OGDEN.

OGDEN, UTAH, AUG. 23, 1895.

Junction City Items.

Mrs. Butler was in town from South Hooper the last driver for team in the west end of Twenty-fifth street when a colored man came to the wagon and asked what was in it and whose was in her wagon. Mrs. Butler would not tell him when he took some insulting remarks when the only resented by striking him over the head with her whip. The colored man, whose name was Thomas Howard, took the whip from the lady and beat her most shamefully. He was arrested and gets a hearing today before Judge Bagley.

Marriage licenses were issued to Joseph H. Towle, 22 and Miss Jane Grove, 18, both of Hooper; Mr. Adam E. Kent, 21, and Miss Addie Baker, 20, of Ogden; George E. Amos, 24, of Salt Lake and Miss Blanche Lewis, 21, of Ogden.

Corey Bros., who have a large dairy contract in Wyoming, is sending quite a number of unemployed men out to work on their ranches.

PROVO.

PROVO, UTAH, AUG. 22, 1895.

Last for Forty-eight Years.

Robert Shelton of this city received a telegram from his uncle, John Shelton, dated August 20th, at San Francisco, saying that the writer would leave today for Salt Lake City. John Shelton is a brother of the late Robert Shelton of Provo. He and his sister came from England forty-eight years ago to New York. They drifted apart and Robert came west and joined the Church and came to Utah. John went to California and afterwards to Australia and the South Sea islands. He wrote one letter to Robert from Australia many years ago, but failed to receive an answer and all communication between the brothers stopped. Last February a letter was received from John by Robert Shelton of this city—this was some time after the death of his father—from this it was learned that John was a resident of California. Since that time a correspondence has been kept up between the families, and the promised visit is the result. Mr. Shelton goes to Salt Lake tomorrow to meet his uncle for the first time.

Notes and Personals.

John N. Identy, aged 27, and Mary E. Keppler, aged 18, both of Provo, have received a marriage license.

Prof. I. Hoss, of the Provo academy, has returned from a visit to the East, where he has been spending his vacation.

Information reached here this morning that Bishop John Carson, of Fairfield, died at his home at that place at 12:30 o'clock this morning.

This morning Elder A. Saxer returned from England in rather feeble health. The climate in England did not agree with him and he was released from his mission for that reason. His many friends hope the mountain air will soon restore him.

R. K. Irvine and R. B. Irvine Jr., have come back from their trip to the East. They have purchased a large stock of dry goods and expect to open their new dry goods establishment early in September.

John O. Freeman obtained judgment against the R. G. W. Railway company for $10 damages and $3.50 costs, in Justice Lewis's court, in Eureka, for a cow killed by the railroad company on the 6th of April. The defendant corporation has appealed to the First district court.

J. E. Pike, of Tenaglaine, Texas, is at the Hotel Roberts.

The following directors of the Utah County Savings Bank were elected yesterday: R. Eschen, president; George Taylor, vice-president; John S. Miner, James E. Daniels, John C. Graham, Walter R. Dee and Wm. H. King.

Teachers in the public schools, for the ensuing year, have not been paid for any stated time, as is usual. The reason for this is the uncertainty of the school taxes being collected, brought about by the decision of Judge Smith, to the effect that the law made no provision for a local assessment.

OBITUARY NOTE.

ANN A. ALLISON.

The funeral services over the remains of Sister Ann Boling Allisson were held in Centerville August 21. The deceased has been sick for about a year. Neither pleasure nor pain could be appealed, but she gradually faded, her spirit taking leave of her body at 2 o'clock August 11, and going to join her husband and two sons who have gone before. Miss Ann Boling was born in London, England, January 25, 1821. In April, 1845, she was married to Alfred John Allisson, and the year following joined her name to those Latter-day Saints. April 21, 1846, she and her husband received the Gospel, and from the time of her baptism she was a faithful Latter-day Saint, not forgetting her own ordinances and honoring the memory of her friends. In the year 1852 Brother Allisson, wife and four children joined the Mormon emigrant company, crossing the Jordan in a sailing vessel and the plains with ox teams, landing in Salt Lake City in the fall of the same year. They took passage to Mill Creek, where his uncle resided, where they remained for a few months, and then moved to Bear River, where they lived for a number of years, engaged in farming and stock raising, at the time of the Black Hawk war. In the year 1866 they moved to Centerville, where they resided ever since. Sister Allisson was one of the founders of the Relief Society, and was a faithful member of the Church. Her husband died in Montana, Claremont and Nevada, where she has lived since November 17, 1874, and again moved to Centerville in which place she resided at the time of her death. Although she was bedridden for many years, she was cheerful to the last, and retained her mind in the full vigor of her faculties. She passed the veil with a smile on her face. She was a faithful Latter-day Saint, and her death was as calm as the sleep of an infant. She leaves a large family of children and grandchildren to mourn her loss. She was a mother within Israel, and her death leaves a void in her home and circle. In the general the respect and esteem of all who knew her.

A. ANDERSON.

Reader, did you ever take SIMMONS LIVER REGULATOR, the "King of Liver Medicines"? Everybody needs a liver medicine. It is a sluggish or inactive liver that impairs digestion and causes constipation, when the bowels fail to move properly the poisonous matter should be carried off remains in the body and poisons the whole system. That dull, heavy feeling is due to a torpid liver. Biliousness, Headache, Jaundice and Indigestion are all liver diseases. Keep the liver active by occasional doses of SIMMONS LIVER REGULATOR and you'll get rid of these troubles, and the cause is the source and cure. For a laxative SIMMONS LIVER REGULATOR is better than Pills. It does not gripe, is safer, much, but greatly efficacious and strengthens.
