HOW TO DO IT READ AND HEED WHAT FOLLOWS.

SAVE YOUR HAIR.—The laws of Health and Longevity demand it, the customs of social life require it. The matter is of great importance in every way.

BEAUTIFY YOUR HAIR.—It is the surpassing crown of glory, and for the loss of it there is no compensation.

CULTIVATE YOUR HAIR.—For by no other means can it be saved and beautified.

LYON'S KATHAIRON,

Discovered thirty-five years ago by Prof. Lyon, of Yale, is the most perfect preparation in the world for preserving and beautifying the hair.

Besides being the best hair dressing ever produced, Lyon's Kathairon will positively prevent grayness, and will restore new hair to bald heads, if the roots and follicles are not destroyed.

It actually performs these seeming miracles, of which the following is

A FAIR SPECIMEN

I had been entirely bald for several years, constitutional, I suppose. I used a few bottles of Kathairon, and, to my great surprise, I have a thick growth of young hair.

COL. JOHN L. DORRANCE, U. S. A.

In every important respect the Kathairon is absolutely incomparable. It is unequaled.

1. To Cure Baldness.
2. To Restore Gray Hair.
3. To Remove Dandruff.
4. To Dress and Beautify the Hair.

BEAR IN MIND.—The Kathairon is no sticky paste of sulphur and sugar-of-lead, to paint and daub the hair and paralyze the brain. It is a pure and limpid vegetable lotion, intended to restore the hair by natural growth and reinvigoration. It is splendidly perfumed, and the most delightful toilet dressing known. No lady's or gentleman's toilet outfit is complete without Lyon's Kathairon.

ERADICATES Coughs, Colds, Pneumonia, Bronchitis, Asthma, Croup, Whooping Cough, and all Diseases of the Breathing Organs.

HALL'S BALSAM Is the LEADING SPECIFIC for CONSUMPTION.

It soothes and heals the membrane of the lungs, inflamed and poisoned by the disease, and remedies the night sweats and tightness across the chest which accompany it.

CONSUMPTION

is not an incurable malady. It is only necessary to have the right remedy, and HALL'S BALSAM is that remedy.

DON'T DESPAIR OF RELIEF, for this benign specific may cure you, even though professional aid fails.

READ THE FOLLOWING:

Dr. D. D. Wright, of Cincinnati, sends us the subjoined professional indorsement. "I have prescribed Hall's Balsam in a large number of cases and *always with success.*" He adds that "in one case a patient with every appearance of *confirmed consumption* was restored to his usual health soon after commencing to take the Balsam."

John Kuhn, of Lafayette, Ind., writes: "One year ago I was to all appearance in *the last stages of consumption* and got so low our doctor said *I could not live twenty-four hours.*" Mr. Kuhn further states that "after taking nine bottles of HALL'S BALSAM he is now in perfect health, having used no other medicine."

The above brief extracts are taken from a MASS OF EVIDENCE which has been accumulating during a period of TWENTY-NINE YEARS, proving an efficacy of HALL'S BALSAM in all cases where the breathing organs are affected, and showing the estimation in which the remedy is held by the public and medical profession. Sold by all Druggists.

Price $1.00 per bottle.
