THE SEMI-WEEKLY NEWS

The Great Country Paper of the West.

Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

LOCAL BRIEFS.

J. E. Dooly Buys Cattle—J. E. Dooly has bought a carload of Hereford cattle at Kansas City which he will herd on Antelope Island.

Now For Union Bars—The local bartenders are proposing a movement against bars whose tenders do not belong to the union.

Postoffice Is Discontinued—Brinton postoffice has been discontinued as its service is covered by the recently established rural free delivery route No. 7.

Lecture Tonight—Hon. John W. Fairbank will lecture on Ben Hur this evening, in the First Congregational church, illustrating the same with a stereopticon.

Shorter Hours For Clerks—The Walker Bros.' store now opens at 8:30 instead of 8 a. m., as it is found that this is sufficiently early for all practical purposes.

Skull Was Not Fractured—Leland Simmons, the high school boy who was hit in the head by a field hammer the other day, is recovering. His skull was not fractured.

Switchboard Taken Up—The capacity of the switchboard of the Rocky Mountain Bell Telephone company has been reached, and a temporary extension is being put up, to do duty until the new board is ready in 60 days.

Women Clerks May Organize—There is talk of organizing the local women clerks into a union, as the Retail Clerks' union is successful, and it is held there is no reason why a women's organization should not prove successful also.

Street Car Accident—Two Waterloo cars collided at Ninth South and Fifth East streets Saturday evening, and Mr. Olsen, a Z. C. M. I. clerk, was injured so that he had to be removed to the L. D. S. hospital. A cross switch that had worked open unknown to the car men, caused the trouble.

Country Club Opening—The formal opening of the Country club will be held on the 11th inst., with a social hop, golf and lawn tennis tournaments, and an enjoyable time generally. It will be quite an elaborate affair. The management of the club will pay special attention this season to social features.

In Memory of Departed—The Eagles' fraternity held services yesterday in memory of departed members. The sermon was preached by Rev. Frank Fay Eddy, and the Unity quartet, Mrs. Bessie Browning, Mrs. Zulu H. Smith, Joseph Poll and A. G. Mahan, sang several selections and Mrs. Browning and Mr. Poll sang solos.

May Take the Band—Bandmaster Held hopes to take 35 musicians with him to Philadelphia with the Elks in July, even if the cost is $5,000 as has been figured. The railroad fare alone will be at least $2,00, sleepers, $700, eating $700, and wages at least $1,500. But that the band will do excellent work and reflect credit on Salt Lake's musical status is unquestioned.

Lake Rises 2½ Feet—The level of the great lake is reported today, by the local weather office at 2 6-10 feet above the zero mark. This is 2 1-10 feet higher than a year ago at this time, and the water is now 400 and 500 feet back of the pavilion. The steamboat from the Green river is being launched today. She is 70 feet long, 14 foot beam and will carry 100 people.

Reservoir Nuisance—Inspector Clark of the state board of health has returned from Sigurd where he has been in connection with the proposition to enforce the removal of the Rocky Ford reservoir. He is in hopes of securing settlement of the trouble and abatement of the nuisance, by the removal of the town to a neighboring and more sanitary location, without taking the matter into the courts.

M. H. Daniels Re-elected—The local Typographical union nominated M. H. Daniels yesterday, to succeed himself as president, S. Groo for vice president, A. Thompson and George Welles for secretary and treasurer, and Henry Russell, E. A. Gregory and J. Bausch as delegates to the international convention to be held at Hot Springs, Ark., in August. The election will be held on the 17th inst.

Cannon Coming Home—Frank J. Cannon, the "brainstorm" editor of the Tribune, is reported as headed for home. It will be remembered that he went east several weeks ago on a mission of more or less mystery, but which was said to be in the interest of an anti-Mormon lecture campaign, planned for the early fall and winter. During the whole of his absence he has maintained an unusual and decidedly suspicious silence.

Danish Actor Here—"Herr Zangenberg, Kongelig Skuespiller fra Kobenhavn," a celebrated Danish actor, will give a reading at Y. M. C. A. auditorium this evening, May 6. Herr Zangenberg will render selections from Drachmann, Hostrup, Erik Bogh, and other famous Danish authors, and will be assisted in the evening's entertainment by Miss Ionny Fabricius, pianist, who is accounted as an artist of rare attainments. A dramatic and musical treat is promised all who attend.

Simply Wanted a Holiday—The 16 boys and girls who took a day off from school in Farmers ward on May 1 and were suspended by their principal, Edwin S. Sheets, returned to school today. They were before County Supt. of Schools Smith on Saturday afternoon and fixed matters up and the suspension was removed. They explained that they meant no discourtesy towards their teachers or principal but they simply wanted a holiday on May day and took it.

Palm Garden a Feature—Interior changes, costing about $4,000, will be made at the Elks' clubhouse. The billiard hall on the first floor is to be converted into a palm garden handsomely decorated and provided with a fountain. The billiard room will be removed to the basement where a fourth table is to be added. A ladies' retiring room is proposed for the first floor with offices for officials and two commodious parlors to the third floor. The house committee is in charge of the improvements.

Peace Protocol Signed—The differences between the board of public works and supervisor of streets Beleigh in regard to which shall have jurisdiction over work on the streets of the city, have been amicably settled. It is agreed that the board shall have supervision of all work on the streets done under contract with the city and the supervisor of streets shall have jurisdiction over all regular street improvements and all work done under the terms of any franchise granted to public utility corporations.

Fortune For Jap Family—T. Sasakii has been appointed as administrator of the estate of his brother, H. Sasakii, who was killed at the Portland Cement works about six months ago. The estate consists of cash amounting to $790 which will be sent back to Japan to the widow and children of deceased. The brother says that the family does not yet know of the death of Sasakii and the first news of it will be when they receive the fortune which he had saved for them. The money will be sufficient to keep the family in Japan during the rest of their days.

Home After Long Travels—Irwin McNiece, son of Rev. Dr. R. G. McNiece of this city, and a Princeton graduate of 1905, has returned home after an absence of three years. Mr. McNiece has been in the service of a prominent Liverpool shipping firm for the last six months during which he made several trips to the southwest coast of Africa, and spent a month in Germany before returning to this country. He is accompanied by an associate and friend, R. L. R. Roderick of Providence, R. I., who was with him on his ocean voyages. Mr. McNiece reports great destitution among the English laboring classes, due, he believes, to the non-protective tariff.

Boy Gets Three Years—Judge Armstrong on Saturday afternoon sentenced David Reese to three years in the state prison for the crime of forgery. Reese was charged with raising a check signed by Silver Bros., from $8 to $80.80 and passing it on A. T. Webb of Rowe & Kelly. He pleaded guilty to the charge and waived time for sentence. W. L. Dunn, his attorney, made a plea for clemency for the young man after which the court passed sentence as stated above. Reese is 19 years of age and has been the sole support of his widowed mother and six young brothers and sisters.

T. M. A. Secretary Here—R. C. Newman, grand secretary of the Theatrical Mechanical association, was in this city on Saturday when he was entertained by the Salt Lake Lodge, 35. Mr. Newman expressed himself as very much taken up with Salt Lake. Incidentally he stated that during the coming convention at St. Louis the name of the organization would in all probability be changed to that of the Theatrical Mutual Aid association, as "mechanical" was a misnomer, there being thousands of actors and vaudeville performers belonging to the organization, against the hundreds of stage hands.

VETERANS TO DANCE.

Spanish Warriors Will Hold Annual Hop on Thursday Evening.

The E. A. Wedgewood camp of the United Spanish War veterans will turn out in force at the state armory Thursday night of this week to hold an annual ball, and every plan is being made to make it the biggest success of the association's history. Tuesday night a class of recruits will be initiated into the society from men who served in the recent war either in Cuba, the United States, the Philippines or China. Gov. and Mrs. Cutler will lead the grand march at the armory, and Adjt.-Gen. E. A. Wedgwood, formerly a captain in the Utah Philippine volunteers, will be present. That the affair will be a social success is the assurance given by the plans already arranged by the committe in charg.

GOOD WORDS FOR CHAMBERLAIN'S COUGH REMEDY.

People everywhere take pleasure in testifying to the good qualities of Chamberlain's Cough Remedy. Mrs. Edward Phillips of Blanchard, Md., writes: "I wish to tell you that I can recommend Chamberlain's Cough Remedy. My little girl, Catherine, who is two years old, has been taking this remedy when ever she has had a cold since she was two months old. About a month ago I contracted a dreadful cold myself, but I took Chamberlain's Cough Remedy and was soon as well as ever." This remedy is for sale by all druggists.

RELIEF FROM RHEUMATIC PAINS

Among the troubles that beset mankind rheumatism is one of the most aggravating. "I suffered with it for over two years," says Mr. Rolland Curry, a patrolman of Key West, Fla. "Sometimes it settled in my knees and lamed me so I could hardly walk, at other times it would be in my feet and hands so I was incapacitated for duty. One night when I was in severe pain and lame from it my wife went to the drug store here and came back with a bottle of Chamberlain's Pain Balm. I was rubbed with it and found the pain had nearly gone during the night. I kept on using it for a little more than two weeks and found that it drove the rheumatism away. I have not had any trouble from that disease for over three months." For sale by all druggists.

In most cases, headaches can be cured with glasses. H. O. Jensen fits them correctly, 53 Main Street.

JOSEPH EDMONDS KILLED AT QUARRY

Rock Car Runs Over Him While Trying to Bring it Down Grade.

LEAVES WIFE AND CHILDREN.

Deceased Was Well Known and Was Employed at Cement Quarry in Mouth of Parley's Canyon.

While working at the cement quarry in the mouth of Parley's canyon Joseph Edmonds was instantly killed yesterday morning by being run over by a car loaded with rock. The unfortunate man was standing on the front of a car, manipulating the brake to move the same down grade a short distance, when in some manner he lost his footing and fell upon the rail, the wheels of the car crushing his head and otherwise injuring him in a terrible manner.

Two men working under Edmonds, George Capson and Mike Uich, heard his cry as he fell, and hastened to the scene. They immediately notified the sheriff's office and also Bishop Seddon of the accident, and the body was soon removed to the undertaking establishment of Joseph E. Taylor.

The dead man was well known, as he had resided in Salt Lake upwards of 40 years. He was a native of England and was about 54 years of age. He is survived by a wife and eight children. Four of the children are married, namely, Mrs. Mary Burt, Mrs. Martha Sainsbury, Mrs. Lizzie E. Hicks, and Joseph R. Edmonds. There are besides three girls and one boy in the family. The father of Mr. Edmonds, Francis Edmonds, is an aged and respected resident of the Tenth ward. Herbert and Robert Edmonds are his brothers.

For a number of years Joseph Edmonds was a montorman on the Waterloo line, and later entered the employ of the city, working in various capacities. He was always faithful and industrious and changes of administration made little difference in his employment, as he could always be depended upon to do his work and his services were in demand. The family resides at 1174 Fourth East street, and the members belong to the Second ward branch. Funeral arrangements have not yet been completed.

The Children's Shoe and Stocking Store Co., is preparing to put before the people of Salt Lake not only the most desirable stock of ladies' and children's shoes and hosiery, but also one of the most elegantly furnished stores of its kind in the west.

This is a stock company and many Salt Lake people are becoming interested in securing some of the company's stock.

END OF LONG CHASE.

Rose Star Now Enters Suit for Divorce Against Her Husband.

Suit for divorce has been filed in the district court by Rose Star against J. I. Star on the grounds of desertion and failure to support. They were married in Butte, Mont., on May 26, 1904, and have one child, of which plaintiff asks the custody. Mrs. Star has been following her husband back and forth between this city and Butte ever since their marriage. Not long ago she was visiting with her parents in Butte when her husband wrote to her and told her to come to Salt Lake. When she arrived here she found that he had sold out his shoe-shop and all their furniture and had left. She was left penniless and was aided by the county commissioners and was sent back to her parents. Since then she has been traveling through the mining camps of Nevada looking for her husband, but has failed to find him, and she now seeks a divorce from him.

Catarrh,

Called an American disease, is cured by an American medicine, originated and prepared in the most catarrhal of American countries.

That medicine is Hood's Sarsaparilla.

It cures radically and permanently, in that it removes the cause, cleansing the blood of scrofulous and all other impurities. It overcomes all the effects of catarrh, too, and builds up the whole system.
