HELLOW EVERYBODY

THAT lives in Great Salt Lake, Davis, and Weber counties, now is your time to have your oxen, cows, and young stock taken good care of this winter.
The undersigned takes this method of announcing to the citizens of Great Salt Lake county, and other counties joining on the north, that we have taken up an excellent herd ground in Weber county, 3 miles west of Brigham City, on the west side of Bear river, near the mouth of the Malad, running north as far as the emigration road, and west as far as the Salt Lake, and south as far as where Bear river empties into said lake; this herd ground cannot be beat in any part of the Territory of Utah, for the abundance of good grass and good advantages for water.
We will take stock to herd at the enormous rate of one cent per day each head, and bind ourselves to pay all damages accruing to owners through our negligence. We will receive stock at the Union square in Great Salt Lake City, near the Union Hotel, on the first and fifteenth of every month; at Sessions' settlement and Farmington, in the main road, on the second and sixteenth; and at Ogden City on the third and seventeenth of every month; the said stock will be driven carefully to the herd ground without any further expense to the owners.
